CENTRAL PIERCE FIRE & RESCUE
STANDARD OPERATING GUIDELINE
NUMBER 3.39

ORIGINATED: December 27, 2011
APPROVED: February 27, 2023
EFFECTIVE: February 27, 2023

SUBJECT: PROPERTY MANAGEMENT

PURPOSE: To establish procedures and practices to safeguard and maintain District property.
To establish a uniform policy for security, handling, and accounting for the District's supplies, parts, and merchandise inventory, herein after referred to as "inventory".
To ensure that District property is not used for personal purposes or gain.

To establish a legal and fair guideline for declaring property and equipment surplus to the needs of the Fire District and establishing procedures for the disposal of surplus items.

AUTHORITY & RESPONSIBILITY:

The Board of Fire Commissioners and Executive Staff Members have the authority and responsibility to ensure all District Members are familiar with and operate within the parameters of this Board Policy.

POLICY: District property consists of tangible or intangible items donated, purchased and/or maintained with District resources. District property shall be used to carry out the mission of the District and shall not be used for external or personal purposes except where allowable by policy or with permission by the Fire Chief or his designee. Personal, private property stored on District premises shall be kept to a minimum, clearly marked and identifiable as such.

The District does not assume responsibility for any theft or damage to the personal belongings of District employees. The intent is to inform employees that the protection of personal property brought into the workplace is not the responsibility of the District and is meant to clearly delineate the employee's rights and obligations when bringing personal property into the workplace so that loss or damage of personal property in the workplace can be avoided.

AUTHORITY & RESPONSIBILITY:

~~The Board of Fire Commissioners and Executive Staff Members have the authority and responsibility to ensure all District Members are familiar with and operate within the parameters of this Board Policy.~~

PROCEDURE:

I. MAINTENANCE AND SAFEGUARDING ACTIVITIES

A. District personnel shall maintain and safeguard District property so that it will be in operational order to carry out the mission of the District. Specific activities and procedures are as follows.

B. Minimize Risk

1. The District shall manage risks by carrying insurance to protect the District against the financial consequences of accidental property losses which are catastrophic in nature and to preserve assets and public service capabilities from destruction or depletion.

~~1-~~

2. The District shall strive to minimize the costs of insurance and/or risk management activities in an effort to avoid, reduce, transfer, and/or retain risk.

~~2-~~

3. The District shall participate in risk management activities to provide a safe environment in which personnel and members of the community can be safe and secure in the course of their daily pursuits.

C. Track and Account for Assets

1. District assets fall into three categories: capital, small and attractive, and inventory. Tracking and accounting for each category of assets vary as follows:

II. CAPITAL

A. Capital assets include land, buildings, equipment, furnishings, improvements (building or otherwise), and intangible (easements, computer software, etc.) items that are not consumed within one year. Assets are capital items if the following criteria are met except when purchased with grant funding. If grant-funded, assets are governed by Federal Circular OMB A-87 and the applicable federal, state, or private grant contract, and may differ from CPFR's definition:

1. Land: All land and/or easements, purchased or donated, are considered capital. Cost includes acquisition price and cost to prepare the land for its intended use, if applicable.

Formatted: Indent: Left: 2", No bullets or numbering

Formatted: Indent: Left: 2", No bullets or numbering

2. Buildings: Buildings or permanent structures acquired or constructed with a total cost/value of ~~\$5100~~,000 or more.

Formatted: Tab stops: 1.75", Left

- 2.3. Equipment and Furnishings: Total purchase price of at least \$5,000 (including taxes, shipping, and installation charges).
- 3.4. Improvements (Betterments): Improvements to buildings ~~(valued at \$100,000 or greater)~~ or equipment (valued at \$5,000 or greater) that add value by either lengthening a capital asset's estimated useful life or increasing a capital asset's ability to provide service.
- 4.5. Land Improvement other than Buildings: Permanent improvements, other than buildings that add value to land without an indefinite useful life valued at \$5,000 or more. Examples include fences, parking lots, retaining walls, etc.
- 5.6. Intangible: Items lacking physical form (computer software, etc) valued at \$5,000 or greater. Due to intangible assets lacking physical substance, they cannot 'wear out' so can reasonably be expected to provide the District benefit for an indefinite period of time.
7. Capital items should be tracked utilizing the Asset Control Form. The following events trigger the completion of the form:
- a. **Additions:** Assets may be acquired via purchase, construction, donation, or lease. All capital assets, whether tangible or intangible will be coded to a capital outlay GL account number when purchased. All capital outlay GL account numbers will be reconciled to the capital asset database to ensure financial records are accurate. Regardless of how it is acquired, when an asset is received, an Asset Control Form should be completed by the purchaser and submitted to the Finance division along with purchase order or other documentation showing how the asset was acquired. Whenever practical, it is preferred that assets be purchased and received through Central Stores. The Finance division will input the information into the capital asset database.
 - b. **Disposals:** Due to various reasons, assets will eventually be disposed. This disposal needs to be accounted for in the capital asset database. Disposal may be required due to a sale of the asset, scrapping, mysterious disappearance (lost or stolen), or involuntary conversion (fire, flood, etc.). Refer to [Surplus/Disposal Policy procedure below 3.57, and see surplus guidelines below.](#)

a. _____

b-c. Transfers: Occasional transfers of property between stations, divisions, or individuals within the department will occur. The original controlling station, division, or individual is accountable for all assets in its inventory and for initiating a notice of transfer.

Formatted: Indent: Left: 2.5", No bullets or numbering

d. Replacements, Improvements, and Add-On Components: Replacements, improvements, and add-on components defined in the above policy will be reported to Finance by completing the Asset Control Form.

Formatted: Font: Not Bold

B. Capital items should be counted annually as follows:

1. Finance Office will supply persons responsible for capital assets with an inventory listing of assets used to physically count inventory. The list should include all assets under their control.
2. Responsible party should update the inventory listing of items within their control to report and explain any discrepancy to Finance by noting on the count sheet or utilizing an Asset Control Form.
3. Responsible party should sign the worksheet and forward it to the Finance Office.
4. Finance Office, on a sampling basis, should perform periodic reviews by performing a physical inventory to test validity.
5. After the adjustments are made by Finance division, the final asset list should be given to the person responsible for capital assets to sign that it is true and correct.

C. Capital items should be given a useful life.

6.1. Useful life: As a general rule, the District purchases a capital asset with the intent of using it for the duration of its useful life. Useful life is based on the District's experience rather than a published list. If applicable, technical obsolescence will be a determining factor as well.

Formatted: Indent: Hanging: 0.25", Numbered + Level: 3 + Numbering Style: A, B, C, ... + Start at: 1 + Alignment: Left + Aligned at: 1.38" + Indent at: 1.5"

6.D. Capital items should be tagged as follows:

1. Capital assets will be physically tagged to prove District ownership, even when there is a unique identification number on the asset itself for identification purposes.

- ~~1.~~
2. Tags placed on assets for identification purposes are not to be removed until the asset has been declared surplus.
3. Tags that are no longer legible should be replaced as soon as practical.

III. SMALL AND ATTRACTIVE ASSETS

A. Attractive assets are tools or equipment that fall below the capitalization threshold of \$5,000, are not consumed within one year, and are theft sensitive. To safeguard minor equipment and tools, the following procedures should be followed:

1. At a minimum, information on each item should include a description of the item, make, model, and serial number. Purchase price, location and personnel assignment will be documented, if applicable. Information shall be maintained in electronic format by the division responsible for tracking the items. Examples include but are not limited to telephones, radios, and SCBA. Databases used to maintain attractive assets will be updated on a regular basis to reflect acquisitions, dispositions, and transfers. For attractive assets that are maintained by the Finance Office. An Asset Control Form should be filled out to report additions, disposal, replacement, and/or transfers. All federally funded equipment, regardless of cost, will be assigned to appropriate staff and formally tracked.

2. Asset counts will be performed annually with capital asset count sheets and the person performing the count will certify that all items have been accounted for. Proof of counts will be forwarded to the Finance Division and maintained for audit purposes. Reference the counting process for capital assets above for a detailed description. For databases that are maintained outside of the Finance Office, an inventory count worksheet will not be furnished by the Finance Office. At a minimum, a listing of the following equipment is required. Other items the District considers to be attractive in nature may also be tracked.

- a. Laptop computers
- b. Tablets and smart phones
- c. Automatic External Defibrillators (AED)
- d. Radio communication devices
- e. GPS positional tracking devices
- f. Binoculars
- g. Televisions

Commented [TR1]: Delete this?

Commented [SC2R1]: no

- h. Entertainment systems including Audio / Visual Equipment, sound systems, etc.
- i. Electric or battery operated small tools that are not identified on a vehicle daily/weekly/monthly checklist.

IV. INVENTORY: Supplies, Parts & Merchandise

- A. Inventory must be purchased in accordance with Expenditure Management Policy and should be held in a secure location where access is limited as much as practical.
- B. The amount of inventory on hand should be sufficient to meet the needs and anticipated demands of the District.
- C. Inventory maintained by the District will be subject to random audits or cycle counts as directed by division managers. Cycle counts should be used as a tool to help identify common variances in inventory. Items that are habitually inaccurate should be cycle counted frequently to discover the cause for variances.
- D. Inventory items should be kept in a neat, well-organized manner so that the earliest received will be issued first. Damaged and obsolete items should be physically segregated and clearly labeled as damaged and/or obsolete. Disposal of such items shall be preauthorized according to District property surplus/disposal requirements.
- E. Where applicable, “no charge” inventory items that are kept with like items that are charged out to different divisions, vehicles, or projects must be clearly marked as “no charge”. For example, returned items that will be sent out with future orders.
- F. Items not held in the electronic inventory systems must be clearly marked.
- G. Inventory will be counted and valued at fiscal year-end, and locations of items tracked and reported. Divisions holding inventories of such items are responsible for counting and valuing them, and reporting the details to the Finance Division.
Inventories include
 - 1. Central Stores
 - 2. Vehicle Parts
 - 3. Bike Helmets
 - 4. Smoke & CO Detectors
 - 5. Facility Maintenance Parts
 - 6. IT phones and stock computers

H. _____

Formatted: Indent: Left: 2", No bullets or numbering

H.H. The following guidelines should be used to determine the appropriate level of stock on hand for each inventory item:

1. Quantity discounts available.
2. Lead time (time between order and receipt of item).
3. Obsolescence or shelf life.
4. Cost of shortages (including operational shutdowns because of lack of inventory and additional shipping expense resulting from expediting of orders).

H.I. The following guidelines should be used to determine which items to include in the year-end inventory reports and valuation:

Formatted: Indent: Left: 2", No bullets or numbering

1. All supplies and parts that are entered into an electronic inventory system ([OneSolutionFinance Enterprise \(FE\)](#), [OperativeIQ](#) or Square-rigger) should be counted and reported.
2. All items held in inventory for resale should be reported including no charge items.
3. Items held in inventory that will be given to a citizen of the District (smoke detectors) should be reported.
4. Capital assets will not be included in value of inventory.
5. Inventory will be valued on a cost basis.

K.J. The counting procedure must be in accordance with Generally Accepted Accounting Principles. The purpose of the physical count of all inventoried items is to reconcile the physical assets to the official accounting records and to substantiate the value of inventory. The following procedures must be followed in order for the count to be acceptable to external reviewers:

1. The annual inventory count theoretically represents the inventory as of the last day of the fiscal year. All counts should be done as close as possible to December 31st. In no instance shall the count be made outside of three weeks of December 31st.
2. The person taking responsibility for the count must document the actual count on paper as it is made, and each page of the count document must be certified (signed and dated). The original documents must be submitted to the Finance Division.
3. A specific item count should be taken, unless it is not reasonable to do so. For example, it is not reasonable to count hundreds of screws or

washers with an individual value of pennies). In these cases the quantity should be reasonably estimated.

4. Causes for differences between quantities counted and those shown on accounting records should be given due diligence to identify variances. Cost to research variances versus dollar amount of variances should be taken into consideration when deciding level of investigation necessary to identify causes. To the extent possible, improvements in procedures should be made to prevent future errors or losses.

V. DONATED PROPERTY

- A. Assets may be donated to the District. Donated assets will be estimated at fair value (what the District would have had to pay to acquire the asset on its own) at the time of acquisition plus ancillary charges, if any. Then, items will be tracked and accounted for according to their classification: capital, small and attractive, etc.

VI. PERSONAL AND EXTERNAL USE OF DISTRICT PROPERTY

- A. District property shall be used to carry out the mission of the District and shall not be used for external or personal purposes except in the manner as follows:

2. Personal Use of District Telephones and Cell Phones

a. Station Phones:

- i. District phones are to be used for District business; however personal calls are allowed on a limited basis.
- ii. Telephone calls received during business hours must be held to a minimum number, limited duration and must not interfere with the employee's work, training, or Department operations.
- iii. If a toll call must be placed, the call is to be billed to the employee's home number, to a calling card, phone card or call collect.
- iv. Payment to the District is not an option. It is the employee's responsibility to ensure that no cost to the District results from their personal telephone calls.

b. Cell Phones:

- i. District cell phones may only be used for personal calls in urgent situations. If a cellular phone is issued to a specific employee, the phone may be used for personal calls as specified in their employment contract.

3. Loan-Out Policy (Equipment & Facilities)

- a. It is the policy of Central Pierce Fire & Rescue that District owned tools, equipment and other property will not be loaned out or borrowed by employees/members, or external customers/citizens.
- b. The only exceptions to this policy are:
 - i. Reserve fire hose may be loaned out to water companies or other governmental agencies on a case-by-case basis, subject to completion of proper paperwork.

- ii. District owned property may be loaned, leased or rented to other fire agencies with permission of the Fire Chief or his designee.
- iii. In unusual, emergency circumstances, District owned property may be loaned out to citizens when all other means have been exhausted and the equipment is essential to preserving life or property. These rare cases must be approved by a Battalion Chief or other chief officer and proper documentation must be completed (i.e. Recipients name, address, phone numbers, Driver's license number, etc.)

VII. SURPLUS/REPLACEMENT OF DISTRICT PROPERTY

- A. When surplus, obsolete, or unused material, property or equipment is identified, the Asset Control Form should be completed and submitted to the appropriate Division Head requesting the property or equipment be declared as surplus.
- B. Once approved by the appropriate Division Head they should forward the Asset Control Form to the Assistant Chief of Logistics to arrange for storage of the items and eventual disposal. The Assistant Chief of Logistics should forward the completed form to the finance division.
- C. When appropriate, the list of items submitted as surplus, will be formally brought before the Board of Commissioner's to be officially declared surplus to the needs of the District.
- D. All surplus items will be disposed of by one (1) of the following methods:
 - 1. All sales shall be open to the public, except scrap (any equipment or material which cannot serve its original purpose) which may be sold by private sale at prices established by current market conditions. All sales shall be final.

~~2. Surplus property or equipment with an estimated value of \$1,000 or more will be sold by public auction, sealed bid, negotiated sale, or transfer to another governmental agency.~~

~~Surplus property with an estimated value less than \$1,000 will be sold by public auction, sealed bid, negotiated sale, open market/garage sale or transfer to another government agency.~~

Formatted: Indent: Left: 2", No bullets or numbering

Formatted: Normal, Indent: Left: -0.25"

Formatted: Normal, No bullets or numbering

~~3.2.~~ Vehicles and or equipment that are primarily used for Fire Suppression or EMS shall first be offered to bona fide government agencies prior to being offered to the general public.

~~4.3.~~ Emergency vehicles sold to the general public, shall be stripped of all emergency lighting, sirens, department identification and radios prior to delivery.

~~5.4.~~ Property having no monetary value may be disposed of or recycled at the discretion of the Fire Chief or their designee.

~~6.5.~~ Trade-in of old equipment to upgrade equipment of the same or reasonable related kind are permitted when it is determined by the Board of Commissioners or Fire Chief to be in the best interest of the District.

~~7.6.~~ Real Property as defined under RCW 39.33 shall be subject to the procedures as outlined pursuant to RCW 39.33.020.

- E. When all efforts have failed to recover lost property, personnel should notify their supervisor/commanding officer and Finance (via the Asset Control Form). Lost items may require additional reports to the police department, Fire Chief, SAO, and Insurance Company. Disposals brought about as a result of natural disasters would require reporting to the insurance provider for an eventual reimbursement claim. Lost property will be reported to the Board of Commissioners with surplus property.

SUGGESTED MOTION:

“Move to approve and authorize the Fire Chief to sign the Station 96, Station 64, Station 92, Station 62, and Station 43 Ground Leases as presented.”

SUMMARY:

As the Board is aware, Public Safety Tower Company, in cooperation with Orting Valley Fire & Rescue, has provided a communications tower option that will be enhancing community connection (cellular) and emergency services capacity in the District.

Upon further exploration and analysis by Public Safety Tower Company, they have offered the same arrangements for 15 more towers located in the Ashford, Elbe, South Pierce, Graham, Orting & Central Pierce service areas.

Given the coverage maps, and the overlapping Land Mobile Radio (LMR) coverage, staff has prioritized offering potential ground leases to Public Safety Tower Company at Station 96, Station 64, Station 92, Station 62, and Station 43.

Staff is recommending the approval of the additional ground lease agreements.

RECITALS

WHEREAS, Landlord is the legal owner of the Parcel, located at 12827 224th Street East, in the County of Pierce, State of Washington, Tax Parcel No 0418114038, (collectively, the “**Parcel**”), as described in **Exhibit A – Parcel Description** with the full right, power, and authority to enter into this Agreement and to grant all consents and authorizations required in connection with the execution of this Agreement; and

WHEREAS, Tenant’s mission is to support the deployment of public safety focused infrastructure through the enablement of commercial networks;

WHEREAS, Landlord desires to grant to Tenant the right to use a portion of the Parcel in accordance with this Agreement;

WHEREAS, Tenant desires to lease a certain portion of the Parcel for the placement of a Facility (as defined in Section 2.1) in accordance with the terms of this Agreement; and

WHEREAS, in exchange for a reduction in Rent to Tenant hereunder, Tenant and Landlord plan to contemporaneously with this Agreement enter into a Tower Site Colocation Agreement which will govern the placement of certain telecommunications equipment by Landlord on the Facility to be constructed by Tenant as described herein to be located on the Premises (“**Colocation Agreement**”).

NOW, THEREFORE, in consideration of the mutual agreements contained herein, and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

PREMISES.

- 1.1. **General.** Landlord agrees to lease to Tenant, and Tenant agrees to lease from Landlord, a certain portion of the Parcel containing approximately 1,225 square feet with approximate dimensions of 35’ x 35’, including the air space above such ground space (the “**Premises**”), as described in **Exhibit B – Site Plan**, for the placement of a Facility (as defined in Section 2.1) in accordance with the terms of this Agreement. Tenant’s rights hereunder shall also include a right and easement to access thereto and utilities, as described in Section 6 (Access) and Section 10 (Utilities) below, which shall be appurtenant to Tenant’s leasehold rights hereunder, together with other appurtenant rights to the Premises. Within thirty (30) days after execution of the Agreement, the parties shall mutually agree on a final location for the Premises within the Parcel and the construction of the Facility, which location will be depicted in Exhibit B by an amendment to this Agreement. If the parties are unable to come to agreement on the final

location of the Premises, then either party may terminate the Agreement, along with the Colocation Agreement, without liability. Once a final location has been agreed, Tenant shall have the right to survey the Premises and supplement **Exhibit B – Site Plan** with the legal description of the Premises, as may be expanded pursuant to this Agreement. Landlord and Tenant agree that any portion of the Facility that may be conceptually described in **Exhibit B – Site Plan** shall not be deemed to limit Tenant’s Permitted Use.

- 1.2. **Additional Premises.** In the event Tenant desires to modify or upgrade the Facility (as defined in Section 2.1) in a manner that requires an additional portion of the Parcel (the “**Additional Premises**”), Tenant shall provide Landlord with a site plan depicting the Additional Premises for Landlord’s approval, which approval shall not be unreasonably withheld, conditioned, or delayed. Provided the Parties determine a mutually agreeable location for the Additional Premises, Landlord agrees to lease to Tenant the Additional Premises upon mutually agreeable terms and conditions consistent with the terms and intent of this Agreement. Landlord and Tenant shall execute an amendment to this Agreement to memorialize the inclusion of the Additional Premises.

PERMITTED USE.

- 2.1. **General.** Tenant may use the Premises for the transmission and reception of communications signals and for utilities, and the installation, construction, maintenance, operation, repair, replacement and upgrade of fixtures and related equipment, cables, accessories and improvements, which may include a suitable support structure, associated antennas, equipment shelters or cabinets, generators, panels, fencing and any other items necessary or desirable in connection therewith (collectively, the “Facility”), as well as the rights detailed in this Agreement and other uses reasonably related thereto or permitted by law (the “Permitted Use”). To the extent the Agreement is terminated as permitted herein, except for any underground utilities and foundations, and subject to Section 7.7, Tenant shall restore, at its sole cost, the Premises to a reasonably similar condition as existed prior to the Effective Date of the Lease, reasonable wear and tear, casualty damages, and damage from the elements excepted.
- 2.2. **Due Diligence.** Tenant and its agents, representatives, employees, permittees, consultants, engineers, contractors, and subcontractors (collectively, “**Tenant’s Agents**”) have the right to inspect, examine, and conduct geological or engineering tests, including but not limited to, soil borings, drainage testing, material sampling, radio frequency testing, and other studies of the Parcel (collectively, the “**Tests**”), to determine the feasibility or suitability of the Parcel for Tenant’s intended use as a Facility, all at Tenant’s cost and expense. Further, Tenant has the right to apply for and obtain licenses, permits, or required approvals, as deemed necessary or appropriate at Tenant’s sole discretion for its use of the Premises, throughout the Term of the Agreement, including, without limitation, applications for zoning approvals, zoning variances, zoning ordinances, special use permits, construction or building permits, and certificates and licenses and approvals necessary to comply with all applicable laws, rules, statutes and regulations, relating to Tenant’s use of the Facility (collectively, the “**Government Approvals**”), and initiate the ordering and/or scheduling of necessary utilities, and otherwise to do those things on or off the Parcel that are necessary, at Tenant’s sole discretion, to determine the physical condition of the Parcel, the environmental history of the Parcel, Landlord’s title to the Parcel, all at Tenant’s cost and expense. Tenant further has the right to

obtain a title report or commitment for a leasehold title policy from a title insurance company of its choice and to have the Parcel surveyed by a licensed surveyor of Tenant's choice. Landlord hereby agrees to provide any environmental studies, prior-obtained Government Approvals, relevant survey information, and any other information pertinent to Tenant's unencumbered and approved use of the Parcel and the Premises. Tenant shall not be liable to the Landlord or any third party on account of any pre-existing defect or condition on or with respect to the Parcel, whether or not such defect or condition is disclosed by Tenant's inspections. Landlord agrees to help reasonably facilitate Tenant's receipt of all Government Approvals and to reasonably cooperate with Tenant in connection with obtaining, and maintaining in effect all Government Approvals, title insurance, and any other rights Tenant may reasonably require in connection with Tenant's Permitted Use. This paragraph does not obligate Landlord's land use commissions or City Council to vote any particular way on applications. This paragraph does not require staff members reviewing permit applications to grant the permit application if the application does not meet applicable requirements.

- 2.3. **Staging.** For a period of one hundred fifty (150) days following the start of construction, and thereafter, as needed for maintenance, operation, repair, replacement and upgrade of the Facility, Landlord grants Tenant, Tenant's Agents, its subtenants, sublessees, Tenants and subtenants (collectively, the "**Subtenants**"), the right to use approximately 500 square feet of the Landlord's Parcel, adjoining, or surrounding property (the "**Surrounding Property**"), as may reasonably be required during construction and installation of the Facility ("**Staging Area**"), The location of the Staging Area shall be as mutually agreed once the parties have agreed on a final site location within the Parcel for the Facility in accordance with Section 1.1.
- 2.4. **Modifications.** Tenant has the right to modify, supplement, replace, and upgrade the Facility within the Premises at any time during the Term, at Tenant's sole discretion, and Tenant shall also have the right to make such alterations to the Premises in connection therewith.
- 2.5. **Nuisance.** Tenant will not use the Premises in a manner which will cause a legal nuisance to Landlord or to the occupancy of Landlord's other tenants or cause a breach of this Agreement. In any event, Tenant's installation, use, and maintenance of the Facility and any other use of the Premises shall not interfere with, compromise or damage the Parcel, or any portion thereof. Notwithstanding the foregoing, Landlord agrees that the Permitted Use shall not constitute a nuisance hereunder.
- 2.6. **Safety.** Tenant and its contractors shall take all reasonably necessary safety precautions pertaining to its use of the Premises and Parcel in compliance with applicable laws, ordinances, regulations and orders issued by a public authority, whether federal, state, local or other, OSHA (Federal Occupational Safety and Health Administration) / DOSH (Washington State Division of Occupational Safety and Health) / WISHA (Washington Industrial Safety and Health Act). Tenant shall at all times be responsible for providing a safe site and be responsible for the work performance and safety of all employees, personnel, equipment and materials within Tenant's or its contractors' care, custody or control. Tenant and its contractors shall ensure all of their employees and contractors' employees have and wear personal protective equipment in compliance with applicable OSHA/DOSH/WISHA requirements.

TERM.

- 3.1. **Initial Term.** The initial term of this Agreement shall be for twenty-five (25) years (the “**Initial Term**”) and commence upon the Effective Date.
- 3.2. **Extension Terms.** This Agreement shall automatically renew for two (2) additional ten (10) year terms (each additional ten (10) year term shall be defined as an “**Extension Term**”), upon the same terms and conditions set forth herein, unless the Agreement has been terminated pursuant to Section 7 (Termination), or the either Party notifies the Other Party in writing of its intention not to renew this Agreement at least ninety (90) days prior to the expiration of the Initial Term or the then-existing Extension Term.
- 3.3. **Annual Terms.** At the conclusion of the Initial Term and all Extension Terms, this Agreement shall continue in force upon the same covenants, terms and conditions for a further term of one (1) year, and for annual terms thereafter (each additional one (1) year term shall be defined as an “**Annual Term**”) until the Agreement has been terminated pursuant to Section 7 (Termination) or terminated by either party hereto by giving to the other party hereto written notice of its intention to so terminate at least six (6) months prior to the end of the then-existing Annual Term, whichever occurs first.
- 3.4. **Holdover Terms.** If Tenant remains in possession of the Premises after the termination of this Agreement, then Tenant shall be deemed to be occupying the Premises on a month-to-month basis (the “**Holdover Term**”), subject to the terms and conditions of this Agreement.
- 3.5. Section 3.1 (Initial Term), Section 3.2 (Extension Terms), Section 3.3 (Annual Terms), and 3.4 (Holdover Terms) are collectively referred to as the “**Term**”.
- 3.6. The Term of this Agreement shall in no event terminate prior to the term of the Colocation Agreement.

RENT.

- 4.1. **Rent Commencement.** Commencing on the first day of the month following the date that Tenant commenced construction on the Premises (the “**Rent Commencement Date**”), Tenant shall pay Landlord on or before the fifth (5th) day of each calendar month in advance five hundred and No/100 Dollars (\$500.00) (the “**Rent**”), via electronic payment, unless Landlord specifies an alternative means for Rent payments in writing to Tenant. The initial Rent payment will be transmitted by Tenant to Landlord within forty-five (45) days after the Rent Commencement Date. Landlord shall provide to Tenant the account details for electronic payment and a W-9 on or before the Effective Date. The Rent Commencement Date shall be memorialized by notification from Tenant, substantially in the form attached hereto as **Exhibit D – Notification of Rent Commencement Date**, which shall be binding on Landlord unless Landlord notifies Tenant of its objection thereto within seven (7) days of delivery to Landlord.
- 4.2. **Rent Escalator.** On the first anniversary of the Rent Commencement Date, and on each anniversary of the Rent Commencement Date throughout the Term of the Agreement, Rent shall be increased by two percent (2.0%) of the Rent paid during the immediately prior year.

- 4.3. **Rent Proration.** In the event this Agreement is terminated, the Rent will be prorated for any partial month, based on a three hundred sixty-five (365) day year.
- 4.4. **Late Fee.** Rent shall be due on or before the fifth (5th) day of each month in advance and will be delinquent if not paid by the tenth (10th) day of each month of the Term. If payment is not received by Landlord within thirty (30) days of written notice of nonpayment (the “**Late Rent Period**”), Tenant shall pay to Landlord an additional sum of ten percent (10%) of the past due rent as a late fee; provided, however, that no late fees shall be due for the first (1st) time Tenant is late in any single calendar year. Acceptance of any late fee shall not constitute a waiver from exercising any of the other rights and remedies available to Landlord under this Agreement, at law or in equity, including, but not limited to, any interest charges imposed herein.
- 4.5. **Revenue Share.** In the event Tenant sublets or licenses space on the Facility to a third party collocator (“**Collocator**”), Tenant shall remit fifteen percent (15%) of the rent or other fees to use the Facility collected by Tenant from such Collocator (the “**Collocator Rent**”) to the Landlord (the “**Landlord’s Revenue Share**”). Such Landlord’s Revenue Share shall be paid with the next Rent payment due from Tenant that is at least thirty (30) days after receipt of the Collocator Rent by Tenant. Landlord acknowledges and agrees that Landlord’s Revenue Share may or may not be passed through as a cost to Collocator and in the event that Landlord’s Revenue Share is passed through as a cost to Collocator, the same shall not be subject to further revenue sharing or markup payable to Landlord. Tenant shall pay the Landlord’s Revenue Share for each Collocator on the Facility for which Tenant receives Collocator Rent. Tenant’s obligation to pay Landlord’s Revenue Share to Landlords shall expire or abate, as applicable, at such time as the Collocator does not pay Collocator Rent to Tenant, and shall resume, as applicable, if and when the Collocator resumes paying such recurring Collocator Rent and Landlord’s Revenue share shall be prorated for partial periods. The first Collocator paying Collocator Rent will always be considered an Anchor Tenant (“**Anchor Tenant**”). Notwithstanding any possible assignment of conveyance of this Agreement or interest in the Facility by an Anchor Tenant to a third party, in no event will an Anchor Tenant ever be considered or interpreted to be a Collocator under this Section 4.5 for the purpose of payment of Landlord’s Revenue Share.
- 4.6. **Landlord Use of Facility.** Tenant and Landlord plan to contemporaneously with this Agreement enter into a Tower Site Colocation Agreement in a form substantially similar to **Exhibit G - Tower Site Colocation Agreement**, which will govern the placement of certain telecommunications equipment by Landlord on the Facility to be constructed by Tenant as described herein to be located on the Premises.
5. **GOVERNMENT APPROVALS.** Landlord agrees that Tenant’s obligations under this Agreement are contingent upon Tenant’s ability to obtain, maintain, and comply with all Government Approvals. Landlord authorizes Tenant to prepare, execute and file all required applications to obtain Government Approvals for the Permitted Use and agrees to reasonably assist Tenant with such applications and with obtaining and maintaining the Government Approvals.

ACCESS.

- 6.1. **24/7 Access.** At all times throughout the Term of this Agreement, and at no additional charge to Tenant, Tenant, and Tenant's Agents, shall have a reasonable, non-exclusive right to access the Premises twenty-four (24) hours per day, seven (7) days per week for pedestrian and vehicular access (the "**Access**") to and over the Parcel for the installation, maintenance and operation of the Facility and any utilities serving the Premises. Notwithstanding the foregoing, Tenant shall be afforded access to the Premises twenty-four (24) hours per day, seven (7) days per week for the Permitted Use, and such access to the Premises shall be exclusive to Tenant, and require no notice to Landlord. Tenant must give twenty-four (24) hour notice to Landlord prior any access to be made by Tenant to the Parcel (but not the Premises, which requires no prior notice), except in the event of an emergency, in which event Tenant shall provide notice within twenty-four (24) hours following such emergency as described below. Landlord shall have no duty to remove snow during daytime hours Monday – Friday or otherwise maintain the access area located on the Premises, but shall have an obligation for all maintenance on, or generally related to, the Parcel. Tenant may use an unmanned aircraft system, such as a drone for imagery at height, solely in connection with its Permitted Use and for the purpose of obtaining imagery of Tenant's improvements on the Parcel. In the event any public utility is unable to use the access provided to Tenant, Landlord agrees to grant additional access either to Tenant or to the public utility, for the benefit of Tenant, at no cost to Tenant.
- 6.2. **Emergency.** In the event of an emergency situation which poses an immediate threat of substantial harm or damage to persons and/or property (including the continued operations of the Facility) which requires entry on the Parcel, Tenant may enter the Parcel and take reasonable actions that are required to protect individuals or personal property from the immediate threat of substantial harm or damage; provided that promptly after the emergency entry and in no event later than twenty-four (24) hours thereafter, Tenant gives telephonic and/or written notice to Landlord of Tenant's entry onto the Parcel. Tenant's emergency twenty-four (24) hour contact number(s) must be displayed on the outside of all equipment cabinets located at the Parcel or Premises. In the event of an emergency situation which poses an immediate threat of substantial harm or damage to persons and/or property which requires entry to the Parcel, Landlord may enter the Parcel and take the actions that are required to protect individuals or personal property.
- 6.3. **Non-Exclusive Access.** Landlord grants to Tenant a right of access from a public right of way to the Premises, over a portion of the Parcel, in a location identified by Tenant in **Exhibit B – Site Plan**.
- 6.4. **Locks.** Landlord agrees to provide to Tenant such codes, keys and other instruments necessary for such Access at no additional cost to Tenant to provide entry through the Parcel and onto the Premises, as may be applicable now or in the future. Where feasible, Landlord agrees that Tenant has a right to use its own locks on the Parcel for Access to Premises, all at Tenant's cost and expense, so long as Tenant's locks do not interfere with Landlord's use of the Parcel.
- 6.5. **Access Condition.** Landlord shall be responsible for maintaining and repairing the Access to the Premises on the Parcel, including for the clearing of snow provided that snow removal equipment is able to access the Parcel and such clearance takes place during normal working hours Monday-Friday, provided further in the case of an urgent need during non-working hours as communicated by Tenant, the Landlord will use commercially reasonable efforts to arrange for snow removal during such non-working hours. Damages to the Access caused by Tenant's

use of such Access is excluded from Landlord's maintenance obligations hereunder. If Access to the Premises on the Parcel is impaired, Tenant shall notify Landlord of such impairment. Landlord shall cause the impairment to be removed within twenty-four (24) hours or, if removal of the impairment is not practical within twenty-four (24) hours, as soon as reasonably practical.

- 6.6. **Default by Uncured Access.** Landlord acknowledges that in the event Tenant cannot obtain Access to the Premises, Tenant shall incur significant damage. If Landlord fails to provide the Access granted by this Section 6 (Access), or reasonable temporary alternate vehicular and pedestrian Access, such failure shall be a default under this Agreement pursuant to Section 17 (Default and Right to Cure).

TERMINATION. This Agreement may be terminated, without penalty or further liability, as follows, which shall operate to terminate, or in the case of Section 7.3 below, assign, any Colocation Agreements between the Parties:

- 7.1. By Tenant, upon written notice to Landlord at any time prior to the commencement of construction.
- 7.2. By Tenant, upon written notice to Landlord at any time during the Term, if Tenant is unable to obtain or maintain any Governmental Approvals, including without limitation any required approvals or the issuance of a license or permit by any agency, board, court or other governmental authority, necessary for the construction or operation of the Facility as now or hereafter intended by Tenant; or if Tenant determines, in its sole discretion that the cost of or delay in obtaining or retaining the same is burdensome or commercially unreasonable; or that the environmental condition of the Premises is unsuitable for Tenant's use, or if Tenant believes that the leasing or continued leasing of the Premises would expose Tenant to undue risks of liability to a government agency or other third party.
- 7.3. By Tenant, upon twelve (12) months prior written notice to Landlord at any time following commencement of construction, for any reason or no reason, provided, however, that Tenant must in connection with such termination right have either assigned its rights and delegated its obligations under the Colocation Agreement such that Landlord's rights thereunder are not materially impacted, or otherwise terminated the Colocation Agreement in accordance with its terms.
- 7.4. By Tenant, upon thirty (30) days prior written notice at any time during the Term, if the Landlord remains in material default after all applicable cure periods in Section 17 (Default and Right to Cure) and in this Agreement.
- 7.5. By Landlord, upon thirty (30) days prior written notice at any time during the Term, if Tenant remains in material default after all applicable cure periods in Section 17 (Default and Right to Cure) and in this Agreement.
- 7.6. Or as otherwise expressly provided for in this Agreement.

- 7.7. Upon such final expiration or termination of this Agreement, the Parties agree to negotiate in good faith regarding the disposition and/or transfer of any Tenant improvements made on the Premises, as well as to help ensure continuity of emergency services during any such transition period.
- 7.8. Notwithstanding any provision of this Lease, this Lease may not be terminated by Tenant when any payment due to the Landlord remains outstanding or past due.

INTERFERENCE.

- 8.1. **General.** For the purposes of this Agreement, “interference” may include, but is not limited to, any use that causes electronic or physical obstruction with Tenant’s Permitted Use.
- 8.2. **Mutual Non-Interference with Frequencies on the Parcel.** Landlord has provided Tenant with a list of radio frequency user(s) and frequencies used on the Parcel as of the Effective Date– **Pre-Existing Frequencies.** Tenant shall keep Landlord reasonably approved of the radio frequencies used on the Facility. Tenant warrants that its use of the Premises will not interfere with the pre-existing radio frequency uses on the Parcel identified by Landlord, as long as the pre-existing radio frequency user(s) operate and continue to operate within their respective frequencies and in accordance with all applicable laws and regulations. Landlord warrants that its use of the Facility as provided under the Colocation agreement will not interfere with the radio frequency uses on the Facility identified by Tenant, as long as such radio frequency user(s) operate and continue to operate within their respective frequencies and in accordance with all applicable laws and regulations. Tenant acknowledges that the Pre-Existing Frequencies are not anticipated to interfere with the radio frequency uses on the Facility. If anything arises after installation of the Facility that in Tenant’s reasonable opinion would result in any interference, the parties shall work together in good faith to eliminate the same. Landlord shall provide prior written notice to Tenant of any expansion or change to such pre-existing uses, but in no event shall such expansion or change interfere with Tenant’s Permitted Use or frequencies. In addition, and without limitation of the foregoing, the Parties agree that any change in frequency usage on either the Facility or the Parcel, respectively, will not in the case of Tenant interfere with Tenant’s Permitted Use or frequencies, and in the case of Landlord, not interfere with the pre-existing frequencies identified by Landlord. In the event any after-installed Tenant’s equipment causes such interference, and after Landlord has notified Tenant in writing of such interference, Tenant will immediately take all available steps necessary to correct and eliminate the interference within ten (10) days of such notice, including but not limited to, at Tenant’s option, powering down such equipment and later powering up such equipment for intermittent testing. The Parties acknowledge that there will not be an adequate remedy at law for noncompliance with the provisions of this Paragraph and therefore, either Party shall have the right to equitable remedies, such as, without limitation, injunctive relief and specific performance.
- 8.3. **Landlord’s Non-Interference.** Landlord shall not, nor shall Landlord permit its employees, tenants, Tenants, invitees, agents, or independent contractors, to interfere in any way with the Facility, the operations of Tenant or the rights of Tenant under this Agreement. Landlord shall cause such interference to cease within twenty-four (24) hours, or within a reasonable time frame approved by Tenant in writing, after receipt of notice of interference from Tenant. In

the event any such interference does not cease within the aforementioned cure period, then the Parties acknowledge that Tenant will suffer irreparable injury, and therefore, Tenant will have the right, in addition to any other rights that it may have at law or in equity, for Landlord's breach of this Agreement, to elect to enjoin such interference or to immediately terminate this Agreement upon notice to Landlord without a waiver of any other rights or remedies.

- 8.4. **Future Third-Party Interference.** Landlord agrees not to sell, lease, or use any areas of the Parcel that the Landlord owns or controls, after the Effective Date, or grant any other right to any third party, if the exercise of such grant may in any way adversely affect or interfere with the Facility, Tenant's Permitted Use, or the rights of Tenant under this Agreement. Landlord shall notify Tenant in writing prior to granting any third party the right to install and operate communications equipment on the Parcel. If Tenant observes interference, Tenant may conduct a radio frequency propagation test or other applicable Tests, at Tenant's sole discretion. Landlord shall reimburse Tenant for any costs and expenses of such testing, if the Tests demonstrate interference unacceptable to Tenant, at Tenant's sole determination.

MAINTENANCE. Tenant shall keep and maintain the Premises in good condition, reasonable wear and tear and damage from the elements excepted. Landlord shall maintain and repair the Parcel and access thereto, which is under the control of the Landlord, and all Access areas in good and tenantable condition, subject to reasonable wear and tear and damage from the elements.

UTILITIES.

- 10.1. **Right to Order and Install Utilities for Permitted Use.** Tenant shall have the right to install, upgrade and maintain utilities, including but not limited to electric power and fiber, and to improve present utilities on the Parcel and the Premises, all at Tenant's cost and expense. Landlord hereby grants to any utility provider an easement, in, on, under and over that portion of the Parcel designated by the Landlord and upon the Premises, associated with Tenant's Permitted Use. Tenant shall have the right to initiate the ordering and/or scheduling of necessary utilities and shall prepare utility applications, and Landlord agrees to reasonably cooperate and execute any required applications for obtaining and maintaining utilities. In the event Tenant is unable to secure timely utilities, Landlord agrees to permit Tenant to install a submeter and connect to Landlord's utility service. In such instance, Tenant shall reimburse Landlord for Tenant's consumption of utilities as measured by the submeter.
- 10.2. **Tenant's Payment for Utilities Consumed.** Tenant shall be responsible for paying all utility charges for electricity, fiber or any other utility used or consumed by Tenant on the Premises.
- 10.3. **Interruptions.** Landlord acknowledges that Tenant provides a communication service which requires utility service to operate and must operate twenty-four (24) hours per day, seven (7) days per week. In the event of a utility service interruption, Landlord agrees to allow Tenant and Tenant's Subtenants the right to utilize temporary utility sources until stable utilities are restored; provided, Tenant makes all reasonable efforts to restore the utility to the extent within Tenant's control. In the event the temporary utility sources require use of the Parcel outside the Premises, Tenant may use additional space on the Parcel, at no additional cost to Tenant,

subject to Landlord's written approval, approval not to be unreasonably withheld, conditioned, or delayed.

11. **ENVIRONMENTAL.** Landlord and Tenant each agree that they shall not use, generate, store or dispose of any Hazardous Material (as defined in this Section 11) on, under, about or within the Parcel in violation of any law or regulation as may now, or at any time hereafter, be in effect. Should Landlord become aware of any Hazardous Materials contamination, Landlord shall immediately notify Tenant. Landlord and Tenant agree that each shall be responsible for compliance with any and all applicable governmental laws, rules, statutes, regulations, codes, ordinances, or principles of common law regulating or imposing standards of liability or standards of conduct with regard to protection of the environment or worker health and safety, as may now or at any time hereafter be in effect, to the extent such apply to that party's activity conducted in or on the Parcel. As used herein, "**Hazardous Materials**" shall mean hazardous substances, including asbestos-containing materials and lead paint, petroleum, and any substance, chemical or waste identified as hazardous, toxic, or dangerous in any applicable federal, state or local law or regulation.
12. **SUBLEASE.** Tenant shall have the right to sublease or license any portion of the Premises and its rights herein, in whole or in part, to a third-party whose use is consistent with the Permitted Use at Tenant's sole discretion and without Landlord's consent.
13. **ASSIGNMENT.** Upon notice to and approval by Landlord, such approval not to be unreasonably withheld, conditioned or delayed, Tenant has the right to assign this Agreement and its rights herein, to a third-party, provided however, that Tenant may assign this Agreement and delegate all of its obligations herein at Tenant's sole discretion and without Landlord's consent in the case of an assignment resulting from a change in control of Tenant, whether by reorganization, merger, sale of substantially all of its assets or equity, operation of law or otherwise, and in the case of an assignment to New Cingular Wireless PCS, LLC. Notwithstanding the foregoing, Landlord may assign this Agreement upon prior written notice to Tenant and subject to providing all information as set forth in Section 23, and without the Tenant's prior written consent to any other municipal government with which Landlord consolidates by annexation, merger, formation of a regional fire authority, contract, or otherwise, provided however, in such case, and prior to completion of the assignment, the Parties shall reasonably determine in good faith whether any changes are necessary either to this Agreement or the Colocation Agreement resulting from such assignment, and effectuate any such change contemporaneously with such assignment. Tenant shall be relieved of all future performance, liabilities, and obligations under this Agreement upon such assignment and assumption of obligations by the assignee.
14. **INSURANCE.** Tenant shall provide Commercial General Liability Insurance with a limit of Two Million Dollars (\$2,000,000.00) per occurrence and in the aggregate, written on ISO form CG 00 01 or its equivalent and from a reputable insurance company authorized to do business where the Premises is located, with Landlord included as an additional insured. Certificates evidencing such insurance shall be furnished to Landlord upon execution of this Agreement. Tenant may satisfy this requirement by obtaining the appropriate endorsement to any master policy of liability insurance Tenant may maintain. Tenant shall self-insure or maintain its own policy of property insurance for its Facility. Landlord and Tenant hereby releases Landlord (and its successors or assigns) from liability and waives all right of recovery against the other for any loss or damage covered by their

respective first party property insurance policies for all perils insured thereunder. In the event of such insured loss, insurance company shall have a subrogated claim against the other.

15. INDEMNIFICATION.

15.1. Tenant Indemnification. Tenant agrees to indemnify, defend and hold Landlord harmless from and against any and all injury, loss, damage or liability, costs or expenses in connection with a third party claim (including reasonable attorneys' fees and court costs) related to the installation, use, maintenance, repair or removal of the Facility or Tenant's breach of any provision of this Agreement, except to the extent attributable to the negligent or intentional act or omission of Landlord, its employees, invitees, agents or independent contractors.

FOR PURPOSES OF THE FOREGOING INDEMNIFICATION PROVISION ONLY, AND ONLY TO THE EXTENT OF CLAIMS AGAINST TENANT BY LANDLOR UNDER SUCH INDEMNIFICATION PROVISION, TENANT SPECIFICALLY WAIVES ANY IMMUNITY IT MAY BE GRANTED UNDER THE WASHINGTON STATE INDUSTRIAL INSURANCE ACT, TITLE 51 RCW. THE INDEMNIFICATION OBLIGATION UNDER THIS AGREEMENT SHALL NOT BE LIMITED IN ANY WAY BY ANY LIMITATION ON THE AMOUNT OR TYPE OF DAMAGES, COMPENSATION OR BENEFITS PAYABLE TO OR FOR ANY THIRD PARTY UNDER WORKERS' COMPENSATION ACTS, DISABILITY BENEFIT ACTS, OR OTHER EMPLOYEE BENEFIT ACTS.

The foregoing provision was specifically negotiated and agreed upon by the parties hereto.

15.2. Landlord Indemnification. To the extent permitted by law, Landlord agrees to indemnify, defend and hold Tenant harmless from and against any and all injury, loss, damage or liability, costs or expenses in connection with a third party claim (including reasonable attorneys' fees and court costs) arising from the negligence or willful misconduct of Landlord, its employees, invitees, agents or independent contractors, or the condition of the Parcel caused by Landlord's breach of any provision of this Agreement, except to the extent attributable to the negligent or intentional act or omission of Tenant, its employees, agents or independent contractors

15.3. Indemnification Protocols. The indemnified party shall: (i) promptly provide the indemnifying party with written notice of any claim, demand, lawsuit, or the like for which it seeks indemnification pursuant to this Section 15 (Indemnification) and provide the indemnifying party with copies of any demands, notices, summonses, or legal papers received in connection with such claim, demand, lawsuit, or the like; (ii) not settle any such claim, demand, lawsuit, or the like without the prior written consent of the indemnifying party; and (ii) fully cooperate with the indemnifying party in the defense of the claim, demand, lawsuit, or the like. A delay in notice shall not relieve the indemnifying party of its indemnity obligation, except (1) to the extent the indemnifying party can show it was prejudiced by the delay; and (2) the indemnifying party shall not be liable for any settlement or litigation expenses incurred before the time when notice is given.

16. WARRANTIES.

- 16.1. **General.** Tenant and Landlord acknowledge and represent to each other that it is duly organized, validly existing and in good standing and has the right, power, and authority or capacity, as applicable, to enter into this Agreement and bind itself hereto through the party or individual set forth as signatory for the party below.
- 16.2. **Landlord Warranties.** Except for as expressly provided herein, Tenant agrees to take the Premises in strictly “**AS IS, WHERE IS**” condition with all faults and conditions, known or unknown, and releases Landlord from any liability in connection therewith, including without limitation any warranties of fitness for a particular purpose. Landlord represents, warrants and agrees that: (i) Landlord solely owns the Parcel as a legal lot in fee simple; (ii) the Parcel is not and will not be encumbered by any liens, restrictions, mortgages, covenants, conditions, easements, leases, or any other agreements of record or not of record, which would adversely affect Tenant’s Permitted Use and enjoyment of the Premises under this Agreement; (iii) the Parcel is free of Hazardous Materials, except as disclosed on **Exhibit D – Disclosures of Hazardous Materials**, and has never been subject to any contamination or hazardous conditions resulting in any environmental investigation, inquiry or remediation, (iv) there exist no underground tanks on the Parcel; and (v) Landlord’s execution and performance of this Agreement will not violate any laws, ordinances, covenants or the provisions of any mortgage, lease or other agreement binding on Landlord.
- 16.3. **Tenant’s Warranties.** Tenant’s Use will not materially or adversely interfere with Landlord’s existing use of the Parcel as of the Effective Date.
- 16.4. **Quiet Enjoyment.** Landlord grants to Tenant sole, actual, quiet and peaceful use, enjoyment and possession of the Premises and leasehold estate created by and in accordance with the terms of this Agreement without hindrance or ejection by any persons.
- 16.5. **Landlord’s Liens.** In addition to all other remedies available to Tenant, Landlord will promptly pay when due all liens and monetary encumbrances against the Parcel. If the Parcel is or becomes encumbered by a deed to secure a debt, mortgage or other security interest, then Landlord will provide promptly to Tenant a mutually agreeable subordination, non-disturbance and attornment agreement executed by Landlord and the holder of such security interest substantially in the form attached hereto as **Exhibit E – Subordination, Non-Disturbance and Attornment Agreement**, or in the mortgagee’s standard form.

17. DEFAULT AND RIGHT TO CURE.

- 17.1. **Tenant Default.** The following will be deemed a default by Tenant and a breach of this Agreement: Tenant’s failure to perform any term or condition under this Agreement within forty-five (45) days of written notice from Landlord specifying the failure. No such failure, however, will be deemed to exist if Tenant has commenced to cure such default within such period and provided that such efforts are prosecuted to completion with reasonable diligence. If Tenant remains in default beyond any applicable cure period, then Landlord will have the right to (1) pursue a judgment for direct damages against Tenant, and/or (2) to pursue specific performance, injunction, or declaratory judgment, (3) to terminate this Agreement pursuant to Section 7.5 (Termination), and/or (4) any and all other rights available to it under law and

equity. In no event shall Tenant be liable for consequential, punitive, incidental or special damages, however caused, based on any theory of liability.

17.2. Landlord Default. The following will be deemed a default by Landlord and a breach of this Agreement: (i) Landlord's failure to provide Access to the Premises as required by Section 6 (Access) within twenty-four (24) hours after written notice of such failure; (ii) Landlord's failure to cure an interference problem as required by Section 8 (Interference) within twenty-four (24) hours after written notice of such failure; or (iii) Landlord's failure to perform any term or condition, or Landlord's breach of any warranty or covenant, under this Agreement for more than forty-five (45) days after written notice from Tenant specifying the failure. No such failure, however, will be deemed to exist if Landlord has commenced to cure the default within such period and provided such efforts are prosecuted to completion with reasonable diligence. Notwithstanding the foregoing, in regard to (iii) only, if any Landlord default affects Tenant's operations on the Premises, then such cure period shall be shortened to ten (10) days, and Tenant shall have the right, but not the obligation, to take reasonable self-help actions to effect a cure during such cure period, at Landlord's cost. In addition, in the case of any breach of any provision of this Agreement by Landlord, and such breach results in costs or damages to Tenant relating to its operation of the Facility or use of the Premises, then notwithstanding any cure by Landlord, Landlord shall be responsible for any such costs or damages incurred by Tenant. If Landlord remains in default beyond any applicable cure period, Tenant will have: (1) the right to cure Landlord's default and to collect such amounts from Landlord and/or (2) right to terminate this Agreement pursuant to Section 7.4 (Termination), and/or (3) any and all other rights available to it under law and equity. In no event shall Landlord be liable for consequential, punitive, incidental or special damages, however caused, based on any theory of liability, provided however, that any third-party damages covered by indemnity or otherwise recoverable under this Agreement shall not be deemed excluded by this clause.

Either party may change its notice address upon thirty (30) days prior written notice to the other party. Any notice and other communication given pursuant to this Agreement will be deemed to have been received on, and is effective as of, (i) the date it was delivered by hand; (ii) upon the date of the properly addressed e-mail transmission; (iii) on the date of delivery shown on the receipt card if sent by registered or certified mail, return receipt requested; (iv) on the third business day after the date of postmark if sent by regular mail, or (v) date of actual delivery for express courier or express mail service. Notwithstanding the foregoing, any notice to a Party that would permit the other Parties to terminate this Agreement shall be sent by certified mail, return receipt requested to the parties indicated above, with "NOTICE OF DEFAULT" designated in the subject line to be effective notice hereunder.

19. CONDEMNATION. In the event Landlord receives notification of any threatened or pending condemnation proceedings affecting the Parcel, Landlord will provide notice thereof to Tenant within twenty-four (24) hours. If a condemning authority takes all of the Parcel, or a portion sufficient, in Tenant's sole determination, to render the Premises unsuitable for Tenant, this Agreement will terminate as of the date the title vests in the condemning authority, provided, however that Tenant may terminate the Lease earlier upon not less than thirty (30) days' notice to Landlord, after Tenant becomes aware of such threatened or pending proceedings. The Parties will each be entitled to pursue their own separate awards in the condemnation proceeds, which for Tenant will include but not be limited to, where applicable, the value of its Facility and leasehold rights hereunder, moving expenses, and business relocation expenses. Landlord shall immediately refund to Tenant any prepaid Rent on a *pro rata* basis.

20. CASUALTY.

20.1. **Notice.** Landlord will provide notice to Tenant of any casualty or other harm affecting the Parcel within twenty-four (24) hours of the casualty or other harm.

20.2. **Premises Rendered Unsuitable.** If any part of the Facility or the Parcel is damaged by casualty or other harm as to render the Premises unsuitable, in Tenant's sole determination, then Tenant may terminate this Agreement by providing written notice to Landlord, which termination will be effective as of the date of such casualty or other harm, and Landlord shall reimburse Tenant for any prepaid Rent on a *pro rata* basis to the extent the casualty is due to the negligence or intentional act of Landlord. Tenant's termination of this Agreement under this Section shall not impair Tenant's right, if any, to collect insurance proceeds in connection with the Facility.

20.3. **Premises Rebuilt or Restored.** If Tenant undertakes to rebuild or restore the Premises and/or the Facility, as applicable, Landlord agrees to permit Tenant to place temporary facilities on the Parcel, at a location mutually agreeable to Landlord and Tenant, at no additional Rent until

the reconstruction of the Premises and/or the Facility is completed; provided, Tenant makes all reasonable efforts to reconstruct the Facility as soon as reasonably practicable. Landlord agrees that the Rent shall be abated until the Parcel and/or the Premises are rebuilt or restored, unless Tenant places temporary facilities on the Parcel, in which case Rent shall be adjusted as may be necessary or appropriate to account for any reduction in space or operation, or Tenant's increased costs, due to temporary facilities

21. WAIVER OF LANDLORD'S LIENS. Landlord waives any and all lien rights it may have, statutory or otherwise, concerning the Facility or any portion thereof. The Facility shall be deemed personal property for purposes of this Agreement, regardless of whether any portion is deemed real or personal property under applicable law.

OTHER PAYABLE CHARGES. Unless specified otherwise in this Agreement, Tenant shall not be liable for any charges or expenses payable to Landlord in connection with the use of the Premises by Tenant. Further, all amounts permitted to be charged by Landlord under this Agreement shall be billed to Tenant within one (1) year from when the charges were incurred, and in no event shall Tenant be liable for any charges billed to Tenant by Landlord after such period. The provisions of this Section 22 (Other Payable Charges) shall survive the termination or expiration of this Agreement.

23. TRANSFERS OF THE PARCEL OR PREMISES. Subject to the terms of this Agreement and except as provided in Section 25 (Anti-Piracy / Partial Transfers) below, Landlord may sell or otherwise transfer the Parcel or a portion thereof to a third party, provided: (i) the sale is made subject to the terms of this Agreement; and (ii) the transferee agrees to fully assume and perform Landlord's obligations under this Agreement. Within thirty (30) days of such transfer, Landlord or its successor shall send the documents listed below to Tenant:

- i. New deed to Parcel
- ii. Assignment and Assumption Agreement
- iii. Form W-9 for Transferee
- iv. Full contact information for new Landlord including phone number(s)

Until Tenant receives all such documents, Tenant's failure to make payments that may be required under this Agreement shall not be an event of default and Tenant reserves the right to hold payments due under this Agreement. Such transfer shall in no way limit or impair the obligations of Landlord under this Agreement, including interference and access obligations, or affect Tenant's rights under this Agreement. In the event that the transfer occurs by operation of law (i.e., not by deed), such transferee shall provide documentation reasonably acceptable to Tenant to evidence such transfer.

24. CHANGES TO ZONING OR ENCUMBRANCE. Landlord shall not initiate or consent to any change in the zoning of the Premises or the Parcel, or impose or consent to any other use, or encumbrance or restriction that would prevent or limit Tenant from using the Premises or Parcel for the Permitted Use or otherwise impair Tenant's rights hereunder.

25. ANTI-PIRACY/PARTIAL TRANSFERS.

- 25.1. Landlord agrees that it will not offer to, or accept any offer to, or transfer, convey, assign, lease, or grant an easement for any portion of Landlord's rights under this Agreement or any interest in the Premises or the rents due hereunder, including any "lease buyout" (a "**Partial Transfer**"), other than in connection with a full transfer of the fee interest real estate comprising the Premises as provided herein, together with a full assignment and assumption of Landlord's obligations under this Agreement.
- 25.2. If Landlord attempts to sell, convey, assign or transfer such property interest in or related to the Premises in violation of this Section 25, the sale, conveyance, assignment or transfer shall be void, and, at Tenant's option, an incurable default by Landlord of this Agreement.

TAXES. Tenant shall pay directly to the applicable Government Entity or to Landlord if Landlord is invoiced by such Government Entity, all taxes, fees, assessments or other charges assessed by any Government Entity against the Facility and/or Tenant's use of the Premises. Tenant shall pay to Landlord or the appropriate taxing authority, when due, any sales, use, ad valorem or other taxes or assessments which are assessed or due by reason of this Agreement or Tenant's use of the Premises or the Parcel. Landlord will be responsible for payment of all the real property taxes, except Tenant shall pay any increase in real estate taxes levied against the Premises directly attributable to this Agreement and/or Tenant's use of this Premises. Tenant will pay to Landlord the foregoing amounts within thirty (30) days after written demand thereof by Landlord accompanied by copies of each tax bill, service bill and/or assessment notice, along with the prior year's bill and a reasonable determination. Landlord represents and warrants that if Tenant pays Landlord for any such taxes, it shall timely remit the same to the applicable Government Entity and shall indemnify, defend and hold Tenant harmless from any claims by such Government Entity relating to the same.

27. **AMENDMENT AND WAIVER.** This Agreement cannot be amended, modified, or revised unless done in writing and signed by Landlord and Tenant. No provision may be waived except in writing signed by the waiving party. The failure by a party to enforce any provision of this Agreement or to require performance by the other party will not be construed to be a waiver, or in any way affect the right of either party to enforce such provision thereafter.
28. **MEMORANDUM OF LEASE.** At the request of the Tenant, the Parties will execute a recordable Memorandum of Lease substantially in the form attached hereto as **Exhibit F – Memorandum of Lease**. Either party may record this Memorandum of Lease at any time during the Term, in its absolute discretion. Tenant may record an amendment thereof to update such Memorandum to incorporate any expansion of the Premises or additional easements granted in connection with the Premises, and Landlord will reasonably cooperate in connection therewith.
29. **COMPLIANCE WITH LAW.** Tenant agrees to comply with all federal, state, and local laws, orders, rules and regulations (the "**Laws**") applicable to Tenant's use of the Facility on the Parcel. Landlord agrees to comply with all Laws relating to Landlord's ownership and use of the Parcel and any improvements on the Parcel. Tenant shall, at Tenant's expense, ensure that the tower structure upon which the Facility is installed complies with all applicable Laws, including, without limitation, all rules and regulations promulgated by the FCC and Federal Aviation Administration ("FAA") with regard to lighting, marking and painting, except where noncompliance is due to Landlord's negligence or willful misconduct. All installations and operations by Tenant in connection with this

Agreement shall meet and comply with all applicable Laws, including, without limitation, all applicable local codes and regulations, and all applicable rules and regulations promulgated by the FCC and FAA.

30. **BIND AND BENEFIT.** The terms and conditions contained in this Agreement will run with the Parcel and bind and inure to the benefit of the Parties, their respective heirs, executors, administrators, successors and assigns.
31. **ENTIRE AGREEMENT.** This Agreement and the exhibits attached hereto, all being a part hereof, along with the Colocation Agreement, constitute the entire agreement of the Parties hereto and will supersede all prior offers, negotiations and agreements with respect to the subject matter of this Agreement. Except as otherwise stated in this Agreement, each party shall bear its own fees, costs and expenses (including the fees, costs and expenses of its agents, brokers, representatives, attorneys, and accountants) incurred in connection with the negotiation, drafting, execution and performance of this Agreement and the transactions it contemplates.
32. **GOVERNING LAW.** This Agreement will be governed by the laws of the State of Washington, and venue of any dispute shall be in the Piere County Superior Court, without regard to conflicts of law.
33. **INTERPRETATION.** Unless otherwise specified, the following rules of construction and interpretation apply: (i) captions, headings, and subheadings are for convenience and reference only and in no way define or limit the construction of the terms and conditions hereof; (ii) use of the term “including” will be interpreted to mean “including but not limited to”; (iii) the term “day” shall mean calendar day whether or not expressly identified; (iv) whenever a party’s consent is required under this Agreement, except as otherwise stated in the Agreement or as same may be duplicative, such consent will not be unreasonably withheld, conditioned or delayed; (v) exhibits are an integral part of this Agreement and are incorporated by reference into this Agreement; (vi) use of the terms “termination” or “expiration” are interchangeable; (vii) reference to a default will take into consideration any applicable notice, grace and cure periods; (viii) the singular use of words includes the plural where appropriate; (ix) if any provision of this Agreement is held invalid, illegal or unenforceable, the remaining provisions of this Agreement shall remain in full force if the overall purpose of the Agreement is not rendered impossible and the original purpose, intent or consideration is not materially impaired; and (x) rule of construction that a contract be construed against the drafter, if any, shall not be applied in the interpretation and construction of this Agreement.
34. **AFFILIATES.** Any right of Tenant granted hereunder may be exercised by, at Tenant’s election, any Affiliate of Tenant and any Subtenant or Tenant thereof. “Affiliate” means with respect to a party to this Agreement, any person or entity that (directly or indirectly) controls, is controlled by, or under common control with, that party. “Control” of a person or entity means the power (directly or indirectly) to direct the management or policies of that person or entity, whether through the ownership of voting securities, by contract, by agency or otherwise.
35. **SURVIVAL.** Any provisions of this Agreement relating to indemnification shall survive the termination or expiration hereof. In addition, any terms and conditions contained in this Agreement that by their sense and context are intended to survive the termination or expiration of this Agreement shall so survive.

36. **W-9; OWNERSHIP CONFIRMATION.** Landlord agrees to provide Tenant with a completed IRS Form W-9, or its equivalent, upon execution of this Agreement and at such other times as may be reasonably requested by Tenant, including any change in Landlord's name or address. In the event of any transfer of Landlord's interest in the Parcel or this Agreement, by operation of law or otherwise, Tenant shall be provided reasonable evidence of such successor interest and Tenant shall have the right to withhold payment unless or until such evidence is provided and be reimbursed for Tenant's costs in confirming such successor interests, including, without limitation, any estate or personal representative, foreclosure, and bankruptcy matters.
37. **EXECUTION.** This Agreement may be executed in several counterparts and the counterparts shall constitute but one and the same instrument. The execution of this Agreement by electronic mail or by any other electronic means shall be deemed to constitute effective execution of this Agreement as to the Parties hereto, provided, however, that upon request by the other party, an original, wet-signed signature shall be provided thereafter.
38. **ATTORNEYS' FEES.** In the event that any dispute between the Parties related to this Agreement should result in litigation, at trial and on any appeal or petition for review, the prevailing party in such litigation shall be entitled to recover from the other party all reasonable fees, costs and expenses of enforcing any right of the prevailing party, including reasonable attorneys' fees, costs and expenses. Prevailing party means the party determined by the court to have most nearly prevailed even if such party did not prevail in all matters. This provision will not be construed to entitle any party other than Landlord, Tenant, and their respective Affiliates to recover their fees and expenses.
39. **WAIVER OF JURY TRIAL.** EACH PARTY, TO THE EXTENT PERMITTED BY LAW, KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVES ITS RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING UNDER ANY THEORY OF LIABILITY ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS AGREEMENT OR THE TRANSACTIONS IT CONTEMPLATES.
40. **INCIDENTAL FEES.** Unless specified in this Agreement, no unilateral fees or additional costs or expenses are to be applied by either party to the other party, including review of plans, structural analyses, consents, provision of documents or other communications between the Parties.
41. **FURTHER ACTS.** Upon request, Landlord will cause to be promptly and duly taken, executed, acknowledged, and delivered all such further acts, documents, and assurances as Tenant may request from time to time to effectuate, carry out and perform all of the terms, provisions and conditions of this Agreement and all transactions and permitted use contemplated by this Agreement.
42. **CONFIDENTIALITY.** Subject to customary exceptions, including to the extent disclosure is required under law or regulation, including that of Public Records Act, Chapter 42.56 RCW, an applicable securities exchange, or valid court order, Landlord will maintain in confidence all information relating to Tenant's proposed tenancy and development of the Premises, including but not limited to, the terms of the letter of intent between the Parties and this Agreement, and will not disclose such information to any other party without written consent. Such confidential information may be released to Landlord's successors, employees, partners, consultants, attorneys, accountants,

tax advisors, insurers, insurance agents, financial sources, property managers, and lenders who have a reasonable need for such confidential information.

43. **FORCE MAJEURE.** In the event that Tenant shall be delayed or hindered in, or prevented from, the performance of any work, service, or other act required under this Agreement to be performed by Tenant and such delay or hindrance is due to strikes, lockouts, acts of God, governmental restrictions, enemy act, civil riots or commotion, an act of war, domestic and/or international terrorism, quarantines, embargoes, pandemics, epidemics, local disease outbreaks, public health emergencies, unavoidable fire or other casualty, or other causes beyond the control of Tenant, then performance of such work, service, or other act shall be excused for the period of such delay and the period for the performance of such work, service, or other act shall be extended for a period equivalent to the period of such delay.
44. **CERTIFICATE.** Landlord will, within sixty (60) days after notice from Tenant, execute, acknowledge, and deliver to Tenant a certificate certifying whether or not this Agreement is in full force and effect; whether there are any modifications or alleged breaches by Landlord; the dates to which rent has been paid in advance; and any other facts that may reasonably be requested. The information in such certificate may be relied upon by any assignee, Subtenant, or any successor to Tenant and any of their respective lenders. Failure to deliver the certificate within the specified time shall be conclusive upon Landlord that the Agreement is in full force and effect and has not been modified except as may be represented by Tenant.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed as of the last signature date below.

RECITALS:

- A. Tenant has entered into a certain Ground Lease Agreement dated [Insert Effective Date], (the “**Lease**”) with Landlord, covering property more fully described in **Exhibit 1** attached hereto and made a part hereof (the “**Premises**”); and
- B. Landlord has given to Mortgagee a mortgage or deed of trust (the “**Mortgage**”) upon certain real property (“**Property**”), as described in the Mortgage, a part of which Property contains the Premises; and
- C. The Mortgage on the Property is in the original principal sum of [Spell Out Dollar Amount] (\$XXX) Dollars, which Mortgage has been recorded in the appropriate public office in and for [Insert County] County, [Insert State] as Recording No. _____; and
- D. Tenant desires to be assured of continued occupancy of the Premises under the terms of the Lease and subject to the terms of this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements herein contained, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

1. So long as this Agreement will remain in full force and effect, the Lease is and will be subject and subordinate to the lien and effect of the Mortgage insofar as it affects the real property of which the Premises forms a part (but not Tenant’s fixtures or other property), and to all renewals, modifications, consolidations, replacements and extensions thereof, to the full extent of the principal sum secured thereby and interest thereon, with the same force and effect as if the Mortgage had been executed, delivered, and duly recorded among the above-mentioned public records, prior to the execution and delivery of the Lease.

2. In the event Mortgagee takes possession of the Premises as mortgagee-in-possession, including but not limited to, by deed in lieu of foreclosure or foreclosure of the Mortgage, Mortgagee agrees not to affect or disturb Tenant’s right to possession of the Premises and any of Tenant’s other rights under the Lease in the exercise of Mortgagee’s rights so long as Tenant is not then in default, after applicable notice and/or grace periods, under any of the terms, covenants, or conditions of the Lease.

3. In the event that Mortgagee succeeds to the interest of Landlord or other landlord under the Lease and/or to title to the Premises, Mortgagee and Tenant hereby agree to be bound to one another under all of the terms, covenants and conditions of the Lease; accordingly, from and after such event, Mortgagee and Tenant will have the same remedies against one another for the breach of an agreement contained in the Lease as Tenant and Landlord had before Mortgagee succeeded to the interest of Landlord.

4. In the event that Mortgagee or anyone else acquires title to or the right to possession of the Premises upon the foreclosure of the Mortgage, or upon the sale of the Premises by Mortgagee or its successors or assigns after foreclosure or acquisition of title in lieu thereof or otherwise, Tenant agrees not to seek to terminate the Lease by reason thereof, but will remain bound unto the new owner so long as the new owner is bound to Tenant under all of the terms, covenants and conditions of the Lease.

5. Mortgagee understands, acknowledges, and agrees that notwithstanding anything to the contrary contained in the Mortgage and/or any related financing documents, including, without limitation, any UCC-1 financing statements, Mortgagee will acquire no interest in any equipment, fixtures and/or other property installed by or on behalf of Tenant or its related parties on the Property. Mortgagee hereby expressly waives any interest which Mortgagee may have or acquire with respect to such equipment, fixtures and/or other property of Tenant or Tenant's assignees, sublessees, licenses and related parties, now, or hereafter, located on or affixed to the Property or any portion thereof and Mortgagee hereby agrees that same do not constitute realty regardless of the manner in which same are attached or affixed to the Property.

6. This Agreement will be binding upon and will extend to and benefit the successors and assigns of the parties hereto and to any assignees or Subtenants of Tenant which are permitted under the Lease. The term "Mortgagee", when used in this Agreement will be deemed to include any person or entity which acquires title to or the right to possession of the Premises by, through or under Mortgagee and/or the Mortgage, whether directly or indirectly.

PUBLIC SAFETY INFRASTRUCTURE GROUND LEASE AGREEMENT

THIS PUBLIC SAFETY INFRASTRUCTURE GROUND LEASE AGREEMENT (“**Agreement**”), dated as of the later of the signature dates below (the “**Effective Date**”), is entered into by and between Central Pierce Fire & Rescue, a special purpose district (“**Landlord**”), and Public Safety Towers, LLC, a Delaware Limited Liability Company (“**Tenant**”) (collectively referred to as the “**Parties**”).

RECITALS

WHEREAS, Landlord is the legal owner of the Parcel, located at 3421 224th Street East in the County of Pierce, State of Washington, Tax Parcel No 0318114021, (collectively, the “**Parcel**”), as described in **Exhibit A – Parcel Description** with the full right, power, and authority to enter into this Agreement and to grant all consents and authorizations required in connection with the execution of this Agreement; and

WHEREAS, Tenant’s mission is to support the deployment of public safety focused infrastructure through the enablement of commercial networks;

WHEREAS, Landlord desires to grant to Tenant the right to use a portion of the Parcel in accordance with this Agreement;

WHEREAS, Tenant desires to lease a certain portion of the Parcel for the placement of a Facility (as defined in Section 2.1) in accordance with the terms of this Agreement; and

WHEREAS, in exchange for a reduction in Rent to Tenant hereunder, Tenant and Landlord plan to contemporaneously with this Agreement enter into a Tower Site Colocation Agreement which will govern the placement of certain telecommunications equipment by Landlord on the Facility to be constructed by Tenant as described herein to be located on the Premises (“**Colocation Agreement**”).

NOW, THEREFORE, in consideration of the mutual agreements contained herein, and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

PREMISES.

- 1.1. **General.** Landlord agrees to lease to Tenant, and Tenant agrees to lease from Landlord, a certain portion of the Parcel containing approximately 1,225 square feet with approximate dimensions of 35’ x 35’, including the air space above such ground space (the “**Premises**”), as described in **Exhibit B – Site Plan**, for the placement of a Facility (as defined in Section 2.1) in accordance with the terms of this Agreement. Tenant’s rights hereunder shall also include a right and easement to access thereto and utilities, as described in Section 6 (Access) and Section 10 (Utilities) below, which shall be appurtenant to Tenant’s leasehold rights hereunder, together with other appurtenant rights to the Premises. Within thirty (30) days after execution of the Agreement, the parties shall mutually agree on a final location for the Premises within the Parcel and the construction of the Facility, which location will be depicted in Exhibit B by an amendment to this Agreement. If the parties are unable to come to agreement on the final

location of the Premises, then either party may terminate the Agreement, along with the Colocation Agreement, without liability. Once a final location has been agreed, Tenant shall have the right to survey the Premises and supplement **Exhibit B – Site Plan** with the legal description of the Premises, as may be expanded pursuant to this Agreement. Landlord and Tenant agree that any portion of the Facility that may be conceptually described in **Exhibit B – Site Plan** shall not be deemed to limit Tenant’s Permitted Use.

- 1.2. **Additional Premises.** In the event Tenant desires to modify or upgrade the Facility (as defined in Section 2.1) in a manner that requires an additional portion of the Parcel (the “**Additional Premises**”), Tenant shall provide Landlord with a site plan depicting the Additional Premises for Landlord’s approval, which approval shall not be unreasonably withheld, conditioned, or delayed. Provided the Parties determine a mutually agreeable location for the Additional Premises, Landlord agrees to lease to Tenant the Additional Premises upon mutually agreeable terms and conditions consistent with the terms and intent of this Agreement. Landlord and Tenant shall execute an amendment to this Agreement to memorialize the inclusion of the Additional Premises.

PERMITTED USE.

- 2.1. **General.** Tenant may use the Premises for the transmission and reception of communications signals and for utilities, and the installation, construction, maintenance, operation, repair, replacement and upgrade of fixtures and related equipment, cables, accessories and improvements, which may include a suitable support structure, associated antennas, equipment shelters or cabinets, generators, panels, fencing and any other items necessary or desirable in connection therewith (collectively, the “Facility”), as well as the rights detailed in this Agreement and other uses reasonably related thereto or permitted by law (the “Permitted Use”). To the extent the Agreement is terminated as permitted herein, except for any underground utilities and foundations, and subject to Section 7.7, Tenant shall restore, at its sole cost, the Premises to a reasonably similar condition as existed prior to the Effective Date of the Lease, reasonable wear and tear, casualty damages, and damage from the elements excepted.
- 2.2. **Due Diligence.** Tenant and its agents, representatives, employees, permittees, consultants, engineers, contractors, and subcontractors (collectively, “**Tenant’s Agents**”) have the right to inspect, examine, and conduct geological or engineering tests, including but not limited to, soil borings, drainage testing, material sampling, radio frequency testing, and other studies of the Parcel (collectively, the “**Tests**”), to determine the feasibility or suitability of the Parcel for Tenant’s intended use as a Facility, all at Tenant’s cost and expense. Further, Tenant has the right to apply for and obtain licenses, permits, or required approvals, as deemed necessary or appropriate at Tenant’s sole discretion for its use of the Premises, throughout the Term of the Agreement, including, without limitation, applications for zoning approvals, zoning variances, zoning ordinances, special use permits, construction or building permits, and certificates and licenses and approvals necessary to comply with all applicable laws, rules, statutes and regulations, relating to Tenant’s use of the Facility (collectively, the “**Government Approvals**”), and initiate the ordering and/or scheduling of necessary utilities, and otherwise to do those things on or off the Parcel that are necessary, at Tenant’s sole discretion, to determine the physical condition of the Parcel, the environmental history of the Parcel, Landlord’s title to the Parcel, all at Tenant’s cost and expense. Tenant further has the right to

obtain a title report or commitment for a leasehold title policy from a title insurance company of its choice and to have the Parcel surveyed by a licensed surveyor of Tenant's choice. Landlord hereby agrees to provide any environmental studies, prior-obtained Government Approvals, relevant survey information, and any other information pertinent to Tenant's unencumbered and approved use of the Parcel and the Premises. Tenant shall not be liable to the Landlord or any third party on account of any pre-existing defect or condition on or with respect to the Parcel, whether or not such defect or condition is disclosed by Tenant's inspections. Landlord agrees to help reasonably facilitate Tenant's receipt of all Government Approvals and to reasonably cooperate with Tenant in connection with obtaining, and maintaining in effect all Government Approvals, title insurance, and any other rights Tenant may reasonably require in connection with Tenant's Permitted Use. This paragraph does not obligate Landlord's land use commissions or City Council to vote any particular way on applications. This paragraph does not require staff members reviewing permit applications to grant the permit application if the application does not meet applicable requirements.

- 2.3. **Staging.** For a period of one hundred fifty (150) days following the start of construction, and thereafter, as needed for maintenance, operation, repair, replacement and upgrade of the Facility, Landlord grants Tenant, Tenant's Agents, its subtenants, sublessees, Tenants and subtenants (collectively, the "**Subtenants**"), the right to use approximately 500 square feet of the Landlord's Parcel, adjoining, or surrounding property (the "**Surrounding Property**"), as may reasonably be required during construction and installation of the Facility ("**Staging Area**"), The location of the Staging Area shall be as mutually agreed once the parties have agreed on a final site location within the Parcel for the Facility in accordance with Section 1.1.
- 2.4. **Modifications.** Tenant has the right to modify, supplement, replace, and upgrade the Facility within the Premises at any time during the Term, at Tenant's sole discretion, and Tenant shall also have the right to make such alterations to the Premises in connection therewith.
- 2.5. **Nuisance.** Tenant will not use the Premises in a manner which will cause a legal nuisance to Landlord or to the occupancy of Landlord's other tenants or cause a breach of this Agreement. In any event, Tenant's installation, use, and maintenance of the Facility and any other use of the Premises shall not interfere with, compromise or damage the Parcel, or any portion thereof. Notwithstanding the foregoing, Landlord agrees that the Permitted Use shall not constitute a nuisance hereunder.
- 2.6. **Safety.** Tenant and its contractors shall take all reasonably necessary safety precautions pertaining to its use of the Premises and Parcel in compliance with applicable laws, ordinances, regulations and orders issued by a public authority, whether federal, state, local or other, OSHA (Federal Occupational Safety and Health Administration) / DOSH (Washington State Division of Occupational Safety and Health) / WISHA (Washington Industrial Safety and Health Act). Tenant shall at all times be responsible for providing a safe site and be responsible for the work performance and safety of all employees, personnel, equipment and materials within Tenant's or its contractors' care, custody or control. Tenant and its contractors shall ensure all of their employees and contractors' employees have and wear personal protective equipment in compliance with applicable OSHA/DOSH/WISHA requirements.

TERM.

- 3.1. **Initial Term.** The initial term of this Agreement shall be for twenty-five (25) years (the “**Initial Term**”) and commence upon the Effective Date.
- 3.2. **Extension Terms.** This Agreement shall automatically renew for two (2) additional ten (10) year terms (each additional ten (10) year term shall be defined as an “**Extension Term**”), upon the same terms and conditions set forth herein, unless the Agreement has been terminated pursuant to Section 7 (Termination), or the either Party notifies the Other Party in writing of its intention not to renew this Agreement at least ninety (90) days prior to the expiration of the Initial Term or the then-existing Extension Term.
- 3.3. **Annual Terms.** At the conclusion of the Initial Term and all Extension Terms, this Agreement shall continue in force upon the same covenants, terms and conditions for a further term of one (1) year, and for annual terms thereafter (each additional one (1) year term shall be defined as an “**Annual Term**”) until the Agreement has been terminated pursuant to Section 7 (Termination) or terminated by either party hereto by giving to the other party hereto written notice of its intention to so terminate at least six (6) months prior to the end of the then-existing Annual Term, whichever occurs first.
- 3.4. **Holdover Terms.** If Tenant remains in possession of the Premises after the termination of this Agreement, then Tenant shall be deemed to be occupying the Premises on a month-to-month basis (the “**Holdover Term**”), subject to the terms and conditions of this Agreement.
- 3.5. Section 3.1 (Initial Term), Section 3.2 (Extension Terms), Section 3.3 (Annual Terms), and 3.4 (Holdover Terms) are collectively referred to as the “**Term**”.
- 3.6. The Term of this Agreement shall in no event terminate prior to the term of the Colocation Agreement.

RENT.

- 4.1. **Rent Commencement.** Commencing on the first day of the month following the date that Tenant commenced construction on the Premises (the “**Rent Commencement Date**”), Tenant shall pay Landlord on or before the fifth (5th) day of each calendar month in advance five hundred and No/100 Dollars (\$500.00) (the “**Rent**”), via electronic payment, unless Landlord specifies an alternative means for Rent payments in writing to Tenant. The initial Rent payment will be transmitted by Tenant to Landlord within forty-five (45) days after the Rent Commencement Date. Landlord shall provide to Tenant the account details for electronic payment and a W-9 on or before the Effective Date. The Rent Commencement Date shall be memorialized by notification from Tenant, substantially in the form attached hereto as **Exhibit D – Notification of Rent Commencement Date**, which shall be binding on Landlord unless Landlord notifies Tenant of its objection thereto within seven (7) days of delivery to Landlord.
- 4.2. **Rent Escalator.** On the first anniversary of the Rent Commencement Date, and on each anniversary of the Rent Commencement Date throughout the Term of the Agreement, Rent shall be increased by two percent (2.0%) of the Rent paid during the immediately prior year.

- 4.3. **Rent Proration.** In the event this Agreement is terminated, the Rent will be prorated for any partial month, based on a three hundred sixty-five (365) day year.
- 4.4. **Late Fee.** Rent shall be due on or before the fifth (5th) day of each month in advance and will be delinquent if not paid by the tenth (10th) day of each month of the Term. If payment is not received by Landlord within thirty (30) days of written notice of nonpayment (the “**Late Rent Period**”), Tenant shall pay to Landlord an additional sum of ten percent (10%) of the past due rent as a late fee; provided, however, that no late fees shall be due for the first (1st) time Tenant is late in any single calendar year. Acceptance of any late fee shall not constitute a waiver from exercising any of the other rights and remedies available to Landlord under this Agreement, at law or in equity, including, but not limited to, any interest charges imposed herein.
- 4.5. **Revenue Share.** In the event Tenant sublets or licenses space on the Facility to a third party collocator (“**Collocator**”), Tenant shall remit fifteen percent (15%) of the rent or other fees to use the Facility collected by Tenant from such Collocator (the “**Collocator Rent**”) to the Landlord (the “**Landlord’s Revenue Share**”). Such Landlord’s Revenue Share shall be paid with the next Rent payment due from Tenant that is at least thirty (30) days after receipt of the Collocator Rent by Tenant. Landlord acknowledges and agrees that Landlord’s Revenue Share may or may not be passed through as a cost to Collocator and in the event that Landlord’s Revenue Share is passed through as a cost to Collocator, the same shall not be subject to further revenue sharing or markup payable to Landlord. Tenant shall pay the Landlord’s Revenue Share for each Collocator on the Facility for which Tenant receives Collocator Rent. Tenant’s obligation to pay Landlord’s Revenue Share to Landlords shall expire or abate, as applicable, at such time as the Collocator does not pay Collocator Rent to Tenant, and shall resume, as applicable, if and when the Collocator resumes paying such recurring Collocator Rent and Landlord’s Revenue share shall be prorated for partial periods. The first Collocator paying Collocator Rent will always be considered an Anchor Tenant (“**Anchor Tenant**”). Notwithstanding any possible assignment of conveyance of this Agreement or interest in the Facility by an Anchor Tenant to a third party, in no event will an Anchor Tenant ever be considered or interpreted to be a Collocator under this Section 4.5 for the purpose of payment of Landlord’s Revenue Share.
- 4.6. **Landlord Use of Facility.** Tenant and Landlord plan to contemporaneously with this Agreement enter into a Tower Site Colocation Agreement in a form substantially similar to **Exhibit G - Tower Site Colocation Agreement**, which will govern the placement of certain telecommunications equipment by Landlord on the Facility to be constructed by Tenant as described herein to be located on the Premises.
5. **GOVERNMENT APPROVALS.** Landlord agrees that Tenant’s obligations under this Agreement are contingent upon Tenant’s ability to obtain, maintain, and comply with all Government Approvals. Landlord authorizes Tenant to prepare, execute and file all required applications to obtain Government Approvals for the Permitted Use and agrees to reasonably assist Tenant with such applications and with obtaining and maintaining the Government Approvals.

ACCESS.

- 6.1. **24/7 Access.** At all times throughout the Term of this Agreement, and at no additional charge to Tenant, Tenant, and Tenant’s Agents, shall have a reasonable, non-exclusive right to access

the Premises twenty-four (24) hours per day, seven (7) days per week for pedestrian and vehicular access (the “**Access**”) to and over the Parcel for the installation, maintenance and operation of the Facility and any utilities serving the Premises. Notwithstanding the foregoing, Tenant shall be afforded access to the Premises twenty-four (24) hours per day, seven (7) days per week for the Permitted Use, and such access to the Premises shall be exclusive to Tenant, and require no notice to Landlord. Tenant must give twenty-four (24) hour notice to Landlord prior any access to be made by Tenant to the Parcel (but not the Premises, which requires no prior notice), except in the event of an emergency, in which event Tenant shall provide notice within twenty-four (24) hours following such emergency as described below. Landlord shall have no duty to remove snow during daytime hours Monday – Friday or otherwise maintain the access area located on the Premises, but shall have an obligation for all maintenance on, or generally related to, the Parcel. Tenant may use an unmanned aircraft system, such as a drone for imagery at height, solely in connection with its Permitted Use and for the purpose of obtaining imagery of Tenant’s improvements on the Parcel. In the event any public utility is unable to use the access provided to Tenant, Landlord agrees to grant additional access either to Tenant or to the public utility, for the benefit of Tenant, at no cost to Tenant.

- 6.2. **Emergency.** In the event of an emergency situation which poses an immediate threat of substantial harm or damage to persons and/or property (including the continued operations of the Facility) which requires entry on the Parcel, Tenant may enter the Parcel and take reasonable actions that are required to protect individuals or personal property from the immediate threat of substantial harm or damage; provided that promptly after the emergency entry and in no event later than twenty-four (24) hours thereafter, Tenant gives telephonic and/or written notice to Landlord of Tenant’s entry onto the Parcel. Tenant’s emergency twenty-four (24) hour contact number(s) must be displayed on the outside of all equipment cabinets located at the Parcel or Premises. In the event of an emergency situation which poses an immediate threat of substantial harm or damage to persons and/or property which requires entry to the Parcel, Landlord may enter the Parcel and take the actions that are required to protect individuals or personal property.
- 6.3. **Non-Exclusive Access.** Landlord grants to Tenant a right of access from a public right of way to the Premises, over a portion of the Parcel, in a location identified by Tenant in **Exhibit B – Site Plan**.
- 6.4. **Locks.** Landlord agrees to provide to Tenant such codes, keys and other instruments necessary for such Access at no additional cost to Tenant to provide entry through the Parcel and onto the Premises, as may be applicable now or in the future. Where feasible, Landlord agrees that Tenant has a right to use its own locks on the Parcel for Access to Premises, all at Tenant’s cost and expense, so long as Tenant’s locks do not interfere with Landlord’s use of the Parcel.
- 6.5. **Access Condition.** Landlord shall be responsible for maintaining and repairing the Access to the Premises on the Parcel, including for the clearing of snow provided that snow removal equipment is able to access the Parcel and such clearance takes place during normal working hours Monday-Friday, provided further in the case of an urgent need during non-working hours as communicated by Tenant, the Landlord will use commercially reasonable efforts to arrange for snow removal during such non-working hours. Damages to the Access caused by Tenant's use of such Access is excluded from Landlord’s maintenance obligations hereunder. If Access to the Premises on the Parcel is impaired, Tenant shall notify Landlord of such impairment. Landlord shall cause the impairment to be removed within twenty-four (24) hours or, if removal

of the impairment is not practical within twenty-four (24) hours, as soon as reasonably practical.

- 6.6. **Default by Uncured Access.** Landlord acknowledges that in the event Tenant cannot obtain Access to the Premises, Tenant shall incur significant damage. If Landlord fails to provide the Access granted by this Section 6 (Access), or reasonable temporary alternate vehicular and pedestrian Access, such failure shall be a default under this Agreement pursuant to Section 17 (Default and Right to Cure).

TERMINATION. This Agreement may be terminated, without penalty or further liability, as follows, which shall operate to terminate, or in the case of Section 7.3 below, assign, any Colocation Agreements between the Parties:

- 7.1. By Tenant, upon written notice to Landlord at any time prior to the commencement of construction.
- 7.2. By Tenant, upon written notice to Landlord at any time during the Term, if Tenant is unable to obtain or maintain any Governmental Approvals, including without limitation any required approvals or the issuance of a license or permit by any agency, board, court or other governmental authority, necessary for the construction or operation of the Facility as now or hereafter intended by Tenant; or if Tenant determines, in its sole discretion that the cost of or delay in obtaining or retaining the same is burdensome or commercially unreasonable; or that the environmental condition of the Premises is unsuitable for Tenant's use, or if Tenant believes that the leasing or continued leasing of the Premises would expose Tenant to undue risks of liability to a government agency or other third party.
- 7.3. By Tenant, upon twelve (12) months prior written notice to Landlord at any time following commencement of construction, for any reason or no reason, provided, however, that Tenant must in connection with such termination right have either assigned its rights and delegated its obligations under the Colocation Agreement such that Landlord's rights thereunder are not materially impacted, or otherwise terminated the Colocation Agreement in accordance with its terms.
- 7.4. By Tenant, upon thirty (30) days prior written notice at any time during the Term, if the Landlord remains in material default after all applicable cure periods in Section 17 (Default and Right to Cure) and in this Agreement.
- 7.5. By Landlord, upon thirty (30) days prior written notice at any time during the Term, if Tenant remains in material default after all applicable cure periods in Section 17 (Default and Right to Cure) and in this Agreement.
- 7.6. Or as otherwise expressly provided for in this Agreement.
- 7.7. Upon such final expiration or termination of this Agreement, the Parties agree to negotiate in good faith regarding the disposition and/or transfer of any Tenant improvements made on the Premises, as well as to help ensure continuity of emergency services during any such transition period.

- 7.8. Notwithstanding any provision of this Lease, this Lease may not be terminated by Tenant when any payment due to the Landlord remains outstanding or past due.

INTERFERENCE.

- 8.1. **General.** For the purposes of this Agreement, “interference” may include, but is not limited to, any use that causes electronic or physical obstruction with Tenant’s Permitted Use.
- 8.2. **Mutual Non-Interference with Frequencies on the Parcel.** Landlord has provided Tenant with a list of radio frequency user(s) and frequencies used on the Parcel as of the Effective Date– **Pre-Existing Frequencies.** Tenant shall keep Landlord reasonably approved of the radio frequencies used on the Facility. Tenant warrants that its use of the Premises will not interfere with the pre-existing radio frequency uses on the Parcel identified by Landlord, as long as the pre-existing radio frequency user(s) operate and continue to operate within their respective frequencies and in accordance with all applicable laws and regulations. Landlord warrants that its use of the Facility as provided under the Colocation agreement will not interfere with the radio frequency uses on the Facility identified by Tenant, as long as such radio frequency user(s) operate and continue to operate within their respective frequencies and in accordance with all applicable laws and regulations. Tenant acknowledges that the Pre-Existing Frequencies are not anticipated to interfere with the radio frequency uses on the Facility. If anything arises after installation of the Facility that in Tenant’s reasonable opinion would result in any interference, the parties shall work together in good faith to eliminate the same. Landlord shall provide prior written notice to Tenant of any expansion or change to such pre-existing uses, but in no event shall such expansion or change interfere with Tenant’s Permitted Use or frequencies. In addition, and without limitation of the foregoing, the Parties agree that any change in frequency usage on either the Facility or the Parcel, respectively, will not in the case of Tenant interfere with Tenant’s Permitted Use or frequencies, and in the case of Landlord, not interfere with the pre-existing frequencies identified by Landlord. In the event any after-installed Tenant's equipment causes such interference, and after Landlord has notified Tenant in writing of such interference, Tenant will immediately take all available steps necessary to correct and eliminate the interference within ten (10) days of such notice, including but not limited to, at Tenant’s option, powering down such equipment and later powering up such equipment for intermittent testing. The Parties acknowledge that there will not be an adequate remedy at law for noncompliance with the provisions of this Paragraph and therefore, either Party shall have the right to equitable remedies, such as, without limitation, injunctive relief and specific performance.
- 8.3. **Landlord’s Non-Interference.** Landlord shall not, nor shall Landlord permit its employees, tenants, Tenants, invitees, agents, or independent contractors, to interfere in any way with the Facility, the operations of Tenant or the rights of Tenant under this Agreement. Landlord shall cause such interference to cease within twenty-four (24) hours, or within a reasonable time frame approved by Tenant in writing, after receipt of notice of interference from Tenant. In the event any such interference does not cease within the aforementioned cure period, then the Parties acknowledge that Tenant will suffer irreparable injury, and therefore, Tenant will have the right, in addition to any other rights that it may have at law or in equity, for Landlord's breach of this Agreement, to elect to enjoin such interference or to immediately terminate this Agreement upon notice to Landlord without a waiver of any other rights or remedies.

8.4. **Future Third-Party Interference.** Landlord agrees not to sell, lease, or use any areas of the Parcel that the Landlord owns or controls, after the Effective Date, or grant any other right to any third party, if the exercise of such grant may in any way adversely affect or interfere with the Facility, Tenant's Permitted Use, or the rights of Tenant under this Agreement. Landlord shall notify Tenant in writing prior to granting any third party the right to install and operate communications equipment on the Parcel. If Tenant observes interference, Tenant may conduct a radio frequency propagation test or other applicable Tests, at Tenant's sole discretion. Landlord shall reimburse Tenant for any costs and expenses of such testing, if the Tests demonstrate interference unacceptable to Tenant, at Tenant's sole determination.

MAINTENANCE. Tenant shall keep and maintain the Premises in good condition, reasonable wear and tear and damage from the elements excepted. Landlord shall maintain and repair the Parcel and access thereto, which is under the control of the Landlord, and all Access areas in good and tenantable condition, subject to reasonable wear and tear and damage from the elements.

UTILITIES.

10.1. **Right to Order and Install Utilities for Permitted Use.** Tenant shall have the right to install, upgrade and maintain utilities, including but not limited to electric power and fiber, and to improve present utilities on the Parcel and the Premises, all at Tenant's cost and expense. Landlord hereby grants to any utility provider an easement, in, on, under and over that portion of the Parcel designated by the Landlord and upon the Premises, associated with Tenant's Permitted Use. Tenant shall have the right to initiate the ordering and/or scheduling of necessary utilities and shall prepare utility applications, and Landlord agrees to reasonably cooperate and execute any required applications for obtaining and maintaining utilities. In the event Tenant is unable to secure timely utilities, Landlord agrees to permit Tenant to install a submeter and connect to Landlord's utility service. In such instance, Tenant shall reimburse Landlord for Tenant's consumption of utilities as measured by the submeter.

10.2. **Tenant's Payment for Utilities Consumed.** Tenant shall be responsible for paying all utility charges for electricity, fiber or any other utility used or consumed by Tenant on the Premises.

10.3. **Interruptions.** Landlord acknowledges that Tenant provides a communication service which requires utility service to operate and must operate twenty-four (24) hours per day, seven (7) days per week. In the event of a utility service interruption, Landlord agrees to allow Tenant and Tenant's Subtenants the right to utilize temporary utility sources until stable utilities are restored; provided, Tenant makes all reasonable efforts to restore the utility to the extent within Tenant's control. In the event the temporary utility sources require use of the Parcel outside the Premises, Tenant may use additional space on the Parcel, at no additional cost to Tenant, subject to Landlord's written approval, approval not to be unreasonably withheld, conditioned, or delayed.

11. **ENVIRONMENTAL.** Landlord and Tenant each agree that they shall not use, generate, store or dispose of any Hazardous Material (as defined in this Section 11) on, under, about or within the Parcel in violation of any law or regulation as may now, or at any time hereafter, be in effect. Should Landlord become aware of any Hazardous Materials contamination, Landlord shall immediately notify Tenant. Landlord and Tenant agree that each shall be responsible for compliance with any and

all applicable governmental laws, rules, statutes, regulations, codes, ordinances, or principles of common law regulating or imposing standards of liability or standards of conduct with regard to protection of the environment or worker health and safety, as may now or at any time hereafter be in effect, to the extent such apply to that party's activity conducted in or on the Parcel. As used herein, "**Hazardous Materials**" shall mean hazardous substances, including asbestos-containing materials and lead paint, petroleum, and any substance, chemical or waste identified as hazardous, toxic, or dangerous in any applicable federal, state or local law or regulation.

12. **SUBLEASE.** Tenant shall have the right to sublease or license any portion of the Premises and its rights herein, in whole or in part, to a third-party whose use is consistent with the Permitted Use at Tenant's sole discretion and without Landlord's consent.
13. **ASSIGNMENT.** Upon notice to and approval by Landlord, such approval not to be unreasonably withheld, conditioned or delayed, Tenant has the right to assign this Agreement and its rights herein, to a third-party, provided however, that Tenant may assign this Agreement and delegate all of its obligations herein at Tenant's sole discretion and without Landlord's consent in the case of an assignment resulting from a change in control of Tenant, whether by reorganization, merger, sale of substantially all of its assets or equity, operation of law or otherwise, and in the case of an assignment to New Cingular Wireless PCS, LLC. Notwithstanding the foregoing, Landlord may assign this Agreement upon prior written notice to Tenant and subject to providing all information as set forth in Section 23, and without the Tenant's prior written consent to any other municipal government with which Landlord consolidates by annexation, merger, formation of a regional fire authority, contract, or otherwise, provided however, in such case, and prior to completion of the assignment, the Parties shall reasonably determine in good faith whether any changes are necessary either to this Agreement or the Colocation Agreement resulting from such assignment, and effectuate any such change contemporaneously with such assignment. Tenant shall be relieved of all future performance, liabilities, and obligations under this Agreement upon such assignment and assumption of obligations by the assignee.
14. **INSURANCE.** Tenant shall provide Commercial General Liability Insurance with a limit of Two Million Dollars (\$2,000,000.00) per occurrence and in the aggregate, written on ISO form CG 00 01 or its equivalent and from a reputable insurance company authorized to do business where the Premises is located, with Landlord included as an additional insured. Certificates evidencing such insurance shall be furnished to Landlord upon execution of this Agreement. Tenant may satisfy this requirement by obtaining the appropriate endorsement to any master policy of liability insurance Tenant may maintain. Tenant shall self-insure or maintain its own policy of property insurance for its Facility. Landlord and Tenant hereby releases Landlord (and its successors or assigns) from liability and waives all right of recovery against the other for any loss or damage covered by their respective first party property insurance policies for all perils insured thereunder. In the event of such insured loss, insurance company shall have a subrogated claim against the other.
15. **INDEMNIFICATION.**
 - 15.1. **Tenant Indemnification.** Tenant agrees to indemnify, defend and hold Landlord harmless from and against any and all injury, loss, damage or liability, costs or expenses in connection with a third party claim (including reasonable attorneys' fees and court costs) related to the installation, use, maintenance, repair or removal of the Facility or Tenant's breach of any

provision of this Agreement, except to the extent attributable to the negligent or intentional act or omission of Landlord, its employees, invitees, agents or independent contractors.

FOR PURPOSES OF THE FOREGOING INDEMNIFICATION PROVISION ONLY, AND ONLY TO THE EXTENT OF CLAIMS AGAINST TENANT BY LANDLOR UNDER SUCH INDEMNIFICATION PROVISION, TENANT SPECIFICALLY WAIVES ANY IMMUNITY IT MAY BE GRANTED UNDER THE WASHINGTON STATE INDUSTRIAL INSURANCE ACT, TITLE 51 RCW. THE INDEMNIFICATION OBLIGATION UNDER THIS AGREEMENT SHALL NOT BE LIMITED IN ANY WAY BY ANY LIMITATION ON THE AMOUNT OR TYPE OF DAMAGES, COMPENSATION OR BENEFITS PAYABLE TO OR FOR ANY THIRD PARTY UNDER WORKERS' COMPENSATION ACTS, DISABILITY BENEFIT ACTS, OR OTHER EMPLOYEE BENEFIT ACTS.

The foregoing provision was specifically negotiated and agreed upon by the parties hereto.

- 15.2. **Landlord Indemnification.** To the extent permitted by law, Landlord agrees to indemnify, defend and hold Tenant harmless from and against any and all injury, loss, damage or liability, costs or expenses in connection with a third party claim (including reasonable attorneys' fees and court costs) arising from the negligence or willful misconduct of Landlord, its employees, invitees, agents or independent contractors, or the condition of the Parcel caused by Landlord's breach of any provision of this Agreement, except to the extent attributable to the negligent or intentional act or omission of Tenant, its employees, agents or independent contractors
- 15.3. **Indemnification Protocols.** The indemnified party shall: (i) promptly provide the indemnifying party with written notice of any claim, demand, lawsuit, or the like for which it seeks indemnification pursuant to this Section 15 (Indemnification) and provide the indemnifying party with copies of any demands, notices, summonses, or legal papers received in connection with such claim, demand, lawsuit, or the like; (ii) not settle any such claim, demand, lawsuit, or the like without the prior written consent of the indemnifying party; and (ii) fully cooperate with the indemnifying party in the defense of the claim, demand, lawsuit, or the like. A delay in notice shall not relieve the indemnifying party of its indemnity obligation, except (1) to the extent the indemnifying party can show it was prejudiced by the delay; and (2) the indemnifying party shall not be liable for any settlement or litigation expenses incurred before the time when notice is given.

16. WARRANTIES.

- 16.1. **General.** Tenant and Landlord acknowledge and represent to each other that it is duly organized, validly existing and in good standing and has the right, power, and authority or capacity, as applicable, to enter into this Agreement and bind itself hereto through the party or individual set forth as signatory for the party below.
- 16.2. **Landlord Warranties.** Except for as expressly provided herein, Tenant agrees to take the Premises in strictly "AS IS, WHERE IS" condition with all faults and conditions, known or unknown, and releases Landlord from any liability in connection therewith, including without limitation any warranties of fitness for a particular purpose. Landlord represents, warrants and agrees that: (i) Landlord solely owns the Parcel as a legal lot in fee simple; (ii) the Parcel is not and will not be encumbered by any liens, restrictions, mortgages, covenants, conditions,

easements, leases, or any other agreements of record or not of record, which would adversely affect Tenant's Permitted Use and enjoyment of the Premises under this Agreement; (iii) the Parcel is free of Hazardous Materials, except as disclosed on **Exhibit D – Disclosures of Hazardous Materials**, and has never been subject to any contamination or hazardous conditions resulting in any environmental investigation, inquiry or remediation, (iv) there exist no underground tanks on the Parcel; and (v) Landlord's execution and performance of this Agreement will not violate any laws, ordinances, covenants or the provisions of any mortgage, lease or other agreement binding on Landlord.

- 16.3. **Tenant's Warranties.** Tenant's Use will not materially or adversely interfere with Landlord's existing use of the Parcel as of the Effective Date.
- 16.4. **Quiet Enjoyment.** Landlord grants to Tenant sole, actual, quiet and peaceful use, enjoyment and possession of the Premises and leasehold estate created by and in accordance with the terms of this Agreement without hindrance or ejection by any persons.
- 16.5. **Landlord's Liens.** In addition to all other remedies available to Tenant, Landlord will promptly pay when due all liens and monetary encumbrances against the Parcel. If the Parcel is or becomes encumbered by a deed to secure a debt, mortgage or other security interest, then Landlord will provide promptly to Tenant a mutually agreeable subordination, non-disturbance and attornment agreement executed by Landlord and the holder of such security interest substantially in the form attached hereto as **Exhibit E – Subordination, Non-Disturbance and Attornment Agreement**, or in the mortgagee's standard form.

17. DEFAULT AND RIGHT TO CURE.

- 17.1. **Tenant Default.** The following will be deemed a default by Tenant and a breach of this Agreement: Tenant's failure to perform any term or condition under this Agreement within forty-five (45) days of written notice from Landlord specifying the failure. No such failure, however, will be deemed to exist if Tenant has commenced to cure such default within such period and provided that such efforts are prosecuted to completion with reasonable diligence. If Tenant remains in default beyond any applicable cure period, then Landlord will have the right to (1) pursue a judgment for direct damages against Tenant, and/or (2) to pursue specific performance, injunction, or declaratory judgment, (3) to terminate this Agreement pursuant to Section 7.5 (Termination), and/or (4) any and all other rights available to it under law and equity. In no event shall Tenant be liable for consequential, punitive, incidental or special damages, however caused, based on any theory of liability.
- 17.2. **Landlord Default.** The following will be deemed a default by Landlord and a breach of this Agreement: (i) Landlord's failure to provide Access to the Premises as required by Section 6 (Access) within twenty-four (24) hours after written notice of such failure; (ii) Landlord's failure to cure an interference problem as required by Section 8 (Interference) within twenty-four (24) hours after written notice of such failure; or (iii) Landlord's failure to perform any term or condition, or Landlord's breach of any warranty or covenant, under this Agreement for more than forty-five (45) days after written notice from Tenant specifying the failure. No such failure, however, will be deemed to exist if Landlord has commenced to cure the default within such period and provided such efforts are prosecuted to completion with reasonable diligence. Notwithstanding the foregoing, in regard to (iii) only, if any Landlord

default affects Tenant's operations on the Premises, then such cure period shall be shortened to ten (10) days, and Tenant shall have the right, but not the obligation, to take reasonable self-help actions to effect a cure during such cure period, at Landlord's cost. In addition, in the case of any breach of any provision of this Agreement by Landlord, and such breach results in costs or damages to Tenant relating to its operation of the Facility or use of the Premises, then notwithstanding any cure by Landlord, Landlord shall be responsible for any such costs or damages incurred by Tenant. If Landlord remains in default beyond any applicable cure period, Tenant will have: (1) the right to cure Landlord's default and to collect such amounts from Landlord and/or (2) right to terminate this Agreement pursuant to Section 7.4 (Termination), and/or (3) any and all other rights available to it under law and equity. In no event shall Landlord be liable for consequential, punitive, incidental or special damages, however caused, based on any theory of liability, provided however, that any third-party damages covered by indemnity or otherwise recoverable under this Agreement shall not be deemed excluded by this clause.

Notwithstanding the foregoing, any notice to a Party that would permit the other Parties to terminate this Agreement shall be sent by certified mail, return receipt requested to the parties indicated above, with "NOTICE OF DEFAULT" designated in the subject line to be effective notice hereunder.

19. CONDEMNATION. In the event Landlord receives notification of any threatened or pending condemnation proceedings affecting the Parcel, Landlord will provide notice thereof to Tenant within twenty-four (24) hours. If a condemning authority takes all of the Parcel, or a portion sufficient, in Tenant's sole determination, to render the Premises unsuitable for Tenant, this Agreement will terminate as of the date the title vests in the condemning authority, provided, however that Tenant may terminate the Lease earlier upon not less than thirty (30) days' notice to Landlord, after Tenant becomes aware of such threatened or pending proceedings. The Parties will each be entitled to pursue their own separate awards in the condemnation proceeds, which for Tenant will include but not be limited to, where applicable, the value of its Facility and leasehold rights hereunder, moving expenses, and business dislocation expenses. Landlord shall immediately refund to Tenant any prepaid Rent on a *pro rata* basis.

20. CASUALTY.

20.1. **Notice.** Landlord will provide notice to Tenant of any casualty or other harm affecting the Parcel within twenty-four (24) hours of the casualty or other harm.

20.2. **Premises Rendered Unsuitable.** If any part of the Facility or the Parcel is damaged by casualty or other harm as to render the Premises unsuitable, in Tenant's sole determination, then Tenant may terminate this Agreement by providing written notice to Landlord, which termination will be effective as of the date of such casualty or other harm, and Landlord shall reimburse Tenant for any prepaid Rent on a *pro rata* basis to the extent the casualty is due to the negligence or intentional act of Landlord. Tenant's termination of this Agreement under this Section shall not impair Tenant's right, if any, to collect insurance proceeds in connection with the Facility.

20.3. **Premises Rebuilt or Restored.** If Tenant undertakes to rebuild or restore the Premises and/or the Facility, as applicable, Landlord agrees to permit Tenant to place temporary facilities on the Parcel, at a location mutually agreeable to Landlord and Tenant, at no additional Rent until the reconstruction of the Premises and/or the Facility is completed; provided, Tenant makes all reasonable efforts to reconstruct the Facility as soon as reasonably practicable. Landlord agrees that the Rent shall be abated until the Parcel and/or the Premises are rebuilt or restored, unless Tenant places temporary facilities on the Parcel, in which case Rent shall be adjusted as may be necessary or appropriate to account for any reduction in space or operation, or Tenant's increased costs, due to temporary facilities

21. WAIVER OF LANDLORD'S LIENS. Landlord waives any and all lien rights it may have, statutory or otherwise, concerning the Facility or any portion thereof. The Facility shall be deemed personal property for purposes of this Agreement, regardless of whether any portion is deemed real or personal property under applicable law.

OTHER PAYABLE CHARGES. Unless specified otherwise in this Agreement, Tenant shall not be liable for any charges or expenses payable to Landlord in connection with the use of the Premises by Tenant. Further, all amounts permitted to be charged by Landlord under this Agreement shall be billed to Tenant within one (1) year from when the charges were incurred, and in no event shall Tenant be liable for any charges billed to Tenant by Landlord after such period. The provisions of this Section 22 (Other Payable Charges) shall survive the termination or expiration of this Agreement.

23. TRANSFERS OF THE PARCEL OR PREMISES. Subject to the terms of this Agreement and except as provided in Section 25 (Anti-Piracy / Partial Transfers) below, Landlord may sell or otherwise transfer the Parcel or a portion thereof to a third party, provided: (i) the sale is made subject to the terms of this Agreement; and (ii) the transferee agrees to fully assume and perform Landlord's obligations under this Agreement. Within thirty (30) days of such transfer, Landlord or its successor shall send the documents listed below to Tenant:

- i. New deed to Parcel
- ii. Assignment and Assumption Agreement
- iii. Form W-9 for Transferee
- iv. Full contact information for new Landlord including phone number(s)

Until Tenant receives all such documents, Tenant's failure to make payments that may be required under this Agreement shall not be an event of default and Tenant reserves the right to hold payments due under this Agreement. Such transfer shall in no way limit or impair the obligations of Landlord under this Agreement, including interference and access obligations, or affect Tenant's rights under this Agreement. In the event that the transfer occurs by operation of law (i.e., not by deed), such transferee shall provide documentation reasonably acceptable to Tenant to evidence such transfer.

24. CHANGES TO ZONING OR ENCUMBRANCE. Landlord shall not initiate or consent to any change in the zoning of the Premises or the Parcel, or impose or consent to any other use, or encumbrance or restriction that would prevent or limit Tenant from using the Premises or Parcel for the Permitted Use or otherwise impair Tenant's rights hereunder.

25. ANTI-PIRACY/PARTIAL TRANSFERS.

25.1. Landlord agrees that it will not offer to, or accept any offer to, or transfer, convey, assign, lease, or grant an easement for any portion of Landlord's rights under this Agreement or any interest in the Premises or the rents due hereunder, including any "lease buyout" (a "**Partial Transfer**"), other than in connection with a full transfer of the fee interest real estate comprising the Premises as provided herein, together with a full assignment and assumption of Landlord's obligations under this Agreement.

25.2. If Landlord attempts to sell, convey, assign or transfer such property interest in or related to the Premises in violation of this Section 25, the sale, conveyance, assignment or transfer shall be void, and, at Tenant's option, an incurable default by Landlord of this Agreement.

TAXES. Tenant shall pay directly to the applicable Government Entity or to Landlord if Landlord is invoiced by such Government Entity, all taxes, fees, assessments or other charges assessed by any Government Entity against the Facility and/or Tenant's use of the Premises. Tenant shall pay to Landlord or the appropriate taxing authority, when due, any sales, use, ad valorem or other taxes or assessments which are assessed or due by reason of this Agreement or Tenant's use of the Premises or the Parcel. Landlord will be responsible for payment of all the real property taxes, except Tenant shall pay any increase in real estate taxes levied against the Premises directly attributable to this Agreement and/or Tenant's use of this Premises. Tenant will pay to Landlord the foregoing amounts within thirty (30) days after written demand thereof by

Landlord accompanied by copies of each tax bill, service bill and/or assessment notice, along with the prior year's bill and a reasonable determination. Landlord represents and warrants that if Tenant pays Landlord for any such taxes, it shall timely remit the same to the applicable Government Entity and shall indemnify, defend and hold Tenant harmless from any claims by such Government Entity relating to the same.

27. **AMENDMENT AND WAIVER.** This Agreement cannot be amended, modified, or revised unless done in writing and signed by Landlord and Tenant. No provision may be waived except in writing signed by the waiving party. The failure by a party to enforce any provision of this Agreement or to require performance by the other party will not be construed to be a waiver, or in any way affect the right of either party to enforce such provision thereafter.
28. **MEMORANDUM OF LEASE.** At the request of the Tenant, the Parties will execute a recordable Memorandum of Lease substantially in the form attached hereto as **Exhibit F – Memorandum of Lease**. Either party may record this Memorandum of Lease at any time during the Term, in its absolute discretion. Tenant may record an amendment thereof to update such Memorandum to incorporate any expansion of the Premises or additional easements granted in connection with the Premises, and Landlord will reasonably cooperate in connection therewith.
29. **COMPLIANCE WITH LAW.** Tenant agrees to comply with all federal, state, and local laws, orders, rules and regulations (the “**Laws**”) applicable to Tenant’s use of the Facility on the Parcel. Landlord agrees to comply with all Laws relating to Landlord’s ownership and use of the Parcel and any improvements on the Parcel. Tenant shall, at Tenant’s expense, ensure that the tower structure upon which the Facility is installed complies with all applicable Laws, including, without limitation, all rules and regulations promulgated by the FCC and Federal Aviation Administration (“**FAA**”) with regard to lighting, marking and painting, except where noncompliance is due to Landlord’s negligence or willful misconduct. All installations and operations by Tenant in connection with this Agreement shall meet and comply with all applicable Laws, including, without limitation, all applicable local codes and regulations, and all applicable rules and regulations promulgated by the FCC and FAA.
30. **BIND AND BENEFIT.** The terms and conditions contained in this Agreement will run with the Parcel and bind and inure to the benefit of the Parties, their respective heirs, executors, administrators, successors and assigns.
31. **ENTIRE AGREEMENT.** This Agreement and the exhibits attached hereto, all being a part hereof, along with the Colocation Agreement, constitute the entire agreement of the Parties hereto and will supersede all prior offers, negotiations and agreements with respect to the subject matter of this Agreement. Except as otherwise stated in this Agreement, each party shall bear its own fees, costs and expenses (including the fees, costs and expenses of its agents, brokers, representatives, attorneys, and accountants) incurred in connection with the negotiation, drafting, execution and performance of this Agreement and the transactions it contemplates.
32. **GOVERNING LAW.** This Agreement will be governed by the laws of the State of Washington, and venue of any dispute shall be in the Piere County Superior Court, without regard to conflicts of law.

- 33. INTERPRETATION.** Unless otherwise specified, the following rules of construction and interpretation apply: (i) captions, headings, and subheadings are for convenience and reference only and in no way define or limit the construction of the terms and conditions hereof; (ii) use of the term “including” will be interpreted to mean “including but not limited to”; (iii) the term “day” shall mean calendar day whether or not expressly identified; (iv) whenever a party’s consent is required under this Agreement, except as otherwise stated in the Agreement or as same may be duplicative, such consent will not be unreasonably withheld, conditioned or delayed; (v) exhibits are an integral part of this Agreement and are incorporated by reference into this Agreement; (vi) use of the terms “termination” or “expiration” are interchangeable; (vii) reference to a default will take into consideration any applicable notice, grace and cure periods; (viii) the singular use of words includes the plural where appropriate; (ix) if any provision of this Agreement is held invalid, illegal or unenforceable, the remaining provisions of this Agreement shall remain in full force if the overall purpose of the Agreement is not rendered impossible and the original purpose, intent or consideration is not materially impaired; and (x) rule of construction that a contract be construed against the drafter, if any, shall not be applied in the interpretation and construction of this Agreement.
- 34. AFFILIATES.** Any right of Tenant granted hereunder may be exercised by, at Tenant’s election, any Affiliate of Tenant and any Subtenant or Tenant thereof. “Affiliate” means with respect to a party to this Agreement, any person or entity that (directly or indirectly) controls, is controlled by, or under common control with, that party. “Control” of a person or entity means the power (directly or indirectly) to direct the management or policies of that person or entity, whether through the ownership of voting securities, by contract, by agency or otherwise.
- 35. SURVIVAL.** Any provisions of this Agreement relating to indemnification shall survive the termination or expiration hereof. In addition, any terms and conditions contained in this Agreement that by their sense and context are intended to survive the termination or expiration of this Agreement shall so survive.
- 36. W-9; OWNERSHIP CONFIRMATION.** Landlord agrees to provide Tenant with a completed IRS Form W-9, or its equivalent, upon execution of this Agreement and at such other times as may be reasonably requested by Tenant, including any change in Landlord’s name or address. In the event of any transfer of Landlord’s interest in the Parcel or this Agreement, by operation of law or otherwise, Tenant shall be provided reasonable evidence of such successor interest and Tenant shall have the right to withhold payment unless or until such evidence is provided and be reimbursed for Tenant’s costs in confirming such successor interests, including, without limitation, any estate or personal representative, foreclosure, and bankruptcy matters.
- 37. EXECUTION.** This Agreement may be executed in several counterparts and the counterparts shall constitute but one and the same instrument. The execution of this Agreement by electronic mail or by any other electronic means shall be deemed to constitute effective execution of this Agreement as to the Parties hereto, provided, however, that upon request by the other party, an original, wet-signed signature shall be provided thereafter.
- 38. ATTORNEYS’ FEES.** In the event that any dispute between the Parties related to this Agreement should result in litigation, at trial and on any appeal or petition for review, the prevailing party in such litigation shall be entitled to recover from the other party all reasonable fees, costs and expenses of enforcing any right of the prevailing party, including reasonable attorneys’ fees, costs and expenses. Prevailing party means the party determined by the court to have most nearly prevailed

even if such party did not prevail in all matters. This provision will not be construed to entitle any party other than Landlord, Tenant, and their respective Affiliates to recover their fees and expenses.

39. **WAIVER OF JURY TRIAL.** EACH PARTY, TO THE EXTENT PERMITTED BY LAW, KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVES ITS RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING UNDER ANY THEORY OF LIABILITY ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS AGREEMENT OR THE TRANSACTIONS IT CONTEMPLATES.
40. **INCIDENTAL FEES.** Unless specified in this Agreement, no unilateral fees or additional costs or expenses are to be applied by either party to the other party, including review of plans, structural analyses, consents, provision of documents or other communications between the Parties.
41. **FURTHER ACTS.** Upon request, Landlord will cause to be promptly and duly taken, executed, acknowledged, and delivered all such further acts, documents, and assurances as Tenant may request from time to time to effectuate, carry out and perform all of the terms, provisions and conditions of this Agreement and all transactions and permitted use contemplated by this Agreement.
42. **CONFIDENTIALITY.** Subject to customary exceptions, including to the extent disclosure is required under law or regulation, including that of Public Records Act, Chapter 42.56 RCW, an applicable securities exchange, or valid court order, Landlord will maintain in confidence all information relating to Tenant's proposed tenancy and development of the Premises, including but not limited to, the terms of the letter of intent between the Parties and this Agreement, and will not disclose such information to any other party without written consent. Such confidential information may be released to Landlord's successors, employees, partners, consultants, attorneys, accountants, tax advisors, insurers, insurance agents, financial sources, property managers, and lenders who have a reasonable need for such confidential information.
43. **FORCE MAJEURE.** In the event that Tenant shall be delayed or hindered in, or prevented from, the performance of any work, service, or other act required under this Agreement to be performed by Tenant and such delay or hindrance is due to strikes, lockouts, acts of God, governmental restrictions, enemy act, civil riots or commotion, an act of war, domestic and/or international terrorism, quarantines, embargoes, pandemics, epidemics, local disease outbreaks, public health emergencies, unavoidable fire or other casualty, or other causes beyond the control of Tenant, then performance of such work, service, or other act shall be excused for the period of such delay and the period for the performance of such work, service, or other act shall be extended for a period equivalent to the period of such delay.
44. **CERTIFICATE.** Landlord will, within sixty (60) days after notice from Tenant, execute, acknowledge, and deliver to Tenant a certificate certifying whether or not this Agreement is in full force and effect; whether there are any modifications or alleged breaches by Landlord; the dates to which rent has been paid in advance; and any other facts that may reasonably be requested. The information in such certificate may be relied upon by any assignee, Subtenant, or any successor to Tenant and any of their respective lenders. Failure to deliver the certificate within the specified time shall be conclusive upon Landlord that the Agreement is in full force and effect and has not been modified except as may be represented by Tenant.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed as of the last signature date below.

RECITALS:

- A. Tenant has entered into a certain Ground Lease Agreement dated [Insert Effective Date], (the “**Lease**”) with Landlord, covering property more fully described in **Exhibit 1** attached hereto and made a part hereof (the “**Premises**”); and
- B. Landlord has given to Mortgagee a mortgage or deed of trust (the “**Mortgage**”) upon certain real property (“**Property**”), as described in the Mortgage, a part of which Property contains the Premises; and
- C. The Mortgage on the Property is in the original principal sum of [Spell Out Dollar Amount] (\$XXX) Dollars, which Mortgage has been recorded in the appropriate public office in and for [Insert County] County, [Insert State] as Recording No. _____; and
- D. Tenant desires to be assured of continued occupancy of the Premises under the terms of the Lease and subject to the terms of this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements herein contained, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

1. So long as this Agreement will remain in full force and effect, the Lease is and will be subject and subordinate to the lien and effect of the Mortgage insofar as it affects the real property of which the Premises forms a part (but not Tenant’s fixtures or other property), and to all renewals, modifications, consolidations, replacements and extensions thereof, to the full extent of the principal sum secured thereby and interest thereon, with the same force and effect as if the Mortgage had been executed, delivered, and duly recorded among the above-mentioned public records, prior to the execution and delivery of the Lease.

2. In the event Mortgagee takes possession of the Premises as mortgagee-in-possession, including but not limited to, by deed in lieu of foreclosure or foreclosure of the Mortgage, Mortgagee agrees not to affect or disturb Tenant’s right to possession of the Premises and any of Tenant’s other rights under the Lease in the exercise of Mortgagee’s rights so long as Tenant is not then in default, after applicable notice and/or grace periods, under any of the terms, covenants, or conditions of the Lease.

3. In the event that Mortgagee succeeds to the interest of Landlord or other landlord under the Lease and/or to title to the Premises, Mortgagee and Tenant hereby agree to be bound to one another under all of the terms, covenants and conditions of the Lease; accordingly, from and after such event, Mortgagee and Tenant will have the same remedies against one another for the breach of an agreement contained in the Lease as Tenant and Landlord had before Mortgagee succeeded to the interest of Landlord.

4. In the event that Mortgagee or anyone else acquires title to or the right to possession of the Premises upon the foreclosure of the Mortgage, or upon the sale of the Premises by Mortgagee or its successors or assigns after foreclosure or acquisition of title in lieu thereof or otherwise, Tenant agrees not to seek to terminate the Lease by reason thereof, but will remain bound unto the new owner so long as the new owner is bound to Tenant under all of the terms, covenants and conditions of the Lease.

5. Mortgagee understands, acknowledges, and agrees that notwithstanding anything to the contrary contained in the Mortgage and/or any related financing documents, including, without limitation, any UCC-1 financing statements, Mortgagee will acquire no interest in any equipment, fixtures and/or other property installed by or on behalf of Tenant or its related parties on the Property. Mortgagee hereby expressly waives any interest which Mortgagee may have or acquire with respect to such equipment, fixtures and/or other property of Tenant or Tenant's assignees, sublessees, licenses and related parties, now, or hereafter, located on or affixed to the Property or any portion thereof and Mortgagee hereby agrees that same do not constitute realty regardless of the manner in which same are attached or affixed to the Property.

6. This Agreement will be binding upon and will extend to and benefit the successors and assigns of the parties hereto and to any assignees or Subtenants of Tenant which are permitted under the Lease. The term "Mortgagee", when used in this Agreement will be deemed to include any person or entity which acquires title to or the right to possession of the Premises by, through or under Mortgagee and/or the Mortgage, whether directly or indirectly.

PUBLIC SAFETY INFRASTRUCTURE GROUND LEASE AGREEMENT

THIS PUBLIC SAFETY INFRASTRUCTURE GROUND LEASE AGREEMENT (“**Agreement**”), dated as of the later of the signature dates below (the “**Effective Date**”), is entered into by and between Graham Fire & Rescue, a special purpose district (“**Landlord**”), and Public Safety Towers, LLC, a Delaware Limited Liability Company (“**Tenant**”) (collectively referred to as the “**Parties**”).

RECITALS

WHEREAS, Landlord is the legal owner of the Parcel, located at 28908 Orting Kapowsin Hwy. East in the County of Pierce, State of Washington, Tax Parcel No 0417011038, (collectively, the “**Parcel**”), as described in **Exhibit A – Parcel Description** with the full right, power, and authority to enter into this Agreement and to grant all consents and authorizations required in connection with the execution of this Agreement; and

WHEREAS, Tenant’s mission is to support the deployment of public safety focused infrastructure through the enablement of commercial networks;

WHEREAS, Landlord desires to grant to Tenant the right to use a portion of the Parcel in accordance with this Agreement;

WHEREAS, Tenant desires to lease a certain portion of the Parcel for the placement of a Facility (as defined in Section 2.1) in accordance with the terms of this Agreement; and

WHEREAS, in exchange for a reduction in Rent to Tenant hereunder, Tenant and Landlord plan to contemporaneously with this Agreement enter into a Tower Site Colocation Agreement which will govern the placement of certain telecommunications equipment by Landlord on the Facility to be constructed by Tenant as described herein to be located on the Premises (“**Colocation Agreement**”).

NOW, THEREFORE, in consideration of the mutual agreements contained herein, and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

PREMISES.

- 1.1. **General.** Landlord agrees to lease to Tenant, and Tenant agrees to lease from Landlord, a certain portion of the Parcel containing approximately 1,225 square feet with approximate dimensions of 35’ x 35’, including the air space above such ground space (the “**Premises**”), as described in **Exhibit B – Site Plan**, for the placement of a Facility (as defined in Section 2.1) in accordance with the terms of this Agreement. Tenant’s rights hereunder shall also include a right and easement to access thereto and utilities, as described in Section 6 (Access) and Section 10 (Utilities) below, which shall be appurtenant to Tenant’s leasehold rights hereunder, together with other appurtenant rights to the Premises. Within thirty (30) days after execution of the Agreement, the parties shall mutually agree on a final location for the Premises within the Parcel and the construction of the Facility, which location will be depicted in Exhibit B by an amendment to this Agreement. If the parties are unable to come to agreement on the final

location of the Premises, then either party may terminate the Agreement, along with the Colocation Agreement, without liability. Once a final location has been agreed, Tenant shall have the right to survey the Premises and supplement **Exhibit B – Site Plan** with the legal description of the Premises, as may be expanded pursuant to this Agreement. Landlord and Tenant agree that any portion of the Facility that may be conceptually described in **Exhibit B – Site Plan** shall not be deemed to limit Tenant’s Permitted Use.

- 1.2. **Additional Premises.** In the event Tenant desires to modify or upgrade the Facility (as defined in Section 2.1) in a manner that requires an additional portion of the Parcel (the “**Additional Premises**”), Tenant shall provide Landlord with a site plan depicting the Additional Premises for Landlord’s approval, which approval shall not be unreasonably withheld, conditioned, or delayed. Provided the Parties determine a mutually agreeable location for the Additional Premises, Landlord agrees to lease to Tenant the Additional Premises upon mutually agreeable terms and conditions consistent with the terms and intent of this Agreement. Landlord and Tenant shall execute an amendment to this Agreement to memorialize the inclusion of the Additional Premises.

PERMITTED USE.

- 2.1. **General.** Tenant may use the Premises for the transmission and reception of communications signals and for utilities, and the installation, construction, maintenance, operation, repair, replacement and upgrade of fixtures and related equipment, cables, accessories and improvements, which may include a suitable support structure, associated antennas, equipment shelters or cabinets, generators, panels, fencing and any other items necessary or desirable in connection therewith (collectively, the “Facility”), as well as the rights detailed in this Agreement and other uses reasonably related thereto or permitted by law (the “Permitted Use”). To the extent the Agreement is terminated as permitted herein, except for any underground utilities and foundations, and subject to Section 7.7, Tenant shall restore, at its sole cost, the Premises to a reasonably similar condition as existed prior to the Effective Date of the Lease, reasonable wear and tear, casualty damages, and damage from the elements excepted.
- 2.2. **Due Diligence.** Tenant and its agents, representatives, employees, permittees, consultants, engineers, contractors, and subcontractors (collectively, “**Tenant’s Agents**”) have the right to inspect, examine, and conduct geological or engineering tests, including but not limited to, soil borings, drainage testing, material sampling, radio frequency testing, and other studies of the Parcel (collectively, the “**Tests**”), to determine the feasibility or suitability of the Parcel for Tenant’s intended use as a Facility, all at Tenant’s cost and expense. Further, Tenant has the right to apply for and obtain licenses, permits, or required approvals, as deemed necessary or appropriate at Tenant’s sole discretion for its use of the Premises, throughout the Term of the Agreement, including, without limitation, applications for zoning approvals, zoning variances, zoning ordinances, special use permits, construction or building permits, and certificates and licenses and approvals necessary to comply with all applicable laws, rules, statutes and regulations, relating to Tenant’s use of the Facility (collectively, the “**Government Approvals**”), and initiate the ordering and/or scheduling of necessary utilities, and otherwise to do those things on or off the Parcel that are necessary, at Tenant’s sole discretion, to determine the physical condition of the Parcel, the environmental history of the Parcel, Landlord’s title to the Parcel, all at Tenant’s cost and expense. Tenant further has the right to

obtain a title report or commitment for a leasehold title policy from a title insurance company of its choice and to have the Parcel surveyed by a licensed surveyor of Tenant's choice. Landlord hereby agrees to provide any environmental studies, prior-obtained Government Approvals, relevant survey information, and any other information pertinent to Tenant's unencumbered and approved use of the Parcel and the Premises. Tenant shall not be liable to the Landlord or any third party on account of any pre-existing defect or condition on or with respect to the Parcel, whether or not such defect or condition is disclosed by Tenant's inspections. Landlord agrees to help reasonably facilitate Tenant's receipt of all Government Approvals and to reasonably cooperate with Tenant in connection with obtaining, and maintaining in effect all Government Approvals, title insurance, and any other rights Tenant may reasonably require in connection with Tenant's Permitted Use. This paragraph does not obligate Landlord's land use commissions or City Council to vote any particular way on applications. This paragraph does not require staff members reviewing permit applications to grant the permit application if the application does not meet applicable requirements.

- 2.3. **Staging.** For a period of one hundred fifty (150) days following the start of construction, and thereafter, as needed for maintenance, operation, repair, replacement and upgrade of the Facility, Landlord grants Tenant, Tenant's Agents, its subtenants, sublessees, Tenants and subtenants (collectively, the "**Subtenants**"), the right to use approximately 500 square feet of the Landlord's Parcel, adjoining, or surrounding property (the "**Surrounding Property**"), as may reasonably be required during construction and installation of the Facility ("**Staging Area**"), The location of the Staging Area shall be as mutually agreed once the parties have agreed on a final site location within the Parcel for the Facility in accordance with Section 1.1.
- 2.4. **Modifications.** Tenant has the right to modify, supplement, replace, and upgrade the Facility within the Premises at any time during the Term, at Tenant's sole discretion, and Tenant shall also have the right to make such alterations to the Premises in connection therewith.
- 2.5. **Nuisance.** Tenant will not use the Premises in a manner which will cause a legal nuisance to Landlord or to the occupancy of Landlord's other tenants or cause a breach of this Agreement. In any event, Tenant's installation, use, and maintenance of the Facility and any other use of the Premises shall not interfere with, compromise or damage the Parcel, or any portion thereof. Notwithstanding the foregoing, Landlord agrees that the Permitted Use shall not constitute a nuisance hereunder.
- 2.6. **Safety.** Tenant and its contractors shall take all reasonably necessary safety precautions pertaining to its use of the Premises and Parcel in compliance with applicable laws, ordinances, regulations and orders issued by a public authority, whether federal, state, local or other, OSHA (Federal Occupational Safety and Health Administration) / DOSH (Washington State Division of Occupational Safety and Health) / WISHA (Washington Industrial Safety and Health Act). Tenant shall at all times be responsible for providing a safe site and be responsible for the work performance and safety of all employees, personnel, equipment and materials within Tenant's or its contractors' care, custody or control. Tenant and its contractors shall ensure all of their employees and contractors' employees have and wear personal protective equipment in compliance with applicable OSHA/DOSH/WISHA requirements.

TERM.

- 3.1. **Initial Term.** The initial term of this Agreement shall be for twenty-five (25) years (the “**Initial Term**”) and commence upon the Effective Date.
- 3.2. **Extension Terms.** This Agreement shall automatically renew for two (2) additional ten (10) year terms (each additional ten (10) year term shall be defined as an “**Extension Term**”), upon the same terms and conditions set forth herein, unless the Agreement has been terminated pursuant to Section 7 (Termination), or the either Party notifies the Other Party in writing of its intention not to renew this Agreement at least ninety (90) days prior to the expiration of the Initial Term or the then-existing Extension Term.
- 3.3. **Annual Terms.** At the conclusion of the Initial Term and all Extension Terms, this Agreement shall continue in force upon the same covenants, terms and conditions for a further term of one (1) year, and for annual terms thereafter (each additional one (1) year term shall be defined as an “**Annual Term**”) until the Agreement has been terminated pursuant to Section 7 (Termination) or terminated by either party hereto by giving to the other party hereto written notice of its intention to so terminate at least six (6) months prior to the end of the then-existing Annual Term, whichever occurs first.
- 3.4. **Holdover Terms.** If Tenant remains in possession of the Premises after the termination of this Agreement, then Tenant shall be deemed to be occupying the Premises on a month-to-month basis (the “**Holdover Term**”), subject to the terms and conditions of this Agreement.
- 3.5. Section 3.1 (Initial Term), Section 3.2 (Extension Terms), Section 3.3 (Annual Terms), and 3.4 (Holdover Terms) are collectively referred to as the “**Term**”.
- 3.6. The Term of this Agreement shall in no event terminate prior to the term of the Colocation Agreement.

RENT.

- 4.1. **Rent Commencement.** Commencing on the first day of the month following the date that Tenant commenced construction on the Premises (the “**Rent Commencement Date**”), Tenant shall pay Landlord on or before the fifth (5th) day of each calendar month in advance five hundred and No/100 Dollars (\$500.00) (the “**Rent**”), via electronic payment, unless Landlord specifies an alternative means for Rent payments in writing to Tenant. The initial Rent payment will be transmitted by Tenant to Landlord within forty-five (45) days after the Rent Commencement Date. Landlord shall provide to Tenant the account details for electronic payment and a W-9 on or before the Effective Date. The Rent Commencement Date shall be memorialized by notification from Tenant, substantially in the form attached hereto as **Exhibit D – Notification of Rent Commencement Date**, which shall be binding on Landlord unless Landlord notifies Tenant of its objection thereto within seven (7) days of delivery to Landlord.
- 4.2. **Rent Escalator.** On the first anniversary of the Rent Commencement Date, and on each anniversary of the Rent Commencement Date throughout the Term of the Agreement, Rent shall be increased by two percent (2.0%) of the Rent paid during the immediately prior year.

- 4.3. **Rent Proration.** In the event this Agreement is terminated, the Rent will be prorated for any partial month, based on a three hundred sixty-five (365) day year.
- 4.4. **Late Fee.** Rent shall be due on or before the fifth (5th) day of each month in advance and will be delinquent if not paid by the tenth (10th) day of each month of the Term. If payment is not received by Landlord within thirty (30) days of written notice of nonpayment (the “**Late Rent Period**”), Tenant shall pay to Landlord an additional sum of ten percent (10%) of the past due rent as a late fee; provided, however, that no late fees shall be due for the first (1st) time Tenant is late in any single calendar year. Acceptance of any late fee shall not constitute a waiver from exercising any of the other rights and remedies available to Landlord under this Agreement, at law or in equity, including, but not limited to, any interest charges imposed herein.
- 4.5. **Revenue Share.** In the event Tenant sublets or licenses space on the Facility to a third party collocator (“**Collocator**”), Tenant shall remit fifteen percent (15%) of the rent or other fees to use the Facility collected by Tenant from such Collocator (the “**Collocator Rent**”) to the Landlord (the “**Landlord’s Revenue Share**”). Such Landlord’s Revenue Share shall be paid with the next Rent payment due from Tenant that is at least thirty (30) days after receipt of the Collocator Rent by Tenant. Landlord acknowledges and agrees that Landlord’s Revenue Share may or may not be passed through as a cost to Collocator and in the event that Landlord’s Revenue Share is passed through as a cost to Collocator, the same shall not be subject to further revenue sharing or markup payable to Landlord. Tenant shall pay the Landlord’s Revenue Share for each Collocator on the Facility for which Tenant receives Collocator Rent. Tenant’s obligation to pay Landlord’s Revenue Share to Landlords shall expire or abate, as applicable, at such time as the Collocator does not pay Collocator Rent to Tenant, and shall resume, as applicable, if and when the Collocator resumes paying such recurring Collocator Rent and Landlord’s Revenue share shall be prorated for partial periods. The first Collocator paying Collocator Rent will always be considered an Anchor Tenant (“**Anchor Tenant**”). Notwithstanding any possible assignment of conveyance of this Agreement or interest in the Facility by an Anchor Tenant to a third party, in no event will an Anchor Tenant ever be considered or interpreted to be a Collocator under this Section 4.5 for the purpose of payment of Landlord’s Revenue Share.
- 4.6. **Landlord Use of Facility.** Tenant and Landlord plan to contemporaneously with this Agreement enter into a Tower Site Colocation Agreement in a form substantially similar to **Exhibit G - Tower Site Colocation Agreement**, which will govern the placement of certain telecommunications equipment by Landlord on the Facility to be constructed by Tenant as described herein to be located on the Premises.
5. **GOVERNMENT APPROVALS.** Landlord agrees that Tenant’s obligations under this Agreement are contingent upon Tenant’s ability to obtain, maintain, and comply with all Government Approvals. Landlord authorizes Tenant to prepare, execute and file all required applications to obtain Government Approvals for the Permitted Use and agrees to reasonably assist Tenant with such applications and with obtaining and maintaining the Government Approvals.

ACCESS.

- 6.1. **24/7 Access.** At all times throughout the Term of this Agreement, and at no additional charge to Tenant, Tenant, and Tenant’s Agents, shall have a reasonable, non-exclusive right to access

the Premises twenty-four (24) hours per day, seven (7) days per week for pedestrian and vehicular access (the “**Access**”) to and over the Parcel for the installation, maintenance and operation of the Facility and any utilities serving the Premises. Notwithstanding the foregoing, Tenant shall be afforded access to the Premises twenty-four (24) hours per day, seven (7) days per week for the Permitted Use, and such access to the Premises shall be exclusive to Tenant, and require no notice to Landlord. Tenant must give twenty-four (24) hour notice to Landlord prior any access to be made by Tenant to the Parcel (but not the Premises, which requires no prior notice), except in the event of an emergency, in which event Tenant shall provide notice within twenty-four (24) hours following such emergency as described below. Landlord shall have no duty to remove snow during daytime hours Monday – Friday or otherwise maintain the access area located on the Premises, but shall have an obligation for all maintenance on, or generally related to, the Parcel. Tenant may use an unmanned aircraft system, such as a drone for imagery at height, solely in connection with its Permitted Use and for the purpose of obtaining imagery of Tenant’s improvements on the Parcel. In the event any public utility is unable to use the access provided to Tenant, Landlord agrees to grant additional access either to Tenant or to the public utility, for the benefit of Tenant, at no cost to Tenant.

- 6.2. **Emergency.** In the event of an emergency situation which poses an immediate threat of substantial harm or damage to persons and/or property (including the continued operations of the Facility) which requires entry on the Parcel, Tenant may enter the Parcel and take reasonable actions that are required to protect individuals or personal property from the immediate threat of substantial harm or damage; provided that promptly after the emergency entry and in no event later than twenty-four (24) hours thereafter, Tenant gives telephonic and/or written notice to Landlord of Tenant’s entry onto the Parcel. Tenant’s emergency twenty-four (24) hour contact number(s) must be displayed on the outside of all equipment cabinets located at the Parcel or Premises. In the event of an emergency situation which poses an immediate threat of substantial harm or damage to persons and/or property which requires entry to the Parcel, Landlord may enter the Parcel and take the actions that are required to protect individuals or personal property.
- 6.3. **Non-Exclusive Access.** Landlord grants to Tenant a right of access from a public right of way to the Premises, over a portion of the Parcel, in a location identified by Tenant in **Exhibit B – Site Plan**.
- 6.4. **Locks.** Landlord agrees to provide to Tenant such codes, keys and other instruments necessary for such Access at no additional cost to Tenant to provide entry through the Parcel and onto the Premises, as may be applicable now or in the future. Where feasible, Landlord agrees that Tenant has a right to use its own locks on the Parcel for Access to Premises, all at Tenant’s cost and expense, so long as Tenant’s locks do not interfere with Landlord’s use of the Parcel.
- 6.5. **Access Condition.** Landlord shall be responsible for maintaining and repairing the Access to the Premises on the Parcel, including for the clearing of snow provided that snow removal equipment is able to access the Parcel and such clearance takes place during normal working hours Monday-Friday, provided further in the case of an urgent need during non-working hours as communicated by Tenant, the Landlord will use commercially reasonable efforts to arrange for snow removal during such non-working hours. Damages to the Access caused by Tenant's use of such Access is excluded from Landlord’s maintenance obligations hereunder. If Access to the Premises on the Parcel is impaired, Tenant shall notify Landlord of such impairment. Landlord shall cause the impairment to be removed within twenty-four (24) hours or, if removal

of the impairment is not practical within twenty-four (24) hours, as soon as reasonably practical.

- 6.6. **Default by Uncured Access.** Landlord acknowledges that in the event Tenant cannot obtain Access to the Premises, Tenant shall incur significant damage. If Landlord fails to provide the Access granted by this Section 6 (Access), or reasonable temporary alternate vehicular and pedestrian Access, such failure shall be a default under this Agreement pursuant to Section 17 (Default and Right to Cure).

TERMINATION. This Agreement may be terminated, without penalty or further liability, as follows, which shall operate to terminate, or in the case of Section 7.3 below, assign, any Colocation Agreements between the Parties:

- 7.1. By Tenant, upon written notice to Landlord at any time prior to the commencement of construction.
- 7.2. By Tenant, upon written notice to Landlord at any time during the Term, if Tenant is unable to obtain or maintain any Governmental Approvals, including without limitation any required approvals or the issuance of a license or permit by any agency, board, court or other governmental authority, necessary for the construction or operation of the Facility as now or hereafter intended by Tenant; or if Tenant determines, in its sole discretion that the cost of or delay in obtaining or retaining the same is burdensome or commercially unreasonable; or that the environmental condition of the Premises is unsuitable for Tenant's use, or if Tenant believes that the leasing or continued leasing of the Premises would expose Tenant to undue risks of liability to a government agency or other third party.
- 7.3. By Tenant, upon twelve (12) months prior written notice to Landlord at any time following commencement of construction, for any reason or no reason, provided, however, that Tenant must in connection with such termination right have either assigned its rights and delegated its obligations under the Colocation Agreement such that Landlord's rights thereunder are not materially impacted, or otherwise terminated the Colocation Agreement in accordance with its terms.
- 7.4. By Tenant, upon thirty (30) days prior written notice at any time during the Term, if the Landlord remains in material default after all applicable cure periods in Section 17 (Default and Right to Cure) and in this Agreement.
- 7.5. By Landlord, upon thirty (30) days prior written notice at any time during the Term, if Tenant remains in material default after all applicable cure periods in Section 17 (Default and Right to Cure) and in this Agreement.
- 7.6. Or as otherwise expressly provided for in this Agreement.
- 7.7. Upon such final expiration or termination of this Agreement, the Parties agree to negotiate in good faith regarding the disposition and/or transfer of any Tenant improvements made on the Premises, as well as to help ensure continuity of emergency services during any such transition period.

- 7.8. Notwithstanding any provision of this Lease, this Lease may not be terminated by Tenant when any payment due to the Landlord remains outstanding or past due.

INTERFERENCE.

- 8.1. **General.** For the purposes of this Agreement, “interference” may include, but is not limited to, any use that causes electronic or physical obstruction with Tenant’s Permitted Use.
- 8.2. **Mutual Non-Interference with Frequencies on the Parcel.** Landlord has provided Tenant with a list of radio frequency user(s) and frequencies used on the Parcel as of the Effective Date– **Pre-Existing Frequencies.** Tenant shall keep Landlord reasonably approved of the radio frequencies used on the Facility. Tenant warrants that its use of the Premises will not interfere with the pre-existing radio frequency uses on the Parcel identified by Landlord, as long as the pre-existing radio frequency user(s) operate and continue to operate within their respective frequencies and in accordance with all applicable laws and regulations. Landlord warrants that its use of the Facility as provided under the Colocation agreement will not interfere with the radio frequency uses on the Facility identified by Tenant, as long as such radio frequency user(s) operate and continue to operate within their respective frequencies and in accordance with all applicable laws and regulations. Tenant acknowledges that the Pre-Existing Frequencies are not anticipated to interfere with the radio frequency uses on the Facility. If anything arises after installation of the Facility that in Tenant’s reasonable opinion would result in any interference, the parties shall work together in good faith to eliminate the same. Landlord shall provide prior written notice to Tenant of any expansion or change to such pre-existing uses, but in no event shall such expansion or change interfere with Tenant’s Permitted Use or frequencies. In addition, and without limitation of the foregoing, the Parties agree that any change in frequency usage on either the Facility or the Parcel, respectively, will not in the case of Tenant interfere with Tenant’s Permitted Use or frequencies, and in the case of Landlord, not interfere with the pre-existing frequencies identified by Landlord. In the event any after-installed Tenant's equipment causes such interference, and after Landlord has notified Tenant in writing of such interference, Tenant will immediately take all available steps necessary to correct and eliminate the interference within ten (10) days of such notice, including but not limited to, at Tenant’s option, powering down such equipment and later powering up such equipment for intermittent testing. The Parties acknowledge that there will not be an adequate remedy at law for noncompliance with the provisions of this Paragraph and therefore, either Party shall have the right to equitable remedies, such as, without limitation, injunctive relief and specific performance.
- 8.3. **Landlord’s Non-Interference.** Landlord shall not, nor shall Landlord permit its employees, tenants, Tenants, invitees, agents, or independent contractors, to interfere in any way with the Facility, the operations of Tenant or the rights of Tenant under this Agreement. Landlord shall cause such interference to cease within twenty-four (24) hours, or within a reasonable time frame approved by Tenant in writing, after receipt of notice of interference from Tenant. In the event any such interference does not cease within the aforementioned cure period, then the Parties acknowledge that Tenant will suffer irreparable injury, and therefore, Tenant will have the right, in addition to any other rights that it may have at law or in equity, for Landlord's breach of this Agreement, to elect to enjoin such interference or to immediately terminate this Agreement upon notice to Landlord without a waiver of any other rights or remedies.

8.4. **Future Third-Party Interference.** Landlord agrees not to sell, lease, or use any areas of the Parcel that the Landlord owns or controls, after the Effective Date, or grant any other right to any third party, if the exercise of such grant may in any way adversely affect or interfere with the Facility, Tenant's Permitted Use, or the rights of Tenant under this Agreement. Landlord shall notify Tenant in writing prior to granting any third party the right to install and operate communications equipment on the Parcel. If Tenant observes interference, Tenant may conduct a radio frequency propagation test or other applicable Tests, at Tenant's sole discretion. Landlord shall reimburse Tenant for any costs and expenses of such testing, if the Tests demonstrate interference unacceptable to Tenant, at Tenant's sole determination.

MAINTENANCE. Tenant shall keep and maintain the Premises in good condition, reasonable wear and tear and damage from the elements excepted. Landlord shall maintain and repair the Parcel and access thereto, which is under the control of the Landlord, and all Access areas in good and tenantable condition, subject to reasonable wear and tear and damage from the elements.

UTILITIES.

10.1. **Right to Order and Install Utilities for Permitted Use.** Tenant shall have the right to install, upgrade and maintain utilities, including but not limited to electric power and fiber, and to improve present utilities on the Parcel and the Premises, all at Tenant's cost and expense. Landlord hereby grants to any utility provider an easement, in, on, under and over that portion of the Parcel designated by the Landlord and upon the Premises, associated with Tenant's Permitted Use. Tenant shall have the right to initiate the ordering and/or scheduling of necessary utilities and shall prepare utility applications, and Landlord agrees to reasonably cooperate and execute any required applications for obtaining and maintaining utilities. In the event Tenant is unable to secure timely utilities, Landlord agrees to permit Tenant to install a submeter and connect to Landlord's utility service. In such instance, Tenant shall reimburse Landlord for Tenant's consumption of utilities as measured by the submeter.

10.2. **Tenant's Payment for Utilities Consumed.** Tenant shall be responsible for paying all utility charges for electricity, fiber or any other utility used or consumed by Tenant on the Premises.

10.3. **Interruptions.** Landlord acknowledges that Tenant provides a communication service which requires utility service to operate and must operate twenty-four (24) hours per day, seven (7) days per week. In the event of a utility service interruption, Landlord agrees to allow Tenant and Tenant's Subtenants the right to utilize temporary utility sources until stable utilities are restored; provided, Tenant makes all reasonable efforts to restore the utility to the extent within Tenant's control. In the event the temporary utility sources require use of the Parcel outside the Premises, Tenant may use additional space on the Parcel, at no additional cost to Tenant, subject to Landlord's written approval, approval not to be unreasonably withheld, conditioned, or delayed.

11. **ENVIRONMENTAL.** Landlord and Tenant each agree that they shall not use, generate, store or dispose of any Hazardous Material (as defined in this Section 11) on, under, about or within the Parcel in violation of any law or regulation as may now, or at any time hereafter, be in effect. Should Landlord become aware of any Hazardous Materials contamination, Landlord shall immediately notify Tenant. Landlord and Tenant agree that each shall be responsible for compliance with any and

all applicable governmental laws, rules, statutes, regulations, codes, ordinances, or principles of common law regulating or imposing standards of liability or standards of conduct with regard to protection of the environment or worker health and safety, as may now or at any time hereafter be in effect, to the extent such apply to that party's activity conducted in or on the Parcel. As used herein, "**Hazardous Materials**" shall mean hazardous substances, including asbestos-containing materials and lead paint, petroleum, and any substance, chemical or waste identified as hazardous, toxic, or dangerous in any applicable federal, state or local law or regulation.

12. **SUBLEASE.** Tenant shall have the right to sublease or license any portion of the Premises and its rights herein, in whole or in part, to a third-party whose use is consistent with the Permitted Use at Tenant's sole discretion and without Landlord's consent.
13. **ASSIGNMENT.** Upon notice to and approval by Landlord, such approval not to be unreasonably withheld, conditioned or delayed, Tenant has the right to assign this Agreement and its rights herein, to a third-party, provided however, that Tenant may assign this Agreement and delegate all of its obligations herein at Tenant's sole discretion and without Landlord's consent in the case of an assignment resulting from a change in control of Tenant, whether by reorganization, merger, sale of substantially all of its assets or equity, operation of law or otherwise, and in the case of an assignment to New Cingular Wireless PCS, LLC. Notwithstanding the foregoing, Landlord may assign this Agreement upon prior written notice to Tenant and subject to providing all information as set forth in Section 23, and without the Tenant's prior written consent to any other municipal government with which Landlord consolidates by annexation, merger, formation of a regional fire authority, contract, or otherwise, provided however, in such case, and prior to completion of the assignment, the Parties shall reasonably determine in good faith whether any changes are necessary either to this Agreement or the Colocation Agreement resulting from such assignment, and effectuate any such change contemporaneously with such assignment. Tenant shall be relieved of all future performance, liabilities, and obligations under this Agreement upon such assignment and assumption of obligations by the assignee.
14. **INSURANCE.** Tenant shall provide Commercial General Liability Insurance with a limit of Two Million Dollars (\$2,000,000.00) per occurrence and in the aggregate, written on ISO form CG 00 01 or its equivalent and from a reputable insurance company authorized to do business where the Premises is located, with Landlord included as an additional insured. Certificates evidencing such insurance shall be furnished to Landlord upon execution of this Agreement. Tenant may satisfy this requirement by obtaining the appropriate endorsement to any master policy of liability insurance Tenant may maintain. Tenant shall self-insure or maintain its own policy of property insurance for its Facility. Landlord and Tenant hereby releases Landlord (and its successors or assigns) from liability and waives all right of recovery against the other for any loss or damage covered by their respective first party property insurance policies for all perils insured thereunder. In the event of such insured loss, insurance company shall have a subrogated claim against the other.
15. **INDEMNIFICATION.**
 - 15.1. **Tenant Indemnification.** Tenant agrees to indemnify, defend and hold Landlord harmless from and against any and all injury, loss, damage or liability, costs or expenses in connection with a third party claim (including reasonable attorneys' fees and court costs) related to the installation, use, maintenance, repair or removal of the Facility or Tenant's breach of any

provision of this Agreement, except to the extent attributable to the negligent or intentional act or omission of Landlord, its employees, invitees, agents or independent contractors.

FOR PURPOSES OF THE FOREGOING INDEMNIFICATION PROVISION ONLY, AND ONLY TO THE EXTENT OF CLAIMS AGAINST TENANT BY LANDLOR UNDER SUCH INDEMNIFICATION PROVISION, TENANT SPECIFICALLY WAIVES ANY IMMUNITY IT MAY BE GRANTED UNDER THE WASHINGTON STATE INDUSTRIAL INSURANCE ACT, TITLE 51 RCW. THE INDEMNIFICATION OBLIGATION UNDER THIS AGREEMENT SHALL NOT BE LIMITED IN ANY WAY BY ANY LIMITATION ON THE AMOUNT OR TYPE OF DAMAGES, COMPENSATION OR BENEFITS PAYABLE TO OR FOR ANY THIRD PARTY UNDER WORKERS' COMPENSATION ACTS, DISABILITY BENEFIT ACTS, OR OTHER EMPLOYEE BENEFIT ACTS.

The foregoing provision was specifically negotiated and agreed upon by the parties hereto.

- 15.2. **Landlord Indemnification.** To the extent permitted by law, Landlord agrees to indemnify, defend and hold Tenant harmless from and against any and all injury, loss, damage or liability, costs or expenses in connection with a third party claim (including reasonable attorneys' fees and court costs) arising from the negligence or willful misconduct of Landlord, its employees, invitees, agents or independent contractors, or the condition of the Parcel caused by Landlord's breach of any provision of this Agreement, except to the extent attributable to the negligent or intentional act or omission of Tenant, its employees, agents or independent contractors
- 15.3. **Indemnification Protocols.** The indemnified party shall: (i) promptly provide the indemnifying party with written notice of any claim, demand, lawsuit, or the like for which it seeks indemnification pursuant to this Section 15 (Indemnification) and provide the indemnifying party with copies of any demands, notices, summonses, or legal papers received in connection with such claim, demand, lawsuit, or the like; (ii) not settle any such claim, demand, lawsuit, or the like without the prior written consent of the indemnifying party; and (ii) fully cooperate with the indemnifying party in the defense of the claim, demand, lawsuit, or the like. A delay in notice shall not relieve the indemnifying party of its indemnity obligation, except (1) to the extent the indemnifying party can show it was prejudiced by the delay; and (2) the indemnifying party shall not be liable for any settlement or litigation expenses incurred before the time when notice is given.

16. WARRANTIES.

- 16.1. **General.** Tenant and Landlord acknowledge and represent to each other that it is duly organized, validly existing and in good standing and has the right, power, and authority or capacity, as applicable, to enter into this Agreement and bind itself hereto through the party or individual set forth as signatory for the party below.
- 16.2. **Landlord Warranties.** Except for as expressly provided herein, Tenant agrees to take the Premises in strictly "AS IS, WHERE IS" condition with all faults and conditions, known or unknown, and releases Landlord from any liability in connection therewith, including without limitation any warranties of fitness for a particular purpose. Landlord represents, warrants and agrees that: (i) Landlord solely owns the Parcel as a legal lot in fee simple; (ii) the Parcel is not and will not be encumbered by any liens, restrictions, mortgages, covenants, conditions,

easements, leases, or any other agreements of record or not of record, which would adversely affect Tenant's Permitted Use and enjoyment of the Premises under this Agreement; (iii) the Parcel is free of Hazardous Materials, except as disclosed on **Exhibit D – Disclosures of Hazardous Materials**, and has never been subject to any contamination or hazardous conditions resulting in any environmental investigation, inquiry or remediation, (iv) there exist no underground tanks on the Parcel; and (v) Landlord's execution and performance of this Agreement will not violate any laws, ordinances, covenants or the provisions of any mortgage, lease or other agreement binding on Landlord.

- 16.3. **Tenant's Warranties.** Tenant's Use will not materially or adversely interfere with Landlord's existing use of the Parcel as of the Effective Date.
- 16.4. **Quiet Enjoyment.** Landlord grants to Tenant sole, actual, quiet and peaceful use, enjoyment and possession of the Premises and leasehold estate created by and in accordance with the terms of this Agreement without hindrance or ejection by any persons.
- 16.5. **Landlord's Liens.** In addition to all other remedies available to Tenant, Landlord will promptly pay when due all liens and monetary encumbrances against the Parcel. If the Parcel is or becomes encumbered by a deed to secure a debt, mortgage or other security interest, then Landlord will provide promptly to Tenant a mutually agreeable subordination, non-disturbance and attornment agreement executed by Landlord and the holder of such security interest substantially in the form attached hereto as **Exhibit E – Subordination, Non-Disturbance and Attornment Agreement**, or in the mortgagee's standard form.

17. DEFAULT AND RIGHT TO CURE.

- 17.1. **Tenant Default.** The following will be deemed a default by Tenant and a breach of this Agreement: Tenant's failure to perform any term or condition under this Agreement within forty-five (45) days of written notice from Landlord specifying the failure. No such failure, however, will be deemed to exist if Tenant has commenced to cure such default within such period and provided that such efforts are prosecuted to completion with reasonable diligence. If Tenant remains in default beyond any applicable cure period, then Landlord will have the right to (1) pursue a judgment for direct damages against Tenant, and/or (2) to pursue specific performance, injunction, or declaratory judgment, (3) to terminate this Agreement pursuant to Section 7.5 (Termination), and/or (4) any and all other rights available to it under law and equity. In no event shall Tenant be liable for consequential, punitive, incidental or special damages, however caused, based on any theory of liability.
- 17.2. **Landlord Default.** The following will be deemed a default by Landlord and a breach of this Agreement: (i) Landlord's failure to provide Access to the Premises as required by Section 6 (Access) within twenty-four (24) hours after written notice of such failure; (ii) Landlord's failure to cure an interference problem as required by Section 8 (Interference) within twenty-four (24) hours after written notice of such failure; or (iii) Landlord's failure to perform any term or condition, or Landlord's breach of any warranty or covenant, under this Agreement for more than forty-five (45) days after written notice from Tenant specifying the failure. No such failure, however, will be deemed to exist if Landlord has commenced to cure the default within such period and provided such efforts are prosecuted to completion with reasonable diligence. Notwithstanding the foregoing, in regard to (iii) only, if any Landlord

default affects Tenant's operations on the Premises, then such cure period shall be shortened to ten (10) days, and Tenant shall have the right, but not the obligation, to take reasonable self-help actions to effect a cure during such cure period, at Landlord's cost. In addition, in the case of any breach of any provision of this Agreement by Landlord, and such breach results in costs or damages to Tenant relating to its operation of the Facility or use of the Premises, then notwithstanding any cure by Landlord, Landlord shall be responsible for any such costs or damages incurred by Tenant. If Landlord remains in default beyond any applicable cure period, Tenant will have: (1) the right to cure Landlord's default and to collect such amounts from Landlord and/or (2) right to terminate this Agreement pursuant to Section 7.4 (Termination), and/or (3) any and all other rights available to it under law and equity. In no event shall Landlord be liable for consequential, punitive, incidental or special damages, however caused, based on any theory of liability, provided however, that any third-party damages covered by indemnity or otherwise recoverable under this Agreement shall not be deemed excluded by this clause.

Either party may change its notice address upon thirty (30) days prior written notice to the other party. Any notice and other communication given pursuant to this Agreement will be deemed to have been received on, and is effective as of, (i) the date it was delivered by hand; (ii) upon the date of the properly addressed e-mail transmission; (iii) on the date of delivery shown on the receipt card if sent by registered or certified mail, return receipt requested; (iv) on the third business day after the date

Notwithstanding the foregoing, any notice to a Party that would permit the other Parties to terminate this Agreement shall be sent by certified mail, return receipt requested to the parties indicated above, with "NOTICE OF DEFAULT" designated in the subject line to be effective notice hereunder.

19. CONDEMNATION. In the event Landlord receives notification of any threatened or pending condemnation proceedings affecting the Parcel, Landlord will provide notice thereof to Tenant within twenty-four (24) hours. If a condemning authority takes all of the Parcel, or a portion sufficient, in Tenant's sole determination, to render the Premises unsuitable for Tenant, this Agreement will terminate as of the date the title vests in the condemning authority, provided, however that Tenant may terminate the Lease earlier upon not less than thirty (30) days' notice to Landlord, after Tenant becomes aware of such threatened or pending proceedings. The Parties will each be entitled to pursue their own separate awards in the condemnation proceeds, which for Tenant will include but not be limited to, where applicable, the value of its Facility and leasehold rights hereunder, moving expenses, and business relocation expenses. Landlord shall immediately refund to Tenant any prepaid Rent on a *pro rata* basis.

20. CASUALTY.

20.1. **Notice.** Landlord will provide notice to Tenant of any casualty or other harm affecting the Parcel within twenty-four (24) hours of the casualty or other harm.

20.2. **Premises Rendered Unsuitable.** If any part of the Facility or the Parcel is damaged by casualty or other harm as to render the Premises unsuitable, in Tenant's sole determination, then Tenant may terminate this Agreement by providing written notice to Landlord, which termination will be effective as of the date of such casualty or other harm, and Landlord shall reimburse Tenant for any prepaid Rent on a *pro rata* basis to the extent the casualty is due to the negligence or intentional act of Landlord. Tenant's termination of this Agreement under this Section shall not impair Tenant's right, if any, to collect insurance proceeds in connection with the Facility.

20.3. **Premises Rebuilt or Restored.** If Tenant undertakes to rebuild or restore the Premises and/or the Facility, as applicable, Landlord agrees to permit Tenant to place temporary facilities on the Parcel, at a location mutually agreeable to Landlord and Tenant, at no additional Rent until the reconstruction of the Premises and/or the Facility is completed; provided, Tenant makes all reasonable efforts to reconstruct the Facility as soon as reasonably practicable. Landlord agrees that the Rent shall be abated until the Parcel and/or the Premises are rebuilt or restored, unless Tenant places temporary facilities on the Parcel, in which case Rent shall be adjusted as may be necessary or appropriate to account for any reduction in space or operation, or Tenant's increased costs, due to temporary facilities

21. WAIVER OF LANDLORD'S LIENS. Landlord waives any and all lien rights it may have, statutory or otherwise, concerning the Facility or any portion thereof. The Facility shall be deemed personal property for purposes of this Agreement, regardless of whether any portion is deemed real or personal property under applicable law.

OTHER PAYABLE CHARGES. Unless specified otherwise in this Agreement, Tenant shall not be liable for any charges or expenses payable to Landlord in connection with the use of the

Premises by Tenant. Further, all amounts permitted to be charged by Landlord under this Agreement shall be billed to Tenant within one (1) year from when the charges were incurred, and in no event shall Tenant be liable for any charges billed to Tenant by Landlord after such period. The provisions of this Section 22 (Other Payable Charges) shall survive the termination or expiration of this Agreement.

23. TRANSFERS OF THE PARCEL OR PREMISES. Subject to the terms of this Agreement and except as provided in Section 25 (Anti-Piracy / Partial Transfers) below, Landlord may sell or otherwise transfer the Parcel or a portion thereof to a third party, provided: (i) the sale is made subject to the terms of this Agreement; and (ii) the transferee agrees to fully assume and perform Landlord's obligations under this Agreement. Within thirty (30) days of such transfer, Landlord or its successor shall send the documents listed below to Tenant:

- i. New deed to Parcel
- ii. Assignment and Assumption Agreement
- iii. Form W-9 for Transferee
- iv. Full contact information for new Landlord including phone number(s)

Until Tenant receives all such documents, Tenant's failure to make payments that may be required under this Agreement shall not be an event of default and Tenant reserves the right to hold payments due under this Agreement. Such transfer shall in no way limit or impair the obligations of Landlord under this Agreement, including interference and access obligations, or affect Tenant's rights under this Agreement. In the event that the transfer occurs by operation of law (i.e., not by deed), such transferee shall provide documentation reasonably acceptable to Tenant to evidence such transfer.

24. CHANGES TO ZONING OR ENCUMBRANCE. Landlord shall not initiate or consent to any change in the zoning of the Premises or the Parcel, or impose or consent to any other use, or encumbrance or restriction that would prevent or limit Tenant from using the Premises or Parcel for the Permitted Use or otherwise impair Tenant's rights hereunder.

25. ANTI-PIRACY/PARTIAL TRANSFERS.

25.1. Landlord agrees that it will not offer to, or accept any offer to, or transfer, convey, assign, lease, or grant an easement for any portion of Landlord's rights under this Agreement or any interest in the Premises or the rents due hereunder, including any "lease buyout" (a "**Partial Transfer**"), other than in connection with a full transfer of the fee interest real estate comprising the Premises as provided herein, together with a full assignment and assumption of Landlord's obligations under this Agreement.

25.2. If Landlord attempts to sell, convey, assign or transfer such property interest in or related to the Premises in violation of this Section 25, the sale, conveyance, assignment or transfer shall be void, and, at Tenant's option, an incurable default by Landlord of this Agreement.

TAXES. Tenant shall pay directly to the applicable Government Entity or to Landlord if Landlord is invoiced by such Government Entity, all taxes, fees, assessments or other charges assessed by any Government Entity against the Facility and/or Tenant's use of the Premises. Tenant shall pay to Landlord or the appropriate taxing authority, when due, any sales, use, ad

valorem or other taxes or assessments which are assessed or due by reason of this Agreement or Tenant's use of the Premises or the Parcel. Landlord will be responsible for payment of all the real property taxes, except Tenant shall pay any increase in real estate taxes levied against the Premises directly attributable to this Agreement and/or Tenant's use of this Premises. Tenant will pay to Landlord the foregoing amounts within thirty (30) days after written demand thereof by Landlord accompanied by copies of each tax bill, service bill and/or assessment notice, along with the prior year's bill and a reasonable determination. Landlord represents and warrants that if Tenant pays Landlord for any such taxes, it shall timely remit the same to the applicable Government Entity and shall indemnify, defend and hold Tenant harmless from any claims by such Government Entity relating to the same.

27. **AMENDMENT AND WAIVER.** This Agreement cannot be amended, modified, or revised unless done in writing and signed by Landlord and Tenant. No provision may be waived except in writing signed by the waiving party. The failure by a party to enforce any provision of this Agreement or to require performance by the other party will not be construed to be a waiver, or in any way affect the right of either party to enforce such provision thereafter.
28. **MEMORANDUM OF LEASE.** At the request of the Tenant, the Parties will execute a recordable Memorandum of Lease substantially in the form attached hereto as **Exhibit F – Memorandum of Lease**. Either party may record this Memorandum of Lease at any time during the Term, in its absolute discretion. Tenant may record an amendment thereof to update such Memorandum to incorporate any expansion of the Premises or additional easements granted in connection with the Premises, and Landlord will reasonably cooperate in connection therewith.
29. **COMPLIANCE WITH LAW.** Tenant agrees to comply with all federal, state, and local laws, orders, rules and regulations (the "**Laws**") applicable to Tenant's use of the Facility on the Parcel. Landlord agrees to comply with all Laws relating to Landlord's ownership and use of the Parcel and any improvements on the Parcel. Tenant shall, at Tenant's expense, ensure that the tower structure upon which the Facility is installed complies with all applicable Laws, including, without limitation, all rules and regulations promulgated by the FCC and Federal Aviation Administration ("FAA") with regard to lighting, marking and painting, except where noncompliance is due to Landlord's negligence or willful misconduct. All installations and operations by Tenant in connection with this Agreement shall meet and comply with all applicable Laws, including, without limitation, all applicable local codes and regulations, and all applicable rules and regulations promulgated by the FCC and FAA.
30. **BIND AND BENEFIT.** The terms and conditions contained in this Agreement will run with the Parcel and bind and inure to the benefit of the Parties, their respective heirs, executors, administrators, successors and assigns.
31. **ENTIRE AGREEMENT.** This Agreement and the exhibits attached hereto, all being a part hereof, along with the Colocation Agreement, constitute the entire agreement of the Parties hereto and will supersede all prior offers, negotiations and agreements with respect to the subject matter of this Agreement. Except as otherwise stated in this Agreement, each party shall bear its own fees, costs and expenses (including the fees, costs and expenses of its agents, brokers, representatives, attorneys, and accountants) incurred in connection with the negotiation, drafting, execution and performance of this Agreement and the transactions it contemplates.

- 32. GOVERNING LAW.** This Agreement will be governed by the laws of the State of Washington, and venue of any dispute shall be in the Piere County Superior Court, without regard to conflicts of law.
- 33. INTERPRETATION.** Unless otherwise specified, the following rules of construction and interpretation apply: (i) captions, headings, and subheadings are for convenience and reference only and in no way define or limit the construction of the terms and conditions hereof; (ii) use of the term “including” will be interpreted to mean “including but not limited to”; (iii) the term “day” shall mean calendar day whether or not expressly identified; (iv) whenever a party’s consent is required under this Agreement, except as otherwise stated in the Agreement or as same may be duplicative, such consent will not be unreasonably withheld, conditioned or delayed; (v) exhibits are an integral part of this Agreement and are incorporated by reference into this Agreement; (vi) use of the terms “termination” or “expiration” are interchangeable; (vii) reference to a default will take into consideration any applicable notice, grace and cure periods; (viii) the singular use of words includes the plural where appropriate; (ix) if any provision of this Agreement is held invalid, illegal or unenforceable, the remaining provisions of this Agreement shall remain in full force if the overall purpose of the Agreement is not rendered impossible and the original purpose, intent or consideration is not materially impaired; and (x) rule of construction that a contract be construed against the drafter, if any, shall not be applied in the interpretation and construction of this Agreement.
- 34. AFFILIATES.** Any right of Tenant granted hereunder may be exercised by, at Tenant’s election, any Affiliate of Tenant and any Subtenant or Tenant thereof. “Affiliate” means with respect to a party to this Agreement, any person or entity that (directly or indirectly) controls, is controlled by, or under common control with, that party. “Control” of a person or entity means the power (directly or indirectly) to direct the management or policies of that person or entity, whether through the ownership of voting securities, by contract, by agency or otherwise.
- 35. SURVIVAL.** Any provisions of this Agreement relating to indemnification shall survive the termination or expiration hereof. In addition, any terms and conditions contained in this Agreement that by their sense and context are intended to survive the termination or expiration of this Agreement shall so survive.
- 36. W-9; OWNERSHIP CONFIRMATION.** Landlord agrees to provide Tenant with a completed IRS Form W-9, or its equivalent, upon execution of this Agreement and at such other times as may be reasonably requested by Tenant, including any change in Landlord’s name or address. In the event of any transfer of Landlord’s interest in the Parcel or this Agreement, by operation of law or otherwise, Tenant shall be provided reasonable evidence of such successor interest and Tenant shall have the right to withhold payment unless or until such evidence is provided and be reimbursed for Tenant’s costs in confirming such successor interests, including, without limitation, any estate or personal representative, foreclosure, and bankruptcy matters.
- 37. EXECUTION.** This Agreement may be executed in several counterparts and the counterparts shall constitute but one and the same instrument. The execution of this Agreement by electronic mail or by any other electronic means shall be deemed to constitute effective execution of this Agreement as to the Parties hereto, provided, however, that upon request by the other party, an original, wet-signed signature shall be provided thereafter.

38. **ATTORNEYS' FEES.** In the event that any dispute between the Parties related to this Agreement should result in litigation, at trial and on any appeal or petition for review, the prevailing party in such litigation shall be entitled to recover from the other party all reasonable fees, costs and expenses of enforcing any right of the prevailing party, including reasonable attorneys' fees, costs and expenses. Prevailing party means the party determined by the court to have most nearly prevailed even if such party did not prevail in all matters. This provision will not be construed to entitle any party other than Landlord, Tenant, and their respective Affiliates to recover their fees and expenses.
39. **WAIVER OF JURY TRIAL.** EACH PARTY, TO THE EXTENT PERMITTED BY LAW, KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVES ITS RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING UNDER ANY THEORY OF LIABILITY ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS AGREEMENT OR THE TRANSACTIONS IT CONTEMPLATES.
40. **INCIDENTAL FEES.** Unless specified in this Agreement, no unilateral fees or additional costs or expenses are to be applied by either party to the other party, including review of plans, structural analyses, consents, provision of documents or other communications between the Parties.
41. **FURTHER ACTS.** Upon request, Landlord will cause to be promptly and duly taken, executed, acknowledged, and delivered all such further acts, documents, and assurances as Tenant may request from time to time to effectuate, carry out and perform all of the terms, provisions and conditions of this Agreement and all transactions and permitted use contemplated by this Agreement.
42. **CONFIDENTIALITY.** Subject to customary exceptions, including to the extent disclosure is required under law or regulation, including that of Public Records Act, Chapter 42.56 RCW, an applicable securities exchange, or valid court order, Landlord will maintain in confidence all information relating to Tenant's proposed tenancy and development of the Premises, including but not limited to, the terms of the letter of intent between the Parties and this Agreement, and will not disclose such information to any other party without written consent. Such confidential information may be released to Landlord's successors, employees, partners, consultants, attorneys, accountants, tax advisors, insurers, insurance agents, financial sources, property managers, and lenders who have a reasonable need for such confidential information.
43. **FORCE MAJEURE.** In the event that Tenant shall be delayed or hindered in, or prevented from, the performance of any work, service, or other act required under this Agreement to be performed by Tenant and such delay or hindrance is due to strikes, lockouts, acts of God, governmental restrictions, enemy act, civil riots or commotion, an act of war, domestic and/or international terrorism, quarantines, embargoes, pandemics, epidemics, local disease outbreaks, public health emergencies, unavoidable fire or other casualty, or other causes beyond the control of Tenant, then performance of such work, service, or other act shall be excused for the period of such delay and the period for the performance of such work, service, or other act shall be extended for a period equivalent to the period of such delay.
44. **CERTIFICATE.** Landlord will, within sixty (60) days after notice from Tenant, execute, acknowledge, and deliver to Tenant a certificate certifying whether or not this Agreement is in full force and effect; whether there are any modifications or alleged breaches by Landlord; the dates to which rent has been paid in advance; and any other facts that may reasonably be requested. The information in such certificate may be relied upon by any assignee, Subtenant, or any successor to

Tenant and any of their respective lenders. Failure to deliver the certificate within the specified time shall be conclusive upon Landlord that the Agreement is in full force and effect and has not been modified except as may be represented by Tenant.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed as of the last signature date below.

SUBORDINATION, NON-DISTURBANCE AND ATTORNMENT AGREEMENT

THIS SUBORDINATION, NON-DISTURBANCE AND ATTORNMENT AGREEMENT (“Agreement”), dated as of the date below, between [Mortgagee’s Name] having its principal office at [Insert Mortgagee’s Address], (hereinafter called “**Mortgagee**”) and [Landlord’s Name], a [Landlord’s jurisdictional state and entity type], having its principal office/residing at [Landlord’s Address] (“**Landlord**”), and Public Safety Towers, LLC, a Delaware Limited Liability Company having a mailing address of 1903 Wright Place, Suite 140, Carlsbad, CA 92008 (“**Tenant**”).

RECITALS:

- A. Tenant has entered into a certain Ground Lease Agreement dated [Insert Effective Date], (the “**Lease**”) with Landlord, covering property more fully described in **Exhibit 1** attached hereto and made a part hereof (the “**Premises**”); and
- B. Landlord has given to Mortgagee a mortgage or deed of trust (the “**Mortgage**”) upon certain real property (“**Property**”), as described in the Mortgage, a part of which Property contains the Premises; and
- C. The Mortgage on the Property is in the original principal sum of [Spell Out Dollar Amount] (\$XXX) Dollars, which Mortgage has been recorded in the appropriate public office in and for [Insert County] County, [Insert State] as Recording No. _____; and
- D. Tenant desires to be assured of continued occupancy of the Premises under the terms of the Lease and subject to the terms of this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements herein contained, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

1. So long as this Agreement will remain in full force and effect, the Lease is and will be subject and subordinate to the lien and effect of the Mortgage insofar as it affects the real property of which the Premises forms a part (but not Tenant’s fixtures or other property), and to all renewals, modifications, consolidations, replacements and extensions thereof, to the full extent of the principal sum secured thereby and interest thereon, with the same force and effect as if the Mortgage had been executed, delivered, and duly recorded among the above-mentioned public records, prior to the execution and delivery of the Lease.

2. In the event Mortgagee takes possession of the Premises as mortgagee-in-possession, including but not limited to, by deed in lieu of foreclosure or foreclosure of the Mortgage, Mortgagee agrees not to affect or disturb Tenant’s right to possession of the Premises and any of Tenant’s other rights under the Lease in the exercise of Mortgagee’s rights so long as Tenant is not then in default, after applicable notice and/or grace periods, under any of the terms, covenants, or conditions of the Lease.

3. In the event that Mortgagee succeeds to the interest of Landlord or other landlord under the Lease and/or to title to the Premises, Mortgagee and Tenant hereby agree to be bound to one another under all of the terms, covenants and conditions of the Lease; accordingly, from and after such event, Mortgagee and Tenant will have the same remedies against one another for the breach of an agreement contained in the Lease as Tenant and Landlord had before Mortgagee succeeded to the interest of Landlord.

4. In the event that Mortgagee or anyone else acquires title to or the right to possession of the Premises upon the foreclosure of the Mortgage, or upon the sale of the Premises by Mortgagee or its successors or assigns after foreclosure or acquisition of title in lieu thereof or otherwise, Tenant agrees not to seek to terminate the Lease by reason thereof, but will remain bound unto the new owner so long as the new owner is bound to Tenant under all of the terms, covenants and conditions of the Lease.

5. Mortgagee understands, acknowledges, and agrees that notwithstanding anything to the contrary contained in the Mortgage and/or any related financing documents, including, without limitation, any UCC-1 financing statements, Mortgagee will acquire no interest in any equipment, fixtures and/or other property installed by or on behalf of Tenant or its related parties on the Property. Mortgagee hereby expressly waives any interest which Mortgagee may have or acquire with respect to such equipment, fixtures and/or other property of Tenant or Tenant's assignees, sublessees, licenses and related parties, now, or hereafter, located on or affixed to the Property or any portion thereof and Mortgagee hereby agrees that same do not constitute realty regardless of the manner in which same are attached or affixed to the Property.

6. This Agreement will be binding upon and will extend to and benefit the successors and assigns of the parties hereto and to any assignees or Subtenants of Tenant which are permitted under the Lease. The term "Mortgagee", when used in this Agreement will be deemed to include any person or entity which acquires title to or the right to possession of the Premises by, through or under Mortgagee and/or the Mortgage, whether directly or indirectly.

PUBLIC SAFETY INFRASTRUCTURE GROUND LEASE AGREEMENT

THIS PUBLIC SAFETY INFRASTRUCTURE GROUND LEASE AGREEMENT (“**Agreement**”), dated as of the later of the signature dates below (the “**Effective Date**”), is entered into by and between Central Pierce Fire & Rescue, a special purpose district (“**Landlord**”), and Public Safety Towers, LLC, a Delaware Limited Liability Company (“**Tenant**”) (collectively referred to as the “**Parties**”).

RECITALS

WHEREAS, Landlord is the legal owner of the Parcel, located at 1410 Brookdale Road East, in the County of Pierce, State of Washington, Tax Parcel No 0319151051, (collectively, the “**Parcel**”), as described in **Exhibit A – Parcel Description** with the full right, power, and authority to enter into this Agreement and to grant all consents and authorizations required in connection with the execution of this Agreement; and

WHEREAS, Tenant’s mission is to support the deployment of public safety focused infrastructure through the enablement of commercial networks;

WHEREAS, Landlord desires to grant to Tenant the right to use a portion of the Parcel in accordance with this Agreement;

WHEREAS, Tenant desires to lease a certain portion of the Parcel for the placement of a Facility (as defined in Section 2.1) in accordance with the terms of this Agreement; and

WHEREAS, in exchange for a reduction in Rent to Tenant hereunder, Tenant and Landlord plan to contemporaneously with this Agreement enter into a Tower Site Colocation Agreement which will govern the placement of certain telecommunications equipment by Landlord on the Facility to be constructed by Tenant as described herein to be located on the Premises (“**Colocation Agreement**”).

NOW, THEREFORE, in consideration of the mutual agreements contained herein, and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

PREMISES.

- 1.1. **General.** Landlord agrees to lease to Tenant, and Tenant agrees to lease from Landlord, a certain portion of the Parcel containing approximately 1,225 square feet with approximate dimensions of 35’ x 35’, including the air space above such ground space (the “**Premises**”), as described in **Exhibit B – Site Plan**, for the placement of a Facility (as defined in Section 2.1) in accordance with the terms of this Agreement. Tenant’s rights hereunder shall also include a right and easement to access thereto and utilities, as described in Section 6 (Access) and Section 10 (Utilities) below, which shall be appurtenant to Tenant’s leasehold rights hereunder, together with other appurtenant rights to the Premises. Within thirty (30) days after execution of the Agreement, the parties shall mutually agree on a final location for the Premises within the Parcel and the construction of the Facility, which location will be depicted in Exhibit B by an amendment to this Agreement. If the parties are unable to come to agreement on the final

location of the Premises, then either party may terminate the Agreement, along with the Colocation Agreement, without liability. Once a final location has been agreed, Tenant shall have the right to survey the Premises and supplement **Exhibit B – Site Plan** with the legal description of the Premises, as may be expanded pursuant to this Agreement. Landlord and Tenant agree that any portion of the Facility that may be conceptually described in **Exhibit B – Site Plan** shall not be deemed to limit Tenant’s Permitted Use.

- 1.2. **Additional Premises.** In the event Tenant desires to modify or upgrade the Facility (as defined in Section 2.1) in a manner that requires an additional portion of the Parcel (the “**Additional Premises**”), Tenant shall provide Landlord with a site plan depicting the Additional Premises for Landlord’s approval, which approval shall not be unreasonably withheld, conditioned, or delayed. Provided the Parties determine a mutually agreeable location for the Additional Premises, Landlord agrees to lease to Tenant the Additional Premises upon mutually agreeable terms and conditions consistent with the terms and intent of this Agreement. Landlord and Tenant shall execute an amendment to this Agreement to memorialize the inclusion of the Additional Premises.

PERMITTED USE.

- 2.1. **General.** Tenant may use the Premises for the transmission and reception of communications signals and for utilities, and the installation, construction, maintenance, operation, repair, replacement and upgrade of fixtures and related equipment, cables, accessories and improvements, which may include a suitable support structure, associated antennas, equipment shelters or cabinets, generators, panels, fencing and any other items necessary or desirable in connection therewith (collectively, the “Facility”), as well as the rights detailed in this Agreement and other uses reasonably related thereto or permitted by law (the “Permitted Use”). To the extent the Agreement is terminated as permitted herein, except for any underground utilities and foundations, and subject to Section 7.7, Tenant shall restore, at its sole cost, the Premises to a reasonably similar condition as existed prior to the Effective Date of the Lease, reasonable wear and tear, casualty damages, and damage from the elements excepted.
- 2.2. **Due Diligence.** Tenant and its agents, representatives, employees, permittees, consultants, engineers, contractors, and subcontractors (collectively, “**Tenant’s Agents**”) have the right to inspect, examine, and conduct geological or engineering tests, including but not limited to, soil borings, drainage testing, material sampling, radio frequency testing, and other studies of the Parcel (collectively, the “**Tests**”), to determine the feasibility or suitability of the Parcel for Tenant’s intended use as a Facility, all at Tenant’s cost and expense. Further, Tenant has the right to apply for and obtain licenses, permits, or required approvals, as deemed necessary or appropriate at Tenant’s sole discretion for its use of the Premises, throughout the Term of the Agreement, including, without limitation, applications for zoning approvals, zoning variances, zoning ordinances, special use permits, construction or building permits, and certificates and licenses and approvals necessary to comply with all applicable laws, rules, statutes and regulations, relating to Tenant’s use of the Facility (collectively, the “**Government Approvals**”), and initiate the ordering and/or scheduling of necessary utilities, and otherwise to do those things on or off the Parcel that are necessary, at Tenant’s sole discretion, to determine the physical condition of the Parcel, the environmental history of the Parcel, Landlord’s title to the Parcel, all at Tenant’s cost and expense. Tenant further has the right to

obtain a title report or commitment for a leasehold title policy from a title insurance company of its choice and to have the Parcel surveyed by a licensed surveyor of Tenant's choice. Landlord hereby agrees to provide any environmental studies, prior-obtained Government Approvals, relevant survey information, and any other information pertinent to Tenant's unencumbered and approved use of the Parcel and the Premises. Tenant shall not be liable to the Landlord or any third party on account of any pre-existing defect or condition on or with respect to the Parcel, whether or not such defect or condition is disclosed by Tenant's inspections. Landlord agrees to help reasonably facilitate Tenant's receipt of all Government Approvals and to reasonably cooperate with Tenant in connection with obtaining, and maintaining in effect all Government Approvals, title insurance, and any other rights Tenant may reasonably require in connection with Tenant's Permitted Use. This paragraph does not obligate Landlord's land use commissions or City Council to vote any particular way on applications. This paragraph does not require staff members reviewing permit applications to grant the permit application if the application does not meet applicable requirements.

- 2.3. **Staging.** For a period of one hundred fifty (150) days following the start of construction, and thereafter, as needed for maintenance, operation, repair, replacement and upgrade of the Facility, Landlord grants Tenant, Tenant's Agents, its subtenants, sublessees, Tenants and subtenants (collectively, the "**Subtenants**"), the right to use approximately 500 square feet of the Landlord's Parcel, adjoining, or surrounding property (the "**Surrounding Property**"), as may reasonably be required during construction and installation of the Facility ("**Staging Area**"), The location of the Staging Area shall be as mutually agreed once the parties have agreed on a final site location within the Parcel for the Facility in accordance with Section 1.1.
- 2.4. **Modifications.** Tenant has the right to modify, supplement, replace, and upgrade the Facility within the Premises at any time during the Term, at Tenant's sole discretion, and Tenant shall also have the right to make such alterations to the Premises in connection therewith.
- 2.5. **Nuisance.** Tenant will not use the Premises in a manner which will cause a legal nuisance to Landlord or to the occupancy of Landlord's other tenants or cause a breach of this Agreement. In any event, Tenant's installation, use, and maintenance of the Facility and any other use of the Premises shall not interfere with, compromise or damage the Parcel, or any portion thereof. Notwithstanding the foregoing, Landlord agrees that the Permitted Use shall not constitute a nuisance hereunder.
- 2.6. **Safety.** Tenant and its contractors shall take all reasonably necessary safety precautions pertaining to its use of the Premises and Parcel in compliance with applicable laws, ordinances, regulations and orders issued by a public authority, whether federal, state, local or other, OSHA (Federal Occupational Safety and Health Administration) / DOSH (Washington State Division of Occupational Safety and Health) / WISHA (Washington Industrial Safety and Health Act). Tenant shall at all times be responsible for providing a safe site and be responsible for the work performance and safety of all employees, personnel, equipment and materials within Tenant's or its contractors' care, custody or control. Tenant and its contractors shall ensure all of their employees and contractors' employees have and wear personal protective equipment in compliance with applicable OSHA/DOSH/WISHA requirements.

TERM.

- 3.1. **Initial Term.** The initial term of this Agreement shall be for twenty-five (25) years (the “**Initial Term**”) and commence upon the Effective Date.
- 3.2. **Extension Terms.** This Agreement shall automatically renew for two (2) additional ten (10) year terms (each additional ten (10) year term shall be defined as an “**Extension Term**”), upon the same terms and conditions set forth herein, unless the Agreement has been terminated pursuant to Section 7 (Termination), or the either Party notifies the Other Party in writing of its intention not to renew this Agreement at least ninety (90) days prior to the expiration of the Initial Term or the then-existing Extension Term.
- 3.3. **Annual Terms.** At the conclusion of the Initial Term and all Extension Terms, this Agreement shall continue in force upon the same covenants, terms and conditions for a further term of one (1) year, and for annual terms thereafter (each additional one (1) year term shall be defined as an “**Annual Term**”) until the Agreement has been terminated pursuant to Section 7 (Termination) or terminated by either party hereto by giving to the other party hereto written notice of its intention to so terminate at least six (6) months prior to the end of the then-existing Annual Term, whichever occurs first.
- 3.4. **Holdover Terms.** If Tenant remains in possession of the Premises after the termination of this Agreement, then Tenant shall be deemed to be occupying the Premises on a month-to-month basis (the “**Holdover Term**”), subject to the terms and conditions of this Agreement.
- 3.5. Section 3.1 (Initial Term), Section 3.2 (Extension Terms), Section 3.3 (Annual Terms), and 3.4 (Holdover Terms) are collectively referred to as the “**Term**”.
- 3.6. The Term of this Agreement shall in no event terminate prior to the term of the Colocation Agreement.

RENT.

- 4.1. **Rent Commencement.** Commencing on the first day of the month following the date that Tenant commenced construction on the Premises (the “**Rent Commencement Date**”), Tenant shall pay Landlord on or before the fifth (5th) day of each calendar month in advance five hundred and No/100 Dollars (\$500.00) (the “**Rent**”), via electronic payment, unless Landlord specifies an alternative means for Rent payments in writing to Tenant. The initial Rent payment will be transmitted by Tenant to Landlord within forty-five (45) days after the Rent Commencement Date. Landlord shall provide to Tenant the account details for electronic payment and a W-9 on or before the Effective Date. The Rent Commencement Date shall be memorialized by notification from Tenant, substantially in the form attached hereto as **Exhibit D – Notification of Rent Commencement Date**, which shall be binding on Landlord unless Landlord notifies Tenant of its objection thereto within seven (7) days of delivery to Landlord.
- 4.2. **Rent Escalator.** On the first anniversary of the Rent Commencement Date, and on each anniversary of the Rent Commencement Date throughout the Term of the Agreement, Rent shall be increased by two percent (2.0%) of the Rent paid during the immediately prior year.

- 4.3. **Rent Proration.** In the event this Agreement is terminated, the Rent will be prorated for any partial month, based on a three hundred sixty-five (365) day year.
- 4.4. **Late Fee.** Rent shall be due on or before the fifth (5th) day of each month in advance and will be delinquent if not paid by the tenth (10th) day of each month of the Term. If payment is not received by Landlord within thirty (30) days of written notice of nonpayment (the “**Late Rent Period**”), Tenant shall pay to Landlord an additional sum of ten percent (10%) of the past due rent as a late fee; provided, however, that no late fees shall be due for the first (1st) time Tenant is late in any single calendar year. Acceptance of any late fee shall not constitute a waiver from exercising any of the other rights and remedies available to Landlord under this Agreement, at law or in equity, including, but not limited to, any interest charges imposed herein.
- 4.5. **Revenue Share.** In the event Tenant sublets or licenses space on the Facility to a third party collocator (“**Collocator**”), Tenant shall remit fifteen percent (15%) of the rent or other fees to use the Facility collected by Tenant from such Collocator (the “**Collocator Rent**”) to the Landlord (the “**Landlord’s Revenue Share**”). Such Landlord’s Revenue Share shall be paid with the next Rent payment due from Tenant that is at least thirty (30) days after receipt of the Collocator Rent by Tenant. Landlord acknowledges and agrees that Landlord’s Revenue Share may or may not be passed through as a cost to Collocator and in the event that Landlord’s Revenue Share is passed through as a cost to Collocator, the same shall not be subject to further revenue sharing or markup payable to Landlord. Tenant shall pay the Landlord’s Revenue Share for each Collocator on the Facility for which Tenant receives Collocator Rent. Tenant’s obligation to pay Landlord’s Revenue Share to Landlords shall expire or abate, as applicable, at such time as the Collocator does not pay Collocator Rent to Tenant, and shall resume, as applicable, if and when the Collocator resumes paying such recurring Collocator Rent and Landlord’s Revenue share shall be prorated for partial periods. The first Collocator paying Collocator Rent will always be considered an Anchor Tenant (“**Anchor Tenant**”). Notwithstanding any possible assignment of conveyance of this Agreement or interest in the Facility by an Anchor Tenant to a third party, in no event will an Anchor Tenant ever be considered or interpreted to be a Collocator under this Section 4.5 for the purpose of payment of Landlord’s Revenue Share.
- 4.6. **Landlord Use of Facility.** Tenant and Landlord plan to contemporaneously with this Agreement enter into a Tower Site Colocation Agreement in a form substantially similar to **Exhibit G - Tower Site Colocation Agreement**, which will govern the placement of certain telecommunications equipment by Landlord on the Facility to be constructed by Tenant as described herein to be located on the Premises.
5. **GOVERNMENT APPROVALS.** Landlord agrees that Tenant’s obligations under this Agreement are contingent upon Tenant’s ability to obtain, maintain, and comply with all Government Approvals. Landlord authorizes Tenant to prepare, execute and file all required applications to obtain Government Approvals for the Permitted Use and agrees to reasonably assist Tenant with such applications and with obtaining and maintaining the Government Approvals.

ACCESS.

- 6.1. **24/7 Access.** At all times throughout the Term of this Agreement, and at no additional charge to Tenant, Tenant, and Tenant’s Agents, shall have a reasonable, non-exclusive right to access

the Premises twenty-four (24) hours per day, seven (7) days per week for pedestrian and vehicular access (the “**Access**”) to and over the Parcel for the installation, maintenance and operation of the Facility and any utilities serving the Premises. Notwithstanding the foregoing, Tenant shall be afforded access to the Premises twenty-four (24) hours per day, seven (7) days per week for the Permitted Use, and such access to the Premises shall be exclusive to Tenant, and require no notice to Landlord. Tenant must give twenty-four (24) hour notice to Landlord prior any access to be made by Tenant to the Parcel (but not the Premises, which requires no prior notice), except in the event of an emergency, in which event Tenant shall provide notice within twenty-four (24) hours following such emergency as described below. Landlord shall have no duty to remove snow during daytime hours Monday – Friday or otherwise maintain the access area located on the Premises, but shall have an obligation for all maintenance on, or generally related to, the Parcel. Tenant may use an unmanned aircraft system, such as a drone for imagery at height, solely in connection with its Permitted Use and for the purpose of obtaining imagery of Tenant’s improvements on the Parcel. In the event any public utility is unable to use the access provided to Tenant, Landlord agrees to grant additional access either to Tenant or to the public utility, for the benefit of Tenant, at no cost to Tenant.

- 6.2. **Emergency.** In the event of an emergency situation which poses an immediate threat of substantial harm or damage to persons and/or property (including the continued operations of the Facility) which requires entry on the Parcel, Tenant may enter the Parcel and take reasonable actions that are required to protect individuals or personal property from the immediate threat of substantial harm or damage; provided that promptly after the emergency entry and in no event later than twenty-four (24) hours thereafter, Tenant gives telephonic and/or written notice to Landlord of Tenant’s entry onto the Parcel. Tenant’s emergency twenty-four (24) hour contact number(s) must be displayed on the outside of all equipment cabinets located at the Parcel or Premises. In the event of an emergency situation which poses an immediate threat of substantial harm or damage to persons and/or property which requires entry to the Parcel, Landlord may enter the Parcel and take the actions that are required to protect individuals or personal property.
- 6.3. **Non-Exclusive Access.** Landlord grants to Tenant a right of access from a public right of way to the Premises, over a portion of the Parcel, in a location identified by Tenant in **Exhibit B – Site Plan**.
- 6.4. **Locks.** Landlord agrees to provide to Tenant such codes, keys and other instruments necessary for such Access at no additional cost to Tenant to provide entry through the Parcel and onto the Premises, as may be applicable now or in the future. Where feasible, Landlord agrees that Tenant has a right to use its own locks on the Parcel for Access to Premises, all at Tenant’s cost and expense, so long as Tenant’s locks do not interfere with Landlord’s use of the Parcel.
- 6.5. **Access Condition.** Landlord shall be responsible for maintaining and repairing the Access to the Premises on the Parcel, including for the clearing of snow provided that snow removal equipment is able to access the Parcel and such clearance takes place during normal working hours Monday-Friday, provided further in the case of an urgent need during non-working hours as communicated by Tenant, the Landlord will use commercially reasonable efforts to arrange for snow removal during such non-working hours. Damages to the Access caused by Tenant's use of such Access is excluded from Landlord’s maintenance obligations hereunder. If Access to the Premises on the Parcel is impaired, Tenant shall notify Landlord of such impairment. Landlord shall cause the impairment to be removed within twenty-four (24) hours or, if removal

of the impairment is not practical within twenty-four (24) hours, as soon as reasonably practical.

- 6.6. **Default by Uncured Access.** Landlord acknowledges that in the event Tenant cannot obtain Access to the Premises, Tenant shall incur significant damage. If Landlord fails to provide the Access granted by this Section 6 (Access), or reasonable temporary alternate vehicular and pedestrian Access, such failure shall be a default under this Agreement pursuant to Section 17 (Default and Right to Cure).

TERMINATION. This Agreement may be terminated, without penalty or further liability, as follows, which shall operate to terminate, or in the case of Section 7.3 below, assign, any Colocation Agreements between the Parties:

- 7.1. By Tenant, upon written notice to Landlord at any time prior to the commencement of construction.
- 7.2. By Tenant, upon written notice to Landlord at any time during the Term, if Tenant is unable to obtain or maintain any Governmental Approvals, including without limitation any required approvals or the issuance of a license or permit by any agency, board, court or other governmental authority, necessary for the construction or operation of the Facility as now or hereafter intended by Tenant; or if Tenant determines, in its sole discretion that the cost of or delay in obtaining or retaining the same is burdensome or commercially unreasonable; or that the environmental condition of the Premises is unsuitable for Tenant's use, or if Tenant believes that the leasing or continued leasing of the Premises would expose Tenant to undue risks of liability to a government agency or other third party.
- 7.3. By Tenant, upon twelve (12) months prior written notice to Landlord at any time following commencement of construction, for any reason or no reason, provided, however, that Tenant must in connection with such termination right have either assigned its rights and delegated its obligations under the Colocation Agreement such that Landlord's rights thereunder are not materially impacted, or otherwise terminated the Colocation Agreement in accordance with its terms.
- 7.4. By Tenant, upon thirty (30) days prior written notice at any time during the Term, if the Landlord remains in material default after all applicable cure periods in Section 17 (Default and Right to Cure) and in this Agreement.
- 7.5. By Landlord, upon thirty (30) days prior written notice at any time during the Term, if Tenant remains in material default after all applicable cure periods in Section 17 (Default and Right to Cure) and in this Agreement.
- 7.6. Or as otherwise expressly provided for in this Agreement.
- 7.7. Upon such final expiration or termination of this Agreement, the Parties agree to negotiate in good faith regarding the disposition and/or transfer of any Tenant improvements made on the Premises, as well as to help ensure continuity of emergency services during any such transition period.

- 7.8. Notwithstanding any provision of this Lease, this Lease may not be terminated by Tenant when any payment due to the Landlord remains outstanding or past due.

INTERFERENCE.

- 8.1. **General.** For the purposes of this Agreement, “interference” may include, but is not limited to, any use that causes electronic or physical obstruction with Tenant’s Permitted Use.
- 8.2. **Mutual Non-Interference with Frequencies on the Parcel.** Landlord has provided Tenant with a list of radio frequency user(s) and frequencies used on the Parcel as of the Effective Date– **Pre-Existing Frequencies.** Tenant shall keep Landlord reasonably approved of the radio frequencies used on the Facility. Tenant warrants that its use of the Premises will not interfere with the pre-existing radio frequency uses on the Parcel identified by Landlord, as long as the pre-existing radio frequency user(s) operate and continue to operate within their respective frequencies and in accordance with all applicable laws and regulations. Landlord warrants that its use of the Facility as provided under the Colocation agreement will not interfere with the radio frequency uses on the Facility identified by Tenant, as long as such radio frequency user(s) operate and continue to operate within their respective frequencies and in accordance with all applicable laws and regulations. Tenant acknowledges that the Pre-Existing Frequencies are not anticipated to interfere with the radio frequency uses on the Facility. If anything arises after installation of the Facility that in Tenant’s reasonable opinion would result in any interference, the parties shall work together in good faith to eliminate the same. Landlord shall provide prior written notice to Tenant of any expansion or change to such pre-existing uses, but in no event shall such expansion or change interfere with Tenant’s Permitted Use or frequencies. In addition, and without limitation of the foregoing, the Parties agree that any change in frequency usage on either the Facility or the Parcel, respectively, will not in the case of Tenant interfere with Tenant’s Permitted Use or frequencies, and in the case of Landlord, not interfere with the pre-existing frequencies identified by Landlord. In the event any after-installed Tenant's equipment causes such interference, and after Landlord has notified Tenant in writing of such interference, Tenant will immediately take all available steps necessary to correct and eliminate the interference within ten (10) days of such notice, including but not limited to, at Tenant’s option, powering down such equipment and later powering up such equipment for intermittent testing. The Parties acknowledge that there will not be an adequate remedy at law for noncompliance with the provisions of this Paragraph and therefore, either Party shall have the right to equitable remedies, such as, without limitation, injunctive relief and specific performance.
- 8.3. **Landlord’s Non-Interference.** Landlord shall not, nor shall Landlord permit its employees, tenants, Tenants, invitees, agents, or independent contractors, to interfere in any way with the Facility, the operations of Tenant or the rights of Tenant under this Agreement. Landlord shall cause such interference to cease within twenty-four (24) hours, or within a reasonable time frame approved by Tenant in writing, after receipt of notice of interference from Tenant. In the event any such interference does not cease within the aforementioned cure period, then the Parties acknowledge that Tenant will suffer irreparable injury, and therefore, Tenant will have the right, in addition to any other rights that it may have at law or in equity, for Landlord's breach of this Agreement, to elect to enjoin such interference or to immediately terminate this Agreement upon notice to Landlord without a waiver of any other rights or remedies.

8.4. **Future Third-Party Interference.** Landlord agrees not to sell, lease, or use any areas of the Parcel that the Landlord owns or controls, after the Effective Date, or grant any other right to any third party, if the exercise of such grant may in any way adversely affect or interfere with the Facility, Tenant's Permitted Use, or the rights of Tenant under this Agreement. Landlord shall notify Tenant in writing prior to granting any third party the right to install and operate communications equipment on the Parcel. If Tenant observes interference, Tenant may conduct a radio frequency propagation test or other applicable Tests, at Tenant's sole discretion. Landlord shall reimburse Tenant for any costs and expenses of such testing, if the Tests demonstrate interference unacceptable to Tenant, at Tenant's sole determination.

MAINTENANCE. Tenant shall keep and maintain the Premises in good condition, reasonable wear and tear and damage from the elements excepted. Landlord shall maintain and repair the Parcel and access thereto, which is under the control of the Landlord, and all Access areas in good and tenantable condition, subject to reasonable wear and tear and damage from the elements.

UTILITIES.

10.1. **Right to Order and Install Utilities for Permitted Use.** Tenant shall have the right to install, upgrade and maintain utilities, including but not limited to electric power and fiber, and to improve present utilities on the Parcel and the Premises, all at Tenant's cost and expense. Landlord hereby grants to any utility provider an easement, in, on, under and over that portion of the Parcel designated by the Landlord and upon the Premises, associated with Tenant's Permitted Use. Tenant shall have the right to initiate the ordering and/or scheduling of necessary utilities and shall prepare utility applications, and Landlord agrees to reasonably cooperate and execute any required applications for obtaining and maintaining utilities. In the event Tenant is unable to secure timely utilities, Landlord agrees to permit Tenant to install a submeter and connect to Landlord's utility service. In such instance, Tenant shall reimburse Landlord for Tenant's consumption of utilities as measured by the submeter.

10.2. **Tenant's Payment for Utilities Consumed.** Tenant shall be responsible for paying all utility charges for electricity, fiber or any other utility used or consumed by Tenant on the Premises.

10.3. **Interruptions.** Landlord acknowledges that Tenant provides a communication service which requires utility service to operate and must operate twenty-four (24) hours per day, seven (7) days per week. In the event of a utility service interruption, Landlord agrees to allow Tenant and Tenant's Subtenants the right to utilize temporary utility sources until stable utilities are restored; provided, Tenant makes all reasonable efforts to restore the utility to the extent within Tenant's control. In the event the temporary utility sources require use of the Parcel outside the Premises, Tenant may use additional space on the Parcel, at no additional cost to Tenant, subject to Landlord's written approval, approval not to be unreasonably withheld, conditioned, or delayed.

11. **ENVIRONMENTAL.** Landlord and Tenant each agree that they shall not use, generate, store or dispose of any Hazardous Material (as defined in this Section 11) on, under, about or within the Parcel in violation of any law or regulation as may now, or at any time hereafter, be in effect. Should Landlord become aware of any Hazardous Materials contamination, Landlord shall immediately notify Tenant. Landlord and Tenant agree that each shall be responsible for compliance with any and

all applicable governmental laws, rules, statutes, regulations, codes, ordinances, or principles of common law regulating or imposing standards of liability or standards of conduct with regard to protection of the environment or worker health and safety, as may now or at any time hereafter be in effect, to the extent such apply to that party's activity conducted in or on the Parcel. As used herein, "**Hazardous Materials**" shall mean hazardous substances, including asbestos-containing materials and lead paint, petroleum, and any substance, chemical or waste identified as hazardous, toxic, or dangerous in any applicable federal, state or local law or regulation.

12. **SUBLEASE.** Tenant shall have the right to sublease or license any portion of the Premises and its rights herein, in whole or in part, to a third-party whose use is consistent with the Permitted Use at Tenant's sole discretion and without Landlord's consent.
13. **ASSIGNMENT.** Upon notice to and approval by Landlord, such approval not to be unreasonably withheld, conditioned or delayed, Tenant has the right to assign this Agreement and its rights herein, to a third-party, provided however, that Tenant may assign this Agreement and delegate all of its obligations herein at Tenant's sole discretion and without Landlord's consent in the case of an assignment resulting from a change in control of Tenant, whether by reorganization, merger, sale of substantially all of its assets or equity, operation of law or otherwise, and in the case of an assignment to New Cingular Wireless PCS, LLC. Notwithstanding the foregoing, Landlord may assign this Agreement upon prior written notice to Tenant and subject to providing all information as set forth in Section 23, and without the Tenant's prior written consent to any other municipal government with which Landlord consolidates by annexation, merger, formation of a regional fire authority, contract, or otherwise, provided however, in such case, and prior to completion of the assignment, the Parties shall reasonably determine in good faith whether any changes are necessary either to this Agreement or the Colocation Agreement resulting from such assignment, and effectuate any such change contemporaneously with such assignment. Tenant shall be relieved of all future performance, liabilities, and obligations under this Agreement upon such assignment and assumption of obligations by the assignee.
14. **INSURANCE.** Tenant shall provide Commercial General Liability Insurance with a limit of Two Million Dollars (\$2,000,000.00) per occurrence and in the aggregate, written on ISO form CG 00 01 or its equivalent and from a reputable insurance company authorized to do business where the Premises is located, with Landlord included as an additional insured. Certificates evidencing such insurance shall be furnished to Landlord upon execution of this Agreement. Tenant may satisfy this requirement by obtaining the appropriate endorsement to any master policy of liability insurance Tenant may maintain. Tenant shall self-insure or maintain its own policy of property insurance for its Facility. Landlord and Tenant hereby releases Landlord (and its successors or assigns) from liability and waives all right of recovery against the other for any loss or damage covered by their respective first party property insurance policies for all perils insured thereunder. In the event of such insured loss, insurance company shall have a subrogated claim against the other.
15. **INDEMNIFICATION.**
 - 15.1. **Tenant Indemnification.** Tenant agrees to indemnify, defend and hold Landlord harmless from and against any and all injury, loss, damage or liability, costs or expenses in connection with a third party claim (including reasonable attorneys' fees and court costs) related to the installation, use, maintenance, repair or removal of the Facility or Tenant's breach of any

provision of this Agreement, except to the extent attributable to the negligent or intentional act or omission of Landlord, its employees, invitees, agents or independent contractors.

FOR PURPOSES OF THE FOREGOING INDEMNIFICATION PROVISION ONLY, AND ONLY TO THE EXTENT OF CLAIMS AGAINST TENANT BY LANDLOR UNDER SUCH INDEMNIFICATION PROVISION, TENANT SPECIFICALLY WAIVES ANY IMMUNITY IT MAY BE GRANTED UNDER THE WASHINGTON STATE INDUSTRIAL INSURANCE ACT, TITLE 51 RCW. THE INDEMNIFICATION OBLIGATION UNDER THIS AGREEMENT SHALL NOT BE LIMITED IN ANY WAY BY ANY LIMITATION ON THE AMOUNT OR TYPE OF DAMAGES, COMPENSATION OR BENEFITS PAYABLE TO OR FOR ANY THIRD PARTY UNDER WORKERS' COMPENSATION ACTS, DISABILITY BENEFIT ACTS, OR OTHER EMPLOYEE BENEFIT ACTS.

The foregoing provision was specifically negotiated and agreed upon by the parties hereto.

- 15.2. **Landlord Indemnification.** To the extent permitted by law, Landlord agrees to indemnify, defend and hold Tenant harmless from and against any and all injury, loss, damage or liability, costs or expenses in connection with a third party claim (including reasonable attorneys' fees and court costs) arising from the negligence or willful misconduct of Landlord, its employees, invitees, agents or independent contractors, or the condition of the Parcel caused by Landlord's breach of any provision of this Agreement, except to the extent attributable to the negligent or intentional act or omission of Tenant, its employees, agents or independent contractors
- 15.3. **Indemnification Protocols.** The indemnified party shall: (i) promptly provide the indemnifying party with written notice of any claim, demand, lawsuit, or the like for which it seeks indemnification pursuant to this Section 15 (Indemnification) and provide the indemnifying party with copies of any demands, notices, summonses, or legal papers received in connection with such claim, demand, lawsuit, or the like; (ii) not settle any such claim, demand, lawsuit, or the like without the prior written consent of the indemnifying party; and (ii) fully cooperate with the indemnifying party in the defense of the claim, demand, lawsuit, or the like. A delay in notice shall not relieve the indemnifying party of its indemnity obligation, except (1) to the extent the indemnifying party can show it was prejudiced by the delay; and (2) the indemnifying party shall not be liable for any settlement or litigation expenses incurred before the time when notice is given.

16. WARRANTIES.

- 16.1. **General.** Tenant and Landlord acknowledge and represent to each other that it is duly organized, validly existing and in good standing and has the right, power, and authority or capacity, as applicable, to enter into this Agreement and bind itself hereto through the party or individual set forth as signatory for the party below.
- 16.2. **Landlord Warranties.** Except for as expressly provided herein, Tenant agrees to take the Premises in strictly "AS IS, WHERE IS" condition with all faults and conditions, known or unknown, and releases Landlord from any liability in connection therewith, including without limitation any warranties of fitness for a particular purpose. Landlord represents, warrants and agrees that: (i) Landlord solely owns the Parcel as a legal lot in fee simple; (ii) the Parcel is not and will not be encumbered by any liens, restrictions, mortgages, covenants, conditions,

easements, leases, or any other agreements of record or not of record, which would adversely affect Tenant's Permitted Use and enjoyment of the Premises under this Agreement; (iii) the Parcel is free of Hazardous Materials, except as disclosed on **Exhibit D – Disclosures of Hazardous Materials**, and has never been subject to any contamination or hazardous conditions resulting in any environmental investigation, inquiry or remediation, (iv) there exist no underground tanks on the Parcel; and (v) Landlord's execution and performance of this Agreement will not violate any laws, ordinances, covenants or the provisions of any mortgage, lease or other agreement binding on Landlord.

- 16.3. **Tenant's Warranties.** Tenant's Use will not materially or adversely interfere with Landlord's existing use of the Parcel as of the Effective Date.
- 16.4. **Quiet Enjoyment.** Landlord grants to Tenant sole, actual, quiet and peaceful use, enjoyment and possession of the Premises and leasehold estate created by and in accordance with the terms of this Agreement without hindrance or ejection by any persons.
- 16.5. **Landlord's Liens.** In addition to all other remedies available to Tenant, Landlord will promptly pay when due all liens and monetary encumbrances against the Parcel. If the Parcel is or becomes encumbered by a deed to secure a debt, mortgage or other security interest, then Landlord will provide promptly to Tenant a mutually agreeable subordination, non-disturbance and attornment agreement executed by Landlord and the holder of such security interest substantially in the form attached hereto as **Exhibit E – Subordination, Non-Disturbance and Attornment Agreement**, or in the mortgagee's standard form.

17. DEFAULT AND RIGHT TO CURE.

- 17.1. **Tenant Default.** The following will be deemed a default by Tenant and a breach of this Agreement: Tenant's failure to perform any term or condition under this Agreement within forty-five (45) days of written notice from Landlord specifying the failure. No such failure, however, will be deemed to exist if Tenant has commenced to cure such default within such period and provided that such efforts are prosecuted to completion with reasonable diligence. If Tenant remains in default beyond any applicable cure period, then Landlord will have the right to (1) pursue a judgment for direct damages against Tenant, and/or (2) to pursue specific performance, injunction, or declaratory judgment, (3) to terminate this Agreement pursuant to Section 7.5 (Termination), and/or (4) any and all other rights available to it under law and equity. In no event shall Tenant be liable for consequential, punitive, incidental or special damages, however caused, based on any theory of liability.
- 17.2. **Landlord Default.** The following will be deemed a default by Landlord and a breach of this Agreement: (i) Landlord's failure to provide Access to the Premises as required by Section 6 (Access) within twenty-four (24) hours after written notice of such failure; (ii) Landlord's failure to cure an interference problem as required by Section 8 (Interference) within twenty-four (24) hours after written notice of such failure; or (iii) Landlord's failure to perform any term or condition, or Landlord's breach of any warranty or covenant, under this Agreement for more than forty-five (45) days after written notice from Tenant specifying the failure. No such failure, however, will be deemed to exist if Landlord has commenced to cure the default within such period and provided such efforts are prosecuted to completion with reasonable diligence. Notwithstanding the foregoing, in regard to (iii) only, if any Landlord

default affects Tenant's operations on the Premises, then such cure period shall be shortened to ten (10) days, and Tenant shall have the right, but not the obligation, to take reasonable self-help actions to effect a cure during such cure period, at Landlord's cost. In addition, in the case of any breach of any provision of this Agreement by Landlord, and such breach results in costs or damages to Tenant relating to its operation of the Facility or use of the Premises, then notwithstanding any cure by Landlord, Landlord shall be responsible for any such costs or damages incurred by Tenant. If Landlord remains in default beyond any applicable cure period, Tenant will have: (1) the right to cure Landlord's default and to collect such amounts from Landlord and/or (2) right to terminate this Agreement pursuant to Section 7.4 (Termination), and/or (3) any and all other rights available to it under law and equity. In no event shall Landlord be liable for consequential, punitive, incidental or special damages, however caused, based on any theory of liability, provided however, that any third-party damages covered by indemnity or otherwise recoverable under this Agreement shall not be deemed excluded by this clause.

19. CONDEMNATION. In the event Landlord receives notification of any threatened or pending condemnation proceedings affecting the Parcel, Landlord will provide notice thereof to Tenant within twenty-four (24) hours. If a condemning authority takes all of the Parcel, or a portion sufficient, in Tenant's sole determination, to render the Premises unsuitable for Tenant, this Agreement will terminate as of the date the title vests in the condemning authority, provided, however that Tenant may terminate the Lease earlier upon not less than thirty (30) days' notice to Landlord, after Tenant becomes aware of such threatened or pending proceedings. The Parties will each be entitled to pursue their own separate awards in the condemnation proceeds, which for Tenant will include but not be limited to, where applicable, the value of its Facility and leasehold rights hereunder, moving expenses, and business dislocation expenses. Landlord shall immediately refund to Tenant any prepaid Rent on a *pro rata* basis.

20. CASUALTY.

20.1. **Notice.** Landlord will provide notice to Tenant of any casualty or other harm affecting the Parcel within twenty-four (24) hours of the casualty or other harm.

20.2. **Premises Rendered Unsuitable.** If any part of the Facility or the Parcel is damaged by casualty or other harm as to render the Premises unsuitable, in Tenant's sole determination, then Tenant may terminate this Agreement by providing written notice to Landlord, which termination will be effective as of the date of such casualty or other harm, and Landlord shall reimburse Tenant for any prepaid Rent on a *pro rata* basis to the extent the casualty is due to the negligence or intentional act of Landlord. Tenant's termination of this Agreement under this Section shall not impair Tenant's right, if any, to collect insurance proceeds in connection with the Facility.

20.3. **Premises Rebuilt or Restored.** If Tenant undertakes to rebuild or restore the Premises and/or the Facility, as applicable, Landlord agrees to permit Tenant to place temporary facilities on the Parcel, at a location mutually agreeable to Landlord and Tenant, at no additional Rent until the reconstruction of the Premises and/or the Facility is completed; provided, Tenant makes all reasonable efforts to reconstruct the Facility as soon as reasonably practicable. Landlord agrees that the Rent shall be abated until the Parcel and/or the Premises are rebuilt or restored, unless Tenant places temporary facilities on the Parcel, in which case Rent shall be adjusted as may be necessary or appropriate to account for any reduction in space or operation, or Tenant's increased costs, due to temporary facilities

21. WAIVER OF LANDLORD'S LIENS. Landlord waives any and all lien rights it may have, statutory or otherwise, concerning the Facility or any portion thereof. The Facility shall be deemed personal property for purposes of this Agreement, regardless of whether any portion is deemed real or personal property under applicable law.

OTHER PAYABLE CHARGES. Unless specified otherwise in this Agreement, Tenant shall not be liable for any charges or expenses payable to Landlord in connection with the use of the Premises by Tenant. Further, all amounts permitted to be charged by Landlord under this Agreement shall be billed to Tenant within one (1) year from when the charges were incurred, and in no event shall Tenant be liable for any charges billed to Tenant by Landlord after such period. The provisions of this Section 22 (Other Payable Charges) shall survive the termination or expiration of this Agreement.

23. TRANSFERS OF THE PARCEL OR PREMISES. Subject to the terms of this Agreement and except as provided in Section 25 (Anti-Piracy / Partial Transfers) below, Landlord may sell or otherwise transfer the Parcel or a portion thereof to a third party, provided: (i) the sale is made subject to the terms of this Agreement; and (ii) the transferee agrees to fully assume and perform Landlord's obligations under this Agreement. Within thirty (30) days of such transfer, Landlord or its successor shall send the documents listed below to Tenant:

- i. New deed to Parcel
- ii. Assignment and Assumption Agreement
- iii. Form W-9 for Transferee
- iv. Full contact information for new Landlord including phone number(s)

Until Tenant receives all such documents, Tenant's failure to make payments that may be required under this Agreement shall not be an event of default and Tenant reserves the right to hold payments due under this Agreement. Such transfer shall in no way limit or impair the obligations of Landlord under this Agreement, including interference and access obligations, or affect Tenant's rights under this Agreement. In the event that the transfer occurs by operation of law (i.e., not by deed), such transferee shall provide documentation reasonably acceptable to Tenant to evidence such transfer.

24. CHANGES TO ZONING OR ENCUMBRANCE. Landlord shall not initiate or consent to any change in the zoning of the Premises or the Parcel, or impose or consent to any other use, or encumbrance or restriction that would prevent or limit Tenant from using the Premises or Parcel for the Permitted Use or otherwise impair Tenant's rights hereunder.

25. ANTI-PIRACY/PARTIAL TRANSFERS.

25.1. Landlord agrees that it will not offer to, or accept any offer to, or transfer, convey, assign, lease, or grant an easement for any portion of Landlord's rights under this Agreement or any interest in the Premises or the rents due hereunder, including any "lease buyout" (a "**Partial Transfer**"), other than in connection with a full transfer of the fee interest real estate comprising the Premises as provided herein, together with a full assignment and assumption of Landlord's obligations under this Agreement.

25.2. If Landlord attempts to sell, convey, assign or transfer such property interest in or related to the Premises in violation of this Section 25, the sale, conveyance, assignment or transfer shall be void, and, at Tenant's option, an incurable default by Landlord of this Agreement.

TAXES. Tenant shall pay directly to the applicable Government Entity or to Landlord if Landlord is invoiced by such Government Entity, all taxes, fees, assessments or other charges assessed by any Government Entity against the Facility and/or Tenant's use of the Premises. Tenant shall pay to Landlord or the appropriate taxing authority, when due, any sales, use, ad valorem or other taxes or assessments which are assessed or due by reason of this Agreement or Tenant's use of the Premises or the Parcel. Landlord will be responsible for payment of all the real property taxes, except Tenant shall pay any increase in real estate taxes levied against the Premises directly attributable to this Agreement and/or Tenant's use of this Premises. Tenant will pay to Landlord the foregoing amounts within thirty (30) days after written demand thereof by

Landlord accompanied by copies of each tax bill, service bill and/or assessment notice, along with the prior year's bill and a reasonable determination. Landlord represents and warrants that if Tenant pays Landlord for any such taxes, it shall timely remit the same to the applicable Government Entity and shall indemnify, defend and hold Tenant harmless from any claims by such Government Entity relating to the same.

27. **AMENDMENT AND WAIVER.** This Agreement cannot be amended, modified, or revised unless done in writing and signed by Landlord and Tenant. No provision may be waived except in writing signed by the waiving party. The failure by a party to enforce any provision of this Agreement or to require performance by the other party will not be construed to be a waiver, or in any way affect the right of either party to enforce such provision thereafter.
28. **MEMORANDUM OF LEASE.** At the request of the Tenant, the Parties will execute a recordable Memorandum of Lease substantially in the form attached hereto as **Exhibit F – Memorandum of Lease**. Either party may record this Memorandum of Lease at any time during the Term, in its absolute discretion. Tenant may record an amendment thereof to update such Memorandum to incorporate any expansion of the Premises or additional easements granted in connection with the Premises, and Landlord will reasonably cooperate in connection therewith.
29. **COMPLIANCE WITH LAW.** Tenant agrees to comply with all federal, state, and local laws, orders, rules and regulations (the “**Laws**”) applicable to Tenant’s use of the Facility on the Parcel. Landlord agrees to comply with all Laws relating to Landlord’s ownership and use of the Parcel and any improvements on the Parcel. Tenant shall, at Tenant’s expense, ensure that the tower structure upon which the Facility is installed complies with all applicable Laws, including, without limitation, all rules and regulations promulgated by the FCC and Federal Aviation Administration (“**FAA**”) with regard to lighting, marking and painting, except where noncompliance is due to Landlord’s negligence or willful misconduct. All installations and operations by Tenant in connection with this Agreement shall meet and comply with all applicable Laws, including, without limitation, all applicable local codes and regulations, and all applicable rules and regulations promulgated by the FCC and FAA.
30. **BIND AND BENEFIT.** The terms and conditions contained in this Agreement will run with the Parcel and bind and inure to the benefit of the Parties, their respective heirs, executors, administrators, successors and assigns.
31. **ENTIRE AGREEMENT.** This Agreement and the exhibits attached hereto, all being a part hereof, along with the Colocation Agreement, constitute the entire agreement of the Parties hereto and will supersede all prior offers, negotiations and agreements with respect to the subject matter of this Agreement. Except as otherwise stated in this Agreement, each party shall bear its own fees, costs and expenses (including the fees, costs and expenses of its agents, brokers, representatives, attorneys, and accountants) incurred in connection with the negotiation, drafting, execution and performance of this Agreement and the transactions it contemplates.
32. **GOVERNING LAW.** This Agreement will be governed by the laws of the State of Washington, and venue of any dispute shall be in the Piere County Superior Court, without regard to conflicts of law.

- 33. INTERPRETATION.** Unless otherwise specified, the following rules of construction and interpretation apply: (i) captions, headings, and subheadings are for convenience and reference only and in no way define or limit the construction of the terms and conditions hereof; (ii) use of the term “including” will be interpreted to mean “including but not limited to”; (iii) the term “day” shall mean calendar day whether or not expressly identified; (iv) whenever a party’s consent is required under this Agreement, except as otherwise stated in the Agreement or as same may be duplicative, such consent will not be unreasonably withheld, conditioned or delayed; (v) exhibits are an integral part of this Agreement and are incorporated by reference into this Agreement; (vi) use of the terms “termination” or “expiration” are interchangeable; (vii) reference to a default will take into consideration any applicable notice, grace and cure periods; (viii) the singular use of words includes the plural where appropriate; (ix) if any provision of this Agreement is held invalid, illegal or unenforceable, the remaining provisions of this Agreement shall remain in full force if the overall purpose of the Agreement is not rendered impossible and the original purpose, intent or consideration is not materially impaired; and (x) rule of construction that a contract be construed against the drafter, if any, shall not be applied in the interpretation and construction of this Agreement.
- 34. AFFILIATES.** Any right of Tenant granted hereunder may be exercised by, at Tenant’s election, any Affiliate of Tenant and any Subtenant or Tenant thereof. “Affiliate” means with respect to a party to this Agreement, any person or entity that (directly or indirectly) controls, is controlled by, or under common control with, that party. “Control” of a person or entity means the power (directly or indirectly) to direct the management or policies of that person or entity, whether through the ownership of voting securities, by contract, by agency or otherwise.
- 35. SURVIVAL.** Any provisions of this Agreement relating to indemnification shall survive the termination or expiration hereof. In addition, any terms and conditions contained in this Agreement that by their sense and context are intended to survive the termination or expiration of this Agreement shall so survive.
- 36. W-9; OWNERSHIP CONFIRMATION.** Landlord agrees to provide Tenant with a completed IRS Form W-9, or its equivalent, upon execution of this Agreement and at such other times as may be reasonably requested by Tenant, including any change in Landlord’s name or address. In the event of any transfer of Landlord’s interest in the Parcel or this Agreement, by operation of law or otherwise, Tenant shall be provided reasonable evidence of such successor interest and Tenant shall have the right to withhold payment unless or until such evidence is provided and be reimbursed for Tenant’s costs in confirming such successor interests, including, without limitation, any estate or personal representative, foreclosure, and bankruptcy matters.
- 37. EXECUTION.** This Agreement may be executed in several counterparts and the counterparts shall constitute but one and the same instrument. The execution of this Agreement by electronic mail or by any other electronic means shall be deemed to constitute effective execution of this Agreement as to the Parties hereto, provided, however, that upon request by the other party, an original, wet-signed signature shall be provided thereafter.
- 38. ATTORNEYS’ FEES.** In the event that any dispute between the Parties related to this Agreement should result in litigation, at trial and on any appeal or petition for review, the prevailing party in such litigation shall be entitled to recover from the other party all reasonable fees, costs and expenses of enforcing any right of the prevailing party, including reasonable attorneys’ fees, costs and expenses. Prevailing party means the party determined by the court to have most nearly prevailed

even if such party did not prevail in all matters. This provision will not be construed to entitle any party other than Landlord, Tenant, and their respective Affiliates to recover their fees and expenses.

39. **WAIVER OF JURY TRIAL.** EACH PARTY, TO THE EXTENT PERMITTED BY LAW, KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVES ITS RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING UNDER ANY THEORY OF LIABILITY ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS AGREEMENT OR THE TRANSACTIONS IT CONTEMPLATES.
40. **INCIDENTAL FEES.** Unless specified in this Agreement, no unilateral fees or additional costs or expenses are to be applied by either party to the other party, including review of plans, structural analyses, consents, provision of documents or other communications between the Parties.
41. **FURTHER ACTS.** Upon request, Landlord will cause to be promptly and duly taken, executed, acknowledged, and delivered all such further acts, documents, and assurances as Tenant may request from time to time to effectuate, carry out and perform all of the terms, provisions and conditions of this Agreement and all transactions and permitted use contemplated by this Agreement.
42. **CONFIDENTIALITY.** Subject to customary exceptions, including to the extent disclosure is required under law or regulation, including that of Public Records Act, Chapter 42.56 RCW, an applicable securities exchange, or valid court order, Landlord will maintain in confidence all information relating to Tenant's proposed tenancy and development of the Premises, including but not limited to, the terms of the letter of intent between the Parties and this Agreement, and will not disclose such information to any other party without written consent. Such confidential information may be released to Landlord's successors, employees, partners, consultants, attorneys, accountants, tax advisors, insurers, insurance agents, financial sources, property managers, and lenders who have a reasonable need for such confidential information.
43. **FORCE MAJEURE.** In the event that Tenant shall be delayed or hindered in, or prevented from, the performance of any work, service, or other act required under this Agreement to be performed by Tenant and such delay or hindrance is due to strikes, lockouts, acts of God, governmental restrictions, enemy act, civil riots or commotion, an act of war, domestic and/or international terrorism, quarantines, embargoes, pandemics, epidemics, local disease outbreaks, public health emergencies, unavoidable fire or other casualty, or other causes beyond the control of Tenant, then performance of such work, service, or other act shall be excused for the period of such delay and the period for the performance of such work, service, or other act shall be extended for a period equivalent to the period of such delay.
44. **CERTIFICATE.** Landlord will, within sixty (60) days after notice from Tenant, execute, acknowledge, and deliver to Tenant a certificate certifying whether or not this Agreement is in full force and effect; whether there are any modifications or alleged breaches by Landlord; the dates to which rent has been paid in advance; and any other facts that may reasonably be requested. The information in such certificate may be relied upon by any assignee, Subtenant, or any successor to Tenant and any of their respective lenders. Failure to deliver the certificate within the specified time shall be conclusive upon Landlord that the Agreement is in full force and effect and has not been modified except as may be represented by Tenant.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed as of the last signature date below.

RECITALS:

- A. Tenant has entered into a certain Ground Lease Agreement dated [Insert Effective Date], (the “**Lease**”) with Landlord, covering property more fully described in **Exhibit 1** attached hereto and made a part hereof (the “**Premises**”); and

- C. The Mortgage on the Property is in the original principal sum of [Spell Out Dollar Amount] (\$XXX) Dollars, which Mortgage has been recorded in the appropriate public office in and for [Insert County] County, [Insert State] as Recording No. _____; and
- D. Tenant desires to be assured of continued occupancy of the Premises under the terms of the Lease and subject to the terms of this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements herein contained, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

1. So long as this Agreement will remain in full force and effect, the Lease is and will be subject and subordinate to the lien and effect of the Mortgage insofar as it affects the real property of which the Premises forms a part (but not Tenant’s fixtures or other property), and to all renewals, modifications, consolidations, replacements and extensions thereof, to the full extent of the principal sum secured thereby and interest thereon, with the same force and effect as if the Mortgage had been executed, delivered, and duly recorded among the above-mentioned public records, prior to the execution and delivery of the Lease.

2. In the event Mortgagee takes possession of the Premises as mortgagee-in-possession, including but not limited to, by deed in lieu of foreclosure or foreclosure of the Mortgage, Mortgagee agrees not to affect or disturb Tenant’s right to possession of the Premises and any of Tenant’s other rights under the Lease in the exercise of Mortgagee’s rights so long as Tenant is not then in default, after applicable notice and/or grace periods, under any of the terms, covenants, or conditions of the Lease.

3. In the event that Mortgagee succeeds to the interest of Landlord or other landlord under the Lease and/or to title to the Premises, Mortgagee and Tenant hereby agree to be bound to one another under all of the terms, covenants and conditions of the Lease; accordingly, from and after such event, Mortgagee and Tenant will have the same remedies against one another for the breach of an agreement contained in the Lease as Tenant and Landlord had before Mortgagee succeeded to the interest of Landlord.

4. In the event that Mortgagee or anyone else acquires title to or the right to possession of the Premises upon the foreclosure of the Mortgage, or upon the sale of the Premises by Mortgagee or its successors or assigns after foreclosure or acquisition of title in lieu thereof or otherwise, Tenant agrees not to seek to terminate the Lease by reason thereof, but will remain bound unto the new owner so long as the new owner is bound to Tenant under all of the terms, covenants and conditions of the Lease.

5. Mortgagee understands, acknowledges, and agrees that notwithstanding anything to the contrary contained in the Mortgage and/or any related financing documents, including, without limitation, any UCC-1 financing statements, Mortgagee will acquire no interest in any equipment, fixtures and/or other property installed by or on behalf of Tenant or its related parties on the Property. Mortgagee hereby expressly waives any interest which Mortgagee may have or acquire with respect to such equipment, fixtures and/or other property of Tenant or Tenant's assignees, sublessees, licenses and related parties, now, or hereafter, located on or affixed to the Property or any portion thereof and Mortgagee hereby agrees that same do not constitute realty regardless of the manner in which same are attached or affixed to the Property.

6. This Agreement will be binding upon and will extend to and benefit the successors and assigns of the parties hereto and to any assignees or Subtenants of Tenant which are permitted under the Lease. The term "Mortgagee", when used in this Agreement will be deemed to include any person or entity which acquires title to or the right to possession of the Premises by, through or under Mortgagee and/or the Mortgage, whether directly or indirectly.

PUBLIC SAFETY INFRASTRUCTURE GROUND LEASE AGREEMENT

THIS PUBLIC SAFETY INFRASTRUCTURE GROUND LEASE AGREEMENT (“**Agreement**”), dated as of the later of the signature dates below (the “**Effective Date**”), is entered into by and between Pierce County Fire Protection District No. 18 d/b/a Orting Valley Fire & Rescue, a special purpose district (“**Landlord**”), and Public Safety Towers, LLC, a Delaware Limited Liability Company (“**Tenant**”) (collectively referred to as the “**Parties**”).

RECITALS

WHEREAS, Landlord is the legal owner of the Parcel, located at 19503 150th Avenue East, in the County of Pierce, State of Washington, Tax Parcel No 0418011002, (collectively, the “**Parcel**”), as described in **Exhibit A – Parcel Description** with the full right, power, and authority to enter into this Agreement and to grant all consents and authorizations required in connection with the execution of this Agreement; and

WHEREAS, Tenant’s mission is to support the deployment of public safety focused infrastructure through the enablement of commercial networks;

WHEREAS, Landlord desires to grant to Tenant the right to use a portion of the Parcel in accordance with this Agreement;

WHEREAS, Tenant desires to lease a certain portion of the Parcel for the placement of a Facility (as defined in Section 2.1) in accordance with the terms of this Agreement; and

WHEREAS, in exchange for a reduction in Rent to Tenant hereunder, Tenant and Landlord plan to contemporaneously with this Agreement enter into a Tower Site Colocation Agreement which will govern the placement of certain telecommunications equipment by Landlord on the Facility to be constructed by Tenant as described herein to be located on the Premises (“**Colocation Agreement**”).

NOW, THEREFORE, in consideration of the mutual agreements contained herein, and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

PREMISES.

- 1.1. **General.** Landlord agrees to lease to Tenant, and Tenant agrees to lease from Landlord, a certain portion of the Parcel containing approximately 1,225 square feet with approximate dimensions of 35’ x 35’, including the air space above such ground space (the “**Premises**”), as described in **Exhibit B – Site Plan**, for the placement of a Facility (as defined in Section 2.1) in accordance with the terms of this Agreement. Tenant’s rights hereunder shall also include a right and easement to access thereto and utilities, as described in Section 6 (Access) and Section 10 (Utilities) below, which shall be appurtenant to Tenant’s leasehold rights hereunder, together with other appurtenant rights to the Premises. Within thirty (30) days after execution of the Agreement, the parties shall mutually agree on a final location for the Premises within the Parcel and the construction of the Facility, which location will be depicted in Exhibit B by

an amendment to this Agreement. If the parties are unable to come to agreement on the final location of the Premises, then either party may terminate the Agreement, along with the Colocation Agreement, without liability. Once a final location has been agreed, Tenant shall have the right to survey the Premises and supplement **Exhibit B – Site Plan** with the legal description of the Premises, as may be expanded pursuant to this Agreement. Landlord and Tenant agree that any portion of the Facility that may be conceptually described in **Exhibit B – Site Plan** shall not be deemed to limit Tenant’s Permitted Use.

- 1.2. **Additional Premises.** In the event Tenant desires to modify or upgrade the Facility (as defined in Section 2.1) in a manner that requires an additional portion of the Parcel (the “**Additional Premises**”), Tenant shall provide Landlord with a site plan depicting the Additional Premises for Landlord’s approval, which approval shall not be unreasonably withheld, conditioned, or delayed. Provided the Parties determine a mutually agreeable location for the Additional Premises, Landlord agrees to lease to Tenant the Additional Premises upon mutually agreeable terms and conditions consistent with the terms and intent of this Agreement. Landlord and Tenant shall execute an amendment to this Agreement to memorialize the inclusion of the Additional Premises.

PERMITTED USE.

- 2.1. **General.** Tenant may use the Premises for the transmission and reception of communications signals and for utilities, and the installation, construction, maintenance, operation, repair, replacement and upgrade of fixtures and related equipment, cables, accessories and improvements, which may include a suitable support structure, associated antennas, equipment shelters or cabinets, generators, panels, fencing and any other items necessary or desirable in connection therewith (collectively, the “Facility”), as well as the rights detailed in this Agreement and other uses reasonably related thereto or permitted by law (the “Permitted Use”). To the extent the Agreement is terminated as permitted herein, except for any underground utilities and foundations, and subject to Section 7.7, Tenant shall restore, at its sole cost, the Premises to a reasonably similar condition as existed prior to the Effective Date of the Lease, reasonable wear and tear, casualty damages, and damage from the elements excepted.
- 2.2. **Due Diligence.** Tenant and its agents, representatives, employees, permittees, consultants, engineers, contractors, and subcontractors (collectively, “**Tenant’s Agents**”) have the right to inspect, examine, and conduct geological or engineering tests, including but not limited to, soil borings, drainage testing, material sampling, radio frequency testing, and other studies of the Parcel (collectively, the “**Tests**”), to determine the feasibility or suitability of the Parcel for Tenant’s intended use as a Facility, all at Tenant’s cost and expense. Further, Tenant has the right to apply for and obtain licenses, permits, or required approvals, as deemed necessary or appropriate at Tenant’s sole discretion for its use of the Premises, throughout the Term of the Agreement, including, without limitation, applications for zoning approvals, zoning variances, zoning ordinances, special use permits, construction or building permits, and certificates and licenses and approvals necessary to comply with all applicable laws, rules, statutes and regulations, relating to Tenant’s use of the Facility (collectively, the “**Government Approvals**”), and initiate the ordering and/or scheduling of necessary utilities, and otherwise to do those things on or off the Parcel that are necessary, at Tenant’s sole discretion, to determine the physical condition of the Parcel, the environmental history of the Parcel,

Landlord's title to the Parcel, all at Tenant's cost and expense. Tenant further has the right to obtain a title report or commitment for a leasehold title policy from a title insurance company of its choice and to have the Parcel surveyed by a licensed surveyor of Tenant's choice. Landlord hereby agrees to provide any environmental studies, prior-obtained Government Approvals, relevant survey information, and any other information pertinent to Tenant's unencumbered and approved use of the Parcel and the Premises. Tenant shall not be liable to the Landlord or any third party on account of any pre-existing defect or condition on or with respect to the Parcel, whether or not such defect or condition is disclosed by Tenant's inspections. Landlord agrees to help reasonably facilitate Tenant's receipt of all Government Approvals and to reasonably cooperate with Tenant in connection with obtaining, and maintaining in effect all Government Approvals, title insurance, and any other rights Tenant may reasonably require in connection with Tenant's Permitted Use. This paragraph does not obligate Landlord's land use commissions or City Council to vote any particular way on applications. This paragraph does not require staff members reviewing permit applications to grant the permit application if the application does not meet applicable requirements.

- 2.3. **Staging.** For a period of one hundred fifty (150) days following the start of construction, and thereafter, as needed for maintenance, operation, repair, replacement and upgrade of the Facility, Landlord grants Tenant, Tenant's Agents, its subtenants, sublessees, Tenants and subtenants (collectively, the "**Subtenants**"), the right to use approximately 500 square feet of the Landlord's Parcel, adjoining, or surrounding property (the "**Surrounding Property**"), as may reasonably be required during construction and installation of the Facility ("**Staging Area**"), The location of the Staging Area shall be as mutually agreed once the parties have agreed on a final site location within the Parcel for the Facility in accordance with Section 1.1.
- 2.4. **Modifications.** Tenant has the right to modify, supplement, replace, and upgrade the Facility within the Premises at any time during the Term, at Tenant's sole discretion, and Tenant shall also have the right to make such alterations to the Premises in connection therewith.
- 2.5. **Nuisance.** Tenant will not use the Premises in a manner which will cause a legal nuisance to Landlord or to the occupancy of Landlord's other tenants or cause a breach of this Agreement. In any event, Tenant's installation, use, and maintenance of the Facility and any other use of the Premises shall not interfere with, compromise or damage the Parcel, or any portion thereof. Notwithstanding the foregoing, Landlord agrees that the Permitted Use shall not constitute a nuisance hereunder.
- 2.6. **Safety.** Tenant and its contractors shall take all reasonably necessary safety precautions pertaining to its use of the Premises and Parcel in compliance with applicable laws, ordinances, regulations and orders issued by a public authority, whether federal, state, local or other, OSHA (Federal Occupational Safety and Health Administration) / DOSH (Washington State Division of Occupational Safety and Health) / WISHA (Washington Industrial Safety and Health Act). Tenant shall at all times be responsible for providing a safe site and be responsible for the work performance and safety of all employees, personnel, equipment and materials within Tenant's or its contractors' care, custody or control. Tenant and its contractors shall ensure all of their employees and contractors' employees have and wear personal protective equipment in compliance with applicable OSHA/DOSH/WISHA requirements.

TERM.

- 3.1. **Initial Term.** The initial term of this Agreement shall be for twenty-five (25) years (the “**Initial Term**”) and commence upon the Effective Date.
- 3.2. **Extension Terms.** This Agreement shall automatically renew for two (2) additional ten (10) year terms (each additional ten (10) year term shall be defined as an “**Extension Term**”), upon the same terms and conditions set forth herein, unless the Agreement has been terminated pursuant to Section 7 (Termination), or the either Party notifies the Other Party in writing of its intention not to renew this Agreement at least ninety (90) days prior to the expiration of the Initial Term or the then-existing Extension Term.
- 3.3. **Annual Terms.** At the conclusion of the Initial Term and all Extension Terms, this Agreement shall continue in force upon the same covenants, terms and conditions for a further term of one (1) year, and for annual terms thereafter (each additional one (1) year term shall be defined as an “**Annual Term**”) until the Agreement has been terminated pursuant to Section 7 (Termination) or terminated by either party hereto by giving to the other party hereto written notice of its intention to so terminate at least six (6) months prior to the end of the then-existing Annual Term, whichever occurs first.
- 3.4. **Holdover Terms.** If Tenant remains in possession of the Premises after the termination of this Agreement, then Tenant shall be deemed to be occupying the Premises on a month-to-month basis (the “**Holdover Term**”), subject to the terms and conditions of this Agreement.
- 3.5. Section 3.1 (Initial Term), Section 3.2 (Extension Terms), Section 3.3 (Annual Terms), and 3.4 (Holdover Terms) are collectively referred to as the “**Term**”.
- 3.6. The Term of this Agreement shall in no event terminate prior to the term of the Colocation Agreement.

RENT.

- 4.1. **Rent Commencement.** Commencing on the first day of the month following the date that Tenant commenced construction on the Premises (the “**Rent Commencement Date**”), Tenant shall pay Landlord on or before the fifth (5th) day of each calendar month in advance five hundred and No/100 Dollars (\$500.00) (the “**Rent**”), via electronic payment, unless Landlord specifies an alternative means for Rent payments in writing to Tenant. The initial Rent payment will be transmitted by Tenant to Landlord within forty-five (45) days after the Rent Commencement Date. Landlord shall provide to Tenant the account details for electronic payment and a W-9 on or before the Effective Date. The Rent Commencement Date shall be memorialized by notification from Tenant, substantially in the form attached hereto as **Exhibit D – Notification of Rent Commencement Date**, which shall be binding on Landlord unless Landlord notifies Tenant of its objection thereto within seven (7) days of delivery to Landlord.
- 4.2. **Rent Escalator.** On the first anniversary of the Rent Commencement Date, and on each anniversary of the Rent Commencement Date throughout the Term of the Agreement, Rent shall be increased by two percent (2.0%) of the Rent paid during the immediately prior year.

- 4.3. **Rent Proration.** In the event this Agreement is terminated, the Rent will be prorated for any partial month, based on a three hundred sixty-five (365) day year.
- 4.4. **Late Fee.** Rent shall be due on or before the fifth (5th) day of each month in advance and will be delinquent if not paid by the tenth (10th) day of each month of the Term. If payment is not received by Landlord within thirty (30) days of written notice of nonpayment (the “**Late Rent Period**”), Tenant shall pay to Landlord an additional sum of ten percent (10%) of the past due rent as a late fee; provided, however, that no late fees shall be due for the first (1st) time Tenant is late in any single calendar year. Acceptance of any late fee shall not constitute a waiver from exercising any of the other rights and remedies available to Landlord under this Agreement, at law or in equity, including, but not limited to, any interest charges imposed herein.
- 4.5. **Revenue Share.** In the event Tenant sublets or licenses space on the Facility to a third party collocator (“**Collocator**”), Tenant shall remit fifteen percent (15%) of the rent or other fees to use the Facility collected by Tenant from such Collocator (the “**Collocator Rent**”) to the Landlord (the “**Landlord’s Revenue Share**”). Such Landlord’s Revenue Share shall be paid with the next Rent payment due from Tenant that is at least thirty (30) days after receipt of the Collocator Rent by Tenant. Landlord acknowledges and agrees that Landlord’s Revenue Share may or may not be passed through as a cost to Collocator and in the event that Landlord’s Revenue Share is passed through as a cost to Collocator, the same shall not be subject to further revenue sharing or markup payable to Landlord. Tenant shall pay the Landlord’s Revenue Share for each Collocator on the Facility for which Tenant receives Collocator Rent. Tenant’s obligation to pay Landlord’s Revenue Share to Landlords shall expire or abate, as applicable, at such time as the Collocator does not pay Collocator Rent to Tenant, and shall resume, as applicable, if and when the Collocator resumes paying such recurring Collocator Rent and Landlord’s Revenue share shall be prorated for partial periods. The first Collocator paying Collocator Rent will always be considered an Anchor Tenant (“**Anchor Tenant**”). Notwithstanding any possible assignment of conveyance of this Agreement or interest in the Facility by an Anchor Tenant to a third party, in no event will an Anchor Tenant ever be considered or interpreted to be a Collocator under this Section 4.5 for the purpose of payment of Landlord’s Revenue Share.
- 4.6. **Landlord Use of Facility.** Tenant and Landlord plan to contemporaneously with this Agreement enter into a Tower Site Colocation Agreement in a form substantially similar to **Exhibit G - Tower Site Colocation Agreement**, which will govern the placement of certain telecommunications equipment by Landlord on the Facility to be constructed by Tenant as described herein to be located on the Premises.
5. **GOVERNMENT APPROVALS.** Landlord agrees that Tenant’s obligations under this Agreement are contingent upon Tenant’s ability to obtain, maintain, and comply with all Government Approvals. Landlord authorizes Tenant to prepare, execute and file all required applications to obtain Government Approvals for the Permitted Use and agrees to reasonably assist Tenant with such applications and with obtaining and maintaining the Government Approvals.

ACCESS.

- 6.1. **24/7 Access.** At all times throughout the Term of this Agreement, and at no additional charge to Tenant, Tenant, and Tenant’s Agents, shall have a reasonable, non-exclusive right to access

the Premises twenty-four (24) hours per day, seven (7) days per week for pedestrian and vehicular access (the “**Access**”) to and over the Parcel for the installation, maintenance and operation of the Facility and any utilities serving the Premises. Notwithstanding the foregoing, Tenant shall be afforded access to the Premises twenty-four (24) hours per day, seven (7) days per week for the Permitted Use, and such access to the Premises shall be exclusive to Tenant, and require no notice to Landlord. Tenant must give twenty-four (24) hour notice to Landlord prior any access to be made by Tenant to the Parcel (but not the Premises, which requires no prior notice), except in the event of an emergency, in which event Tenant shall provide notice within twenty-four (24) hours following such emergency as described below. Landlord shall have no duty to remove snow during daytime hours Monday – Friday or otherwise maintain the access area located on the Premises, but shall have an obligation for all maintenance on, or generally related to, the Parcel. Tenant may use an unmanned aircraft system, such as a drone for imagery at height, solely in connection with its Permitted Use and for the purpose of obtaining imagery of Tenant’s improvements on the Parcel. In the event any public utility is unable to use the access provided to Tenant, Landlord agrees to grant additional access either to Tenant or to the public utility, for the benefit of Tenant, at no cost to Tenant.

- 6.2. **Emergency.** In the event of an emergency situation which poses an immediate threat of substantial harm or damage to persons and/or property (including the continued operations of the Facility) which requires entry on the Parcel, Tenant may enter the Parcel and take reasonable actions that are required to protect individuals or personal property from the immediate threat of substantial harm or damage; provided that promptly after the emergency entry and in no event later than twenty-four (24) hours thereafter, Tenant gives telephonic and/or written notice to Landlord of Tenant’s entry onto the Parcel. Tenant’s emergency twenty-four (24) hour contact number(s) must be displayed on the outside of all equipment cabinets located at the Parcel or Premises. In the event of an emergency situation which poses an immediate threat of substantial harm or damage to persons and/or property which requires entry to the Parcel, Landlord may enter the Parcel and take the actions that are required to protect individuals or personal property.
- 6.3. **Non-Exclusive Access.** Landlord grants to Tenant a right of access from a public right of way to the Premises, over a portion of the Parcel, in a location identified by Tenant in **Exhibit B – Site Plan**.
- 6.4. **Locks.** Landlord agrees to provide to Tenant such codes, keys and other instruments necessary for such Access at no additional cost to Tenant to provide entry through the Parcel and onto the Premises, as may be applicable now or in the future. Where feasible, Landlord agrees that Tenant has a right to use its own locks on the Parcel for Access to Premises, all at Tenant’s cost and expense, so long as Tenant’s locks do not interfere with Landlord’s use of the Parcel.
- 6.5. **Access Condition.** Landlord shall be responsible for maintaining and repairing the Access to the Premises on the Parcel, including for the clearing of snow provided that snow removal equipment is able to access the Parcel and such clearance takes place during normal working hours Monday-Friday, provided further in the case of an urgent need during non-working hours as communicated by Tenant, the Landlord will use commercially reasonable efforts to arrange for snow removal during such non-working hours. Damages to the Access caused by Tenant's use of such Access is excluded from Landlord’s maintenance obligations hereunder. If Access to the Premises on the Parcel is impaired, Tenant shall notify Landlord of such impairment. Landlord shall cause the impairment to be removed within twenty-four (24) hours or, if removal

of the impairment is not practical within twenty-four (24) hours, as soon as reasonably practical.

- 6.6. **Default by Uncured Access.** Landlord acknowledges that in the event Tenant cannot obtain Access to the Premises, Tenant shall incur significant damage. If Landlord fails to provide the Access granted by this Section 6 (Access), or reasonable temporary alternate vehicular and pedestrian Access, such failure shall be a default under this Agreement pursuant to Section 17 (Default and Right to Cure).

TERMINATION. This Agreement may be terminated, without penalty or further liability, as follows, which shall operate to terminate, or in the case of Section 7.3 below, assign, any Colocation Agreements between the Parties:

- 7.1. By Tenant, upon written notice to Landlord at any time prior to the commencement of construction.
- 7.2. By Tenant, upon written notice to Landlord at any time during the Term, if Tenant is unable to obtain or maintain any Governmental Approvals, including without limitation any required approvals or the issuance of a license or permit by any agency, board, court or other governmental authority, necessary for the construction or operation of the Facility as now or hereafter intended by Tenant; or if Tenant determines, in its sole discretion that the cost of or delay in obtaining or retaining the same is burdensome or commercially unreasonable; or that the environmental condition of the Premises is unsuitable for Tenant's use, or if Tenant believes that the leasing or continued leasing of the Premises would expose Tenant to undue risks of liability to a government agency or other third party.
- 7.3. By Tenant, upon twelve (12) months prior written notice to Landlord at any time following commencement of construction, for any reason or no reason, provided, however, that Tenant must in connection with such termination right have either assigned its rights and delegated its obligations under the Colocation Agreement such that Landlord's rights thereunder are not materially impacted, or otherwise terminated the Colocation Agreement in accordance with its terms.
- 7.4. By Tenant, upon thirty (30) days prior written notice at any time during the Term, if the Landlord remains in material default after all applicable cure periods in Section 17 (Default and Right to Cure) and in this Agreement.
- 7.5. By Landlord, upon thirty (30) days prior written notice at any time during the Term, if Tenant remains in material default after all applicable cure periods in Section 17 (Default and Right to Cure) and in this Agreement.
- 7.6. Or as otherwise expressly provided for in this Agreement.
- 7.7. Upon such final expiration or termination of this Agreement, the Parties agree to negotiate in good faith regarding the disposition and/or transfer of any Tenant improvements made on the Premises, as well as to help ensure continuity of emergency services during any such transition period.

- 7.8. Notwithstanding any provision of this Lease, this Lease may not be terminated by Tenant when any payment due to the Landlord remains outstanding or past due.

INTERFERENCE.

- 8.1. **General.** For the purposes of this Agreement, “interference” may include, but is not limited to, any use that causes electronic or physical obstruction with Tenant’s Permitted Use.
- 8.2. **Mutual Non-Interference with Frequencies on the Parcel.** Landlord has provided Tenant with a list of radio frequency user(s) and frequencies used on the Parcel as of the Effective Date– **Pre-Existing Frequencies.** Tenant shall keep Landlord reasonably approved of the radio frequencies used on the Facility. Tenant warrants that its use of the Premises will not interfere with the pre-existing radio frequency uses on the Parcel identified by Landlord, as long as the pre-existing radio frequency user(s) operate and continue to operate within their respective frequencies and in accordance with all applicable laws and regulations. Landlord warrants that its use of the Facility as provided under the Colocation agreement will not interfere with the radio frequency uses on the Facility identified by Tenant, as long as such radio frequency user(s) operate and continue to operate within their respective frequencies and in accordance with all applicable laws and regulations. Tenant acknowledges that the Pre-Existing Frequencies are not anticipated to interfere with the radio frequency uses on the Facility . If anything arises after installation of the Facility that in Tenant’s reasonable opinion would result in any interference, the parties shall work together in good faith to eliminate the same. Landlord shall provide prior written notice to Tenant of any expansion or change to such pre-existing uses, but in no event shall such expansion or change interfere with Tenant’s Permitted Use or frequencies. In addition, and without limitation of the foregoing, the Parties agree that any change in frequency usage on either the Facility or the Parcel, respectively, will not in the case of Tenant interfere with Tenant’s Permitted Use or frequencies, and in the case of Landlord, not interfere with the pre-existing frequencies identified by Landlord. In the event any after-installed Tenant's equipment causes such interference, and after Landlord has notified Tenant in writing of such interference, Tenant will immediately take all available steps necessary to correct and eliminate the interference within ten (10) days of such notice, including but not limited to, at Tenant’s option, powering down such equipment and later powering up such equipment for intermittent testing. The Parties acknowledge that there will not be an adequate remedy at law for noncompliance with the provisions of this Paragraph and therefore, either Party shall have the right to equitable remedies, such as, without limitation, injunctive relief and specific performance.
- 8.3. **Landlord’s Non-Interference.** Landlord shall not, nor shall Landlord permit its employees, tenants, Tenants, invitees, agents, or independent contractors, to interfere in any way with the Facility, the operations of Tenant or the rights of Tenant under this Agreement. Landlord shall cause such interference to cease within twenty-four (24) hours, or within a reasonable time frame approved by Tenant in writing, after receipt of notice of interference from Tenant. In the event any such interference does not cease within the aforementioned cure period, then the Parties acknowledge that Tenant will suffer irreparable injury, and therefore, Tenant will have the right, in addition to any other rights that it may have at law or in equity, for Landlord's breach of this Agreement, to elect to enjoin such interference or to immediately terminate this Agreement upon notice to Landlord without a waiver of any other rights or remedies.

8.4. **Future Third-Party Interference.** Landlord agrees not to sell, lease, or use any areas of the Parcel that the Landlord owns or controls, after the Effective Date, or grant any other right to any third party, if the exercise of such grant may in any way adversely affect or interfere with the Facility, Tenant's Permitted Use, or the rights of Tenant under this Agreement. Landlord shall notify Tenant in writing prior to granting any third party the right to install and operate communications equipment on the Parcel. If Tenant observes interference, Tenant may conduct a radio frequency propagation test or other applicable Tests, at Tenant's sole discretion. Landlord shall reimburse Tenant for any costs and expenses of such testing, if the Tests demonstrate interference unacceptable to Tenant, at Tenant's sole determination.

MAINTENANCE. Tenant shall keep and maintain the Premises in good condition, reasonable wear and tear and damage from the elements excepted. Landlord shall maintain and repair the Parcel and access thereto, which is under the control of the Landlord, and all Access areas in good and tenantable condition, subject to reasonable wear and tear and damage from the elements.

UTILITIES.

10.1. **Right to Order and Install Utilities for Permitted Use.** Tenant shall have the right to install, upgrade and maintain utilities, including but not limited to electric power and fiber, and to improve present utilities on the Parcel and the Premises, all at Tenant's cost and expense. Landlord hereby grants to any utility provider an easement, in, on, under and over that portion of the Parcel designated by the Landlord and upon the Premises, associated with Tenant's Permitted Use. Tenant shall have the right to initiate the ordering and/or scheduling of necessary utilities and shall prepare utility applications, and Landlord agrees to reasonably cooperate and execute any required applications for obtaining and maintaining utilities. In the event Tenant is unable to secure timely utilities, Landlord agrees to permit Tenant to install a submeter and connect to Landlord's utility service. In such instance, Tenant shall reimburse Landlord for Tenant's consumption of utilities as measured by the submeter.

10.2. **Tenant's Payment for Utilities Consumed.** Tenant shall be responsible for paying all utility charges for electricity, fiber or any other utility used or consumed by Tenant on the Premises.

10.3. **Interruptions.** Landlord acknowledges that Tenant provides a communication service which requires utility service to operate and must operate twenty-four (24) hours per day, seven (7) days per week. In the event of a utility service interruption, Landlord agrees to allow Tenant and Tenant's Subtenants the right to utilize temporary utility sources until stable utilities are restored; provided, Tenant makes all reasonable efforts to restore the utility to the extent within Tenant's control. In the event the temporary utility sources require use of the Parcel outside the Premises, Tenant may use additional space on the Parcel, at no additional cost to Tenant, subject to Landlord's written approval, approval not to be unreasonably withheld, conditioned, or delayed.

11. **ENVIRONMENTAL.** Landlord and Tenant each agree that they shall not use, generate, store or dispose of any Hazardous Material (as defined in this Section 11) on, under, about or within the Parcel in violation of any law or regulation as may now, or at any time hereafter, be in effect. Should Landlord become aware of any Hazardous Materials contamination, Landlord shall immediately notify Tenant. Landlord and Tenant agree that each shall be responsible for compliance with any and

all applicable governmental laws, rules, statutes, regulations, codes, ordinances, or principles of common law regulating or imposing standards of liability or standards of conduct with regard to protection of the environment or worker health and safety, as may now or at any time hereafter be in effect, to the extent such apply to that party's activity conducted in or on the Parcel. As used herein, "**Hazardous Materials**" shall mean hazardous substances, including asbestos-containing materials and lead paint, petroleum, and any substance, chemical or waste identified as hazardous, toxic, or dangerous in any applicable federal, state or local law or regulation.

12. **SUBLEASE.** Tenant shall have the right to sublease or license any portion of the Premises and its rights herein, in whole or in part, to a third-party whose use is consistent with the Permitted Use at Tenant's sole discretion and without Landlord's consent.
13. **ASSIGNMENT.** Upon notice to and approval by Landlord, such approval not to be unreasonably withheld, conditioned or delayed, Tenant has the right to assign this Agreement and its rights herein, to a third-party, provided however, that Tenant may assign this Agreement and delegate all of its obligations herein at Tenant's sole discretion and without Landlord's consent in the case of an assignment resulting from a change in control of Tenant, whether by reorganization, merger, sale of substantially all of its assets or equity, operation of law or otherwise, and in the case of an assignment to New Cingular Wireless PCS, LLC. Notwithstanding the foregoing, Landlord may assign this Agreement upon prior written notice to Tenant and subject to providing all information as set forth in Section 23, and without the Tenant's prior written consent to any other municipal government with which Landlord consolidates by annexation, merger, formation of a regional fire authority, contract, or otherwise, provided however, in such case, and prior to completion of the assignment, the Parties shall reasonably determine in good faith whether any changes are necessary either to this Agreement or the Colocation Agreement resulting from such assignment, and effectuate any such change contemporaneously with such assignment. Tenant shall be relieved of all future performance, liabilities, and obligations under this Agreement upon such assignment and assumption of obligations by the assignee.
14. **INSURANCE.** Tenant shall provide Commercial General Liability Insurance with a limit of Two Million Dollars (\$2,000,000.00) per occurrence and in the aggregate, written on ISO form CG 00 01 or its equivalent and from a reputable insurance company authorized to do business where the Premises is located, with Landlord included as an additional insured. Certificates evidencing such insurance shall be furnished to Landlord upon execution of this Agreement. Tenant may satisfy this requirement by obtaining the appropriate endorsement to any master policy of liability insurance Tenant may maintain. Tenant shall self-insure or maintain its own policy of property insurance for its Facility. Landlord and Tenant hereby releases Landlord (and its successors or assigns) from liability and waives all right of recovery against the other for any loss or damage covered by their respective first party property insurance policies for all perils insured thereunder. In the event of such insured loss, insurance company shall have a subrogated claim against the other.
15. **INDEMNIFICATION.**
 - 15.1. **Tenant Indemnification.** Tenant agrees to indemnify, defend and hold Landlord harmless from and against any and all injury, loss, damage or liability, costs or expenses in connection with a third party claim (including reasonable attorneys' fees and court costs) related to the installation, use, maintenance, repair or removal of the Facility or Tenant's breach of any

provision of this Agreement, except to the extent attributable to the negligent or intentional act or omission of Landlord, its employees, invitees, agents or independent contractors.

FOR PURPOSES OF THE FOREGOING INDEMNIFICATION PROVISION ONLY, AND ONLY TO THE EXTENT OF CLAIMS AGAINST TENANT BY LANDLOR UNDER SUCH INDEMNIFICATION PROVISION, TENANT SPECIFICALLY WAIVES ANY IMMUNITY IT MAY BE GRANTED UNDER THE WASHINGTON STATE INDUSTRIAL INSURANCE ACT, TITLE 51 RCW. THE INDEMNIFICATION OBLIGATION UNDER THIS AGREEMENT SHALL NOT BE LIMITED IN ANY WAY BY ANY LIMITATION ON THE AMOUNT OR TYPE OF DAMAGES, COMPENSATION OR BENEFITS PAYABLE TO OR FOR ANY THIRD PARTY UNDER WORKERS' COMPENSATION ACTS, DISABILITY BENEFIT ACTS, OR OTHER EMPLOYEE BENEFIT ACTS.

The foregoing provision was specifically negotiated and agreed upon by the parties hereto.

- 15.2. **Landlord Indemnification.** To the extent permitted by law, Landlord agrees to indemnify, defend and hold Tenant harmless from and against any and all injury, loss, damage or liability, costs or expenses in connection with a third party claim (including reasonable attorneys' fees and court costs) arising from the negligence or willful misconduct of Landlord, its employees, invitees, agents or independent contractors, or the condition of the Parcel caused by Landlord's breach of any provision of this Agreement, except to the extent attributable to the negligent or intentional act or omission of Tenant, its employees, agents or independent contractors
- 15.3. **Indemnification Protocols.** The indemnified party shall: (i) promptly provide the indemnifying party with written notice of any claim, demand, lawsuit, or the like for which it seeks indemnification pursuant to this Section 15 (Indemnification) and provide the indemnifying party with copies of any demands, notices, summonses, or legal papers received in connection with such claim, demand, lawsuit, or the like; (ii) not settle any such claim, demand, lawsuit, or the like without the prior written consent of the indemnifying party; and (ii) fully cooperate with the indemnifying party in the defense of the claim, demand, lawsuit, or the like. A delay in notice shall not relieve the indemnifying party of its indemnity obligation, except (1) to the extent the indemnifying party can show it was prejudiced by the delay; and (2) the indemnifying party shall not be liable for any settlement or litigation expenses incurred before the time when notice is given.

16. WARRANTIES.

- 16.1. **General.** Tenant and Landlord acknowledge and represent to each other that it is duly organized, validly existing and in good standing and has the right, power, and authority or capacity, as applicable, to enter into this Agreement and bind itself hereto through the party or individual set forth as signatory for the party below.
- 16.2. **Landlord Warranties.** Except for as expressly provided herein, Tenant agrees to take the Premises in strictly "AS IS, WHERE IS" condition with all faults and conditions, known or unknown, and releases Landlord from any liability in connection therewith, including without limitation any warranties of fitness for a particular purpose. Landlord represents, warrants and agrees that: (i) Landlord solely owns the Parcel as a legal lot in fee simple; (ii) the Parcel is not and will not be encumbered by any liens, restrictions, mortgages, covenants, conditions,

easements, leases, or any other agreements of record or not of record, which would adversely affect Tenant's Permitted Use and enjoyment of the Premises under this Agreement; (iii) the Parcel is free of Hazardous Materials, except as disclosed on **Exhibit D – Disclosures of Hazardous Materials**, and has never been subject to any contamination or hazardous conditions resulting in any environmental investigation, inquiry or remediation, (iv) there exist no underground tanks on the Parcel; and (v) Landlord's execution and performance of this Agreement will not violate any laws, ordinances, covenants or the provisions of any mortgage, lease or other agreement binding on Landlord.

- 16.3. **Tenant's Warranties.** Tenant's Use will not materially or adversely interfere with Landlord's existing use of the Parcel as of the Effective Date.
- 16.4. **Quiet Enjoyment.** Landlord grants to Tenant sole, actual, quiet and peaceful use, enjoyment and possession of the Premises and leasehold estate created by and in accordance with the terms of this Agreement without hindrance or ejection by any persons.
- 16.5. **Landlord's Liens.** In addition to all other remedies available to Tenant, Landlord will promptly pay when due all liens and monetary encumbrances against the Parcel. If the Parcel is or becomes encumbered by a deed to secure a debt, mortgage or other security interest, then Landlord will provide promptly to Tenant a mutually agreeable subordination, non-disturbance and attornment agreement executed by Landlord and the holder of such security interest substantially in the form attached hereto as **Exhibit E – Subordination, Non-Disturbance and Attornment Agreement**, or in the mortgagee's standard form.

17. DEFAULT AND RIGHT TO CURE.

- 17.1. **Tenant Default.** The following will be deemed a default by Tenant and a breach of this Agreement: Tenant's failure to perform any term or condition under this Agreement within forty-five (45) days of written notice from Landlord specifying the failure. No such failure, however, will be deemed to exist if Tenant has commenced to cure such default within such period and provided that such efforts are prosecuted to completion with reasonable diligence. If Tenant remains in default beyond any applicable cure period, then Landlord will have the right to (1) pursue a judgment for direct damages against Tenant, and/or (2) to pursue specific performance, injunction, or declaratory judgment, (3) to terminate this Agreement pursuant to Section 7.5 (Termination), and/or (4) any and all other rights available to it under law and equity. In no event shall Tenant be liable for consequential, punitive, incidental or special damages, however caused, based on any theory of liability.
- 17.2. **Landlord Default.** The following will be deemed a default by Landlord and a breach of this Agreement: (i) Landlord's failure to provide Access to the Premises as required by Section 6 (Access) within twenty-four (24) hours after written notice of such failure; (ii) Landlord's failure to cure an interference problem as required by Section 8 (Interference) within twenty-four (24) hours after written notice of such failure; or (iii) Landlord's failure to perform any term or condition, or Landlord's breach of any warranty or covenant, under this Agreement for more than forty-five (45) days after written notice from Tenant specifying the failure. No such failure, however, will be deemed to exist if Landlord has commenced to cure the default within such period and provided such efforts are prosecuted to completion with reasonable diligence. Notwithstanding the foregoing, in regard to (iii) only, if any Landlord

default affects Tenant's operations on the Premises, then such cure period shall be shortened to ten (10) days, and Tenant shall have the right, but not the obligation, to take reasonable self-help actions to effect a cure during such cure period, at Landlord's cost. In addition, in the case of any breach of any provision of this Agreement by Landlord, and such breach results in costs or damages to Tenant relating to its operation of the Facility or use of the Premises, then notwithstanding any cure by Landlord, Landlord shall be responsible for any such costs or damages incurred by Tenant. If Landlord remains in default beyond any applicable cure period, Tenant will have: (1) the right to cure Landlord's default and to collect such amounts from Landlord and/or (2) right to terminate this Agreement pursuant to Section 7.4 (Termination), and/or (3) any and all other rights available to it under law and equity. In no event shall Landlord be liable for consequential, punitive, incidental or special damages, however caused, based on any theory of liability, provided however, that any third-party damages covered by indemnity or otherwise recoverable under this Agreement shall not be deemed excluded by this clause.

Notwithstanding the foregoing, any notice to a Party that would permit the other Parties to terminate this Agreement shall be sent by certified mail, return receipt requested to the parties indicated above, with "NOTICE OF DEFAULT" designated in the subject line to be effective notice hereunder.

19. CONDEMNATION. In the event Landlord receives notification of any threatened or pending condemnation proceedings affecting the Parcel, Landlord will provide notice thereof to Tenant within twenty-four (24) hours. If a condemning authority takes all of the Parcel, or a portion sufficient, in Tenant's sole determination, to render the Premises unsuitable for Tenant, this Agreement will terminate as of the date the title vests in the condemning authority, provided, however that Tenant may terminate the Lease earlier upon not less than thirty (30) days' notice to Landlord, after Tenant becomes aware of such threatened or pending proceedings. The Parties will each be entitled to pursue their own separate awards in the condemnation proceeds, which for Tenant will include but not be limited to, where applicable, the value of its Facility and leasehold rights hereunder, moving expenses, and business dislocation expenses. Landlord shall immediately refund to Tenant any prepaid Rent on a *pro rata* basis.

20. CASUALTY.

20.1. **Notice.** Landlord will provide notice to Tenant of any casualty or other harm affecting the Parcel within twenty-four (24) hours of the casualty or other harm.

20.2. **Premises Rendered Unsuitable.** If any part of the Facility or the Parcel is damaged by casualty or other harm as to render the Premises unsuitable, in Tenant's sole determination, then Tenant may terminate this Agreement by providing written notice to Landlord, which termination will be effective as of the date of such casualty or other harm, and Landlord shall reimburse Tenant for any prepaid Rent on a *pro rata* basis to the extent the casualty is due to the negligence or intentional act of Landlord. Tenant's termination of this Agreement under this Section shall not impair Tenant's right, if any, to collect insurance proceeds in connection with the Facility.

20.3. **Premises Rebuilt or Restored.** If Tenant undertakes to rebuild or restore the Premises and/or the Facility, as applicable, Landlord agrees to permit Tenant to place temporary facilities on the Parcel, at a location mutually agreeable to Landlord and Tenant, at no additional Rent until the reconstruction of the Premises and/or the Facility is completed; provided, Tenant makes all reasonable efforts to reconstruct the Facility as soon as reasonably practicable. Landlord agrees that the Rent shall be abated until the Parcel and/or the Premises are rebuilt or restored, unless Tenant places temporary facilities on the Parcel, in which case Rent shall be adjusted as may be necessary or appropriate to account for any reduction in space or operation, or Tenant's increased costs, due to temporary facilities

21. WAIVER OF LANDLORD'S LIENS. Landlord waives any and all lien rights it may have, statutory or otherwise, concerning the Facility or any portion thereof. The Facility shall be deemed personal property for purposes of this Agreement, regardless of whether any portion is deemed real or personal property under applicable law.

OTHER PAYABLE CHARGES. Unless specified otherwise in this Agreement, Tenant shall not be liable for any charges or expenses payable to Landlord in connection with the use of the Premises by Tenant. Further, all amounts permitted to be charged by Landlord under this

Agreement shall be billed to Tenant within one (1) year from when the charges were incurred, and in no event shall Tenant be liable for any charges billed to Tenant by Landlord after such period. The provisions of this Section 22 (Other Payable Charges) shall survive the termination or expiration of this Agreement.

23. TRANSFERS OF THE PARCEL OR PREMISES. Subject to the terms of this Agreement and except as provided in Section 25 (Anti-Piracy / Partial Transfers) below, Landlord may sell or otherwise transfer the Parcel or a portion thereof to a third party, provided: (i) the sale is made subject to the terms of this Agreement; and (ii) the transferee agrees to fully assume and perform Landlord's obligations under this Agreement. Within thirty (30) days of such transfer, Landlord or its successor shall send the documents listed below to Tenant:

- i. New deed to Parcel
- ii. Assignment and Assumption Agreement
- iii. Form W-9 for Transferee
- iv. Full contact information for new Landlord including phone number(s)

Until Tenant receives all such documents, Tenant's failure to make payments that may be required under this Agreement shall not be an event of default and Tenant reserves the right to hold payments due under this Agreement. Such transfer shall in no way limit or impair the obligations of Landlord under this Agreement, including interference and access obligations, or affect Tenant's rights under this Agreement. In the event that the transfer occurs by operation of law (i.e., not by deed), such transferee shall provide documentation reasonably acceptable to Tenant to evidence such transfer.

24. CHANGES TO ZONING OR ENCUMBRANCE. Landlord shall not initiate or consent to any change in the zoning of the Premises or the Parcel, or impose or consent to any other use, or encumbrance or restriction that would prevent or limit Tenant from using the Premises or Parcel for the Permitted Use or otherwise impair Tenant's rights hereunder.

25. ANTI-PIRACY/PARTIAL TRANSFERS.

25.1. Landlord agrees that it will not offer to, or accept any offer to, or transfer, convey, assign, lease, or grant an easement for any portion of Landlord's rights under this Agreement or any interest in the Premises or the rents due hereunder, including any "lease buyout" (a "**Partial Transfer**"), other than in connection with a full transfer of the fee interest real estate comprising the Premises as provided herein, together with a full assignment and assumption of Landlord's obligations under this Agreement.

25.2. If Landlord attempts to sell, convey, assign or transfer such property interest in or related to the Premises in violation of this Section 25, the sale, conveyance, assignment or transfer shall be void, and, at Tenant's option, an incurable default by Landlord of this Agreement.

TAXES. Tenant shall pay directly to the applicable Government Entity or to Landlord if Landlord is invoiced by such Government Entity, all taxes, fees, assessments or other charges assessed by any Government Entity against the Facility and/or Tenant's use of the Premises. Tenant shall pay to Landlord or the appropriate taxing authority, when due, any sales, use, ad valorem or other taxes or assessments which are assessed or due by reason of this Agreement or

Tenant's use of the Premises or the Parcel. Landlord will be responsible for payment of all the real property taxes, except Tenant shall pay any increase in real estate taxes levied against the Premises directly attributable to this Agreement and/or Tenant's use of this Premises. Tenant will pay to Landlord the foregoing amounts within thirty (30) days after written demand thereof by Landlord accompanied by copies of each tax bill, service bill and/or assessment notice, along with the prior year's bill and a reasonable determination. Landlord represents and warrants that if Tenant pays Landlord for any such taxes, it shall timely remit the same to the applicable Government Entity and shall indemnify, defend and hold Tenant harmless from any claims by such Government Entity relating to the same.

27. **AMENDMENT AND WAIVER.** This Agreement cannot be amended, modified, or revised unless done in writing and signed by Landlord and Tenant. No provision may be waived except in writing signed by the waiving party. The failure by a party to enforce any provision of this Agreement or to require performance by the other party will not be construed to be a waiver, or in any way affect the right of either party to enforce such provision thereafter.
28. **MEMORANDUM OF LEASE.** At the request of the Tenant, the Parties will execute a recordable Memorandum of Lease substantially in the form attached hereto as **Exhibit F – Memorandum of Lease**. Either party may record this Memorandum of Lease at any time during the Term, in its absolute discretion. Tenant may record an amendment thereof to update such Memorandum to incorporate any expansion of the Premises or additional easements granted in connection with the Premises, and Landlord will reasonably cooperate in connection therewith.
29. **COMPLIANCE WITH LAW.** Tenant agrees to comply with all federal, state, and local laws, orders, rules and regulations (the "Laws") applicable to Tenant's use of the Facility on the Parcel. Landlord agrees to comply with all Laws relating to Landlord's ownership and use of the Parcel and any improvements on the Parcel. Tenant shall, at Tenant's expense, ensure that the tower structure upon which the Facility is installed complies with all applicable Laws, including, without limitation, all rules and regulations promulgated by the FCC and Federal Aviation Administration ("FAA") with regard to lighting, marking and painting, except where noncompliance is due to Landlord's negligence or willful misconduct. All installations and operations by Tenant in connection with this Agreement shall meet and comply with all applicable Laws, including, without limitation, all applicable local codes and regulations, and all applicable rules and regulations promulgated by the FCC and FAA.
30. **BIND AND BENEFIT.** The terms and conditions contained in this Agreement will run with the Parcel and bind and inure to the benefit of the Parties, their respective heirs, executors, administrators, successors and assigns.
31. **ENTIRE AGREEMENT.** This Agreement and the exhibits attached hereto, all being a part hereof, along with the Colocation Agreement, constitute the entire agreement of the Parties hereto and will supersede all prior offers, negotiations and agreements with respect to the subject matter of this Agreement. Except as otherwise stated in this Agreement, each party shall bear its own fees, costs and expenses (including the fees, costs and expenses of its agents, brokers, representatives, attorneys, and accountants) incurred in connection with the negotiation, drafting, execution and performance of this Agreement and the transactions it contemplates.

32. **GOVERNING LAW.** This Agreement will be governed by the laws of the State of Washington, and venue of any dispute shall be in the Piere County Superior Court, without regard to conflicts of law.

5. Mortgagee understands, acknowledges, and agrees that notwithstanding anything to the contrary contained in the Mortgage and/or any related financing documents, including, without limitation, any UCC-1 financing statements, Mortgagee will acquire no interest in any equipment, fixtures and/or other property installed by or on behalf of Tenant or its related parties on the Property. Mortgagee hereby expressly waives any interest which Mortgagee may have or acquire with respect to such equipment, fixtures and/or other property of Tenant or Tenant's assignees, sublessees, licenses and related parties, now, or hereafter, located on or affixed to the Property or any portion thereof and Mortgagee hereby agrees that same do not constitute realty regardless of the manner in which same are attached or affixed to the Property.

6. SUMMARY:

January 1st Deployment

January 1st 2025 marked the date where the merging of three agencies enabled a massive improvement in service to the community. The added four-person companies, fire units, MSO units and DFM units had an immediate positive impact on the system. We also had additional commanding control with District Chief 60. The support from all directorates allowed us to implement the change without any major issues. We also merged cultures and Firefighters transferred across our entire collective service area. Spirits were high as the crews immediately started responding to incidents under a modified SS911 response plan. I am excited to see the response time performance numbers.

We also moved to a D shift and reduced the number of allowable hours worked to 48. We have seen an immediate reduction in the total amount of mandatory OT. The Firefighters are taking care of each other and covering the shifts. Our sick leave now termed "PTO short notice" has been utilized in situations where the employee is truly sick. The move to D shift is an incredible investment in the health of FF's. The work rest cycles are critical to emotional, physical and mental wellness. The change is well supported by the current research.

Thank you to the board for your courage to merge agencies, support of the deployment improvement and investment in Firefighter health. 1/1/25 will go down in history as a date to be remembered.

SUMMARY:

Training

The division is focused on getting the new staff up to speed. There are 4 new Captains, 1 new firefighter and 1 new Apparatus Operator (AO) that has joined the training division after the bid. The AO promotional process and new recruit training (E41) are their main focus currently.

Health & Wellness

The division is working on the coordination and communication of the firefighter physicals. The Struggle Well program for building resiliency is also being worked on. They are planning a 5-day retreat in February and would like to invite one commissioner to attend if possible.

Safety

One minor FF injury in the past month. Updating the accident review process to include the new District Chiefs. Evaluating a post-partum return to work program to decrease chances of injury.

Professional Development

We are researching a partnership with Eastern Oregon University to provide easily accessible pathways to Bachelor Degrees in Fire Administration or EMS management.

SUMMARY:

Purpose & Ethos

Staff continues to focus on the results from the Purpose & Ethos process. An introductory video has been produced and additional information will be communicated to the organization over the coming months. Staff will also start to transition items in the organization away from the original mission, vision & values to the now established Purpose & Ethos. Commissioners should expect to start seeing these changes over the coming months.

New Year

The start to the new year has been very successful. Staff have worked hard to implement new deployment, manage through schedule changes and the full blending of the three organizations. I am grateful for all staff and the amazing work they have done and continue to do.

I am writing to formally commend you and offer my thanks for your work on the IT infrastructure refresh in 2024.

This year you were tasked with refreshing and upgrading all the IT servers and infrastructure supporting every computer, application, and data in our environment. Through your research and technical expertise, you delivered a solution that increased our capacity, improved our sophistication and performance, added additional layers of reliability and redundancy, reduced inefficiencies and unnecessary costs, and will be resilient for our upcoming growth.

While all of this was accomplished on time and within budget the most remarkable aspect of your work to me is that it occurred behind the scenes with no noticeable impact to operations. This level of reliability and performance not only builds confidence in our systems but demonstrates the great degree of **trust** you have earned from me and the organization.

The technical complexity of this task is difficult to accurately describe but your performance compelled me to bring attention to the work you do largely behind the scenes. You regularly demonstrate our ethos of **humility** by carrying out extensive and complex projects with no expectation of recognition.

The way you methodically planned and executed this critical and extensive upgrade with no noticeable downtime, interruption, or frustration impacting our staff or operations demonstrates how the IT division can live our purpose of **People Helping People**.

Sincerely,

Micah Scott-Ralston
IT Director

I am writing to formally commend you and thank you for your work on the rig iPad deployment project.

What began as a request to prepare a handful of iPads for a pilot program soon grew into a multi-division deployment of devices across our fleet. The addition of these devices to our apparatus improves situational awareness, access to critical information, communication, and effectiveness in response.

Your willingness to continue taking the lead on this project as it grew, engaging logistics and operations, overcoming obstacles, and seeking opportunities to improve the final product is an excellent example of our ethos of **ownership**.

Over the course of this project you recognized a pain point around multiple navigation apps and locations and implemented a solution that wasn't asked for or expected. Your solution improves the day-to-day lives of our crews by reducing confusion and manual input and improves their ability to quickly arrive at their destination. That recognition of a need and delivery of a solution demonstrates how the IT division can live our purpose of **People Helping People**.

Sincerely,

Micah Scott-Ralston
